(4) Subject to the provisions of this Order there shall not be posted or conveyed or delivered by post any postal packet (other than an insured letter or, where the law or regulations of the country or place of destination allow, an outgoing uninsured

registered letter) containing coin, bank notes, currency notes, securities or instruments payable to bearer, travellers cheques, platinum, gold or silver whether manufactured or not, precious stones, jewels or other valuable articles.

Contents of certain packets

7. (2) On the posting of an outgoing postal packet the sender shall fill up such certificates and other documents and affix such labels respecting the contents of the packet as may be required by the law of the country or place in which the packet is posted or to which it is addressed, or as the Board may direct.

Limits of weight and size

9. (1) Save as the Board may either generally or in any particular case allow, no postal packet shall be posted, conveyed, or delivered by post under the provisions of this Order unless its weight and size are within the respective maximum limits

specified in the Fifth Schedule to this Order:

Provided that save as aforesaid:-

(a) where the packet is made up in the form of a roll, its length and twice its diameter taken together shall not exceed one thousand and forty millimetres and neither its length nor its diameter shall exceed nine hundred millimetres;

(b) in the case of a printed packet to which section two or section three of this Order applies and which contains only one or more of the following articles, namely,

(i) books;

(ii) pamphlets, which expression for this purpose means short printed publications or works of a literary character in book form sewn, bound or stapled within covers;

not being books or pamphlets issued in consecutive numbers at intervals of less than one year, the maximum weight shall be five kilograms.

(2) Save as aforesaid, no postal packet shall be posted, conveyed, or delivered by post under this Order unless its size is within the following minimum limits:-

(a) where the packet is made up in the form of a roll, its length and twice its diameter taken together shall be not less than one hundred and seventy millimetres, and either its length or its diameter shall be not less than one hundred millimetres;

- (b) otherwise the packet shall have at least one surface measuring not less than one hundred and forty millimetres in length and not less than ninety millimetres in breadth.

Articles liable to duty

10. (1) Subject to the powers of the Board under section thirteen of this Order, there shall not be posted or conveyed or delivered by post any packet consisting of literature for the blind containing any article liable to customs duty in the country or place of destination.

(2) Subject as aforesaid, there shall not be posted or conveyed or delivered by post any postal packet of any other description containing any article liable to customs duty, unless:-

- (a) the importation of such articles by means of postal packets of that description is permitted by the law of the country or place of destination;
- (b) the packet is registered if the law of the country or place of destination so require; and
- (c) for customs purposes the packet bears such label and has attached or contains such declarations as may be required by the Board.

(3) Where an incoming postal packet contains any article liable to any tax, duty or impôt, and the Board so directs, there shall be charged and paid by the addressee if the packet shall be delivered to him a fee of fifty-five new pence.

Payment of postage and fees

11. (1) Except as the Board may otherwise direct, and subject to the provisions of this Order, the postage and fees payable on

every outgoing postal packet and the fees payable in respect of postal facilities shall be prepaid.

(2) The provisions of this Order with reference to prepayment of postage and fees shall not apply to postage and fees payable on postal packets with respect to which the Board has entered into an arrangement with the senders thereof for the grant of credit facilities.

(3) Payment of postage or fees payable on postal packets may be denoted:-

(a) by adhesive postage stamps;

(b) by postage stamps embossed, impressed or printed on envelopes, covers, wrappers, cards or letter forms authorised by the Board for postal use, or on other postal forms, or by such postage stamps which have been cut out of, or otherwise detached from, any such envelopes, covers, wrappers, cards, letter forms or other postal forms;

(c) by means of impressions made by franking machines, printing presses, or other printing or stamping devices, being machines, presses or devices operated under the direction, or with the authority, of the Board;

(d) in such other manner as the Board may from time to time permit.

(4) No stamp indicating on the face thereof payment of a registration fee (with or without postage) shall be used to denote payment of postage or fees on any unregistered postal packet.

(5) Packets bearing the impression of franking machines or intended for impression by franking machines, and packets on which payment of postage is denoted by a printed impression, or by an

impression made by any other device authorised by the Board, shall be accepted only at such post offices, within such hours, and under and subject to such conditions and restrictions as the Board may consider appropriate.

(6) Subject to the provisions of this Order, the stamp or impression denoting payment of postage or fees shall be placed in such position on the envelope, cover, postcard or other form as the Board may consider appropriate.

(7) No stamp or impression which is imperfect or mutilated or defaced in any way, or across which anything is written or printed or otherwise impressed, shall be used to denote payment of postage or fees; but a stamp shall not be deemed to be imperfect or mutilated or defaced or to have anything written or printed or impressed across it within the meaning of this provision, by reason only that it is distinctly perforated with initials by means of a punch if the perforating holes are not larger than those dividing one stamp from another in a sheet of stamps.

Unpaid or underpaid postage

12. (1) The following provisions of this subsection shall apply to outgoing postal packets (including an air mail packet) upon which no part, or a part only, of the postage payable thereon has been prepaid (not being an insured letter or other registered postal packet or a postal packet the postage on which is subject to such an arrangement to which subsection (2) of section eleven of this Order applies):-

(a) a letter or a postcard shall be forwarded charged with the amount of the deficient postage;

(b) any other postal packet may be detained and returned or given up to the sender, or may be forwarded charged with the amount of

the deficient postage, at the discretion of the Board.

(2) Notwithstanding the provisions of subsection (1) of this section, where no part, or a part only, of the postage payable on an outgoing postal packet (including an air mail packet) has been prepaid, the Board may (if it thinks fit), instead of dealing with the packet in accordance with that subsection, affix to the packet stamps to the value of the deficient postage, or to endorse thereon an indication that it should be treated as if the full postage thereon had been paid, and the packet shall thereupon be forwarded as if the full postage thereon had been prepaid; and the sender of a packet so forwarded shall pay to the Board on demand the amount of the deficient postage.

(3) An air mail packet on which no part, or a part only, of the postage payable thereon has been prepaid, not being an air mail packet to which the provisions of subsection (2) of section eleven of this Order apply, may be dealt with as if it were not an air mail packet.

(4) The provisions of this subsection shall apply to an incoming postal packet (other than a packet redirected from an address outside the Bailiwick to an address in the Bailiwick) upon which no part, or a part only, of the postage payable thereon has been prepaid:-

(a) unless it is an insured letter or other registered postal packet, it may be detained and returned to the country of origin, or it may be forwarded charged with the amount of the postage deficiency, in addition to such amount payable at the discretion of the Board, as the Board may fix from time to time;

(b) if it is an insured letter or other registered postal packet, it shall be forwarded without any charge in respect of the deficient postage.

(5) The following provisions of this subsection (as appropriate) shall apply to an incoming postal packet redirected from an address outside the Bailiwick, whether or not within the country in which they were posted, to an address in the Bailiwick:-

(a) a postal packet other than an insured letter or other registered postal packet shall be forwarded charged with the following sum, unless it has been prepaid on the redirection of the packet:-

(i) if the postage on the first transmission was fully prepaid, a sum equal to the difference (if any) between the amount of that postage and the postage which would have been chargeable if the packet had been originally addressed to the new address;

(ii) otherwise, a sum equal to the amount which would have been chargeable on the packet under the provisions of subsection (4) of this section if the packet had been originally addressed to the new address and were forwarded in accordance with paragraph (a) or

(b) (as appropriate) of that subsection;

(b) an insured letter or other registered postal packet shall be forwarded charged with the

following sum (unless it has been prepaid on the redirection of the packet) that is to say, a sum equal to the difference (if any) between the postage chargeable on the first transmission, whether or not that postage was fully prepaid, and the postage which would have been chargeable if the packet had been originally addressed to the new address;

(c) a postal packet of whatever description which has been transmitted by air to the Bailiwick after redirection without prepayment of additional postage in respect of the transmission by air shall be forwarded charged with such sum (in addition to any sum charged under paragraph (a) or (b) of this subsection) as the foreign administration concerned has requested the Board to collect in respect of that transmission.

(6) Where the amount chargeable under subsection (4) or (5) of this section would otherwise be less than three new pence the amount charged shall be three new pence.

(7) Any sums charged on an incoming postal packet under the provisions of subsections (4) and (5) of this section, and any other sums payable in respect of the packet under the law of the Bailiwick or any country or place from or through which the packet has been transmitted shall be payable on delivery of the packet, and the Board may withhold the packet from delivery until such sums have been paid.

(8) In this section "the deficient postage", in relation to a postal packet, means, if no part of the postage payable thereon has been prepaid, the full amount of the postage which ought to have been prepaid thereon, and if part only of such

postage has been prepaid, the difference between such full amount and the amount of such postage which has been prepaid.

Treatment of irregular packets

13. (1) Except as otherwise provided in this Order, any postal packet which is found when in the post not to comply with a provision of the law of the country or place in which the packet was posted or to which it is addressed or of any country or place through which it may pass (including the Law and this Order) or not to be accompanied by a document required by any such provision, may be either detained or returned or given up to the sender, or forwarded and delivered, or dealt with or disposed of in such other manner as the Board may think fit.

(2) Any postal packet which is found when in the post to be such that the conveyance or delivery thereof is prohibited by paragraph (k) of subsection (2) of section six of this Order, may if the Board thinks fit be delivered to the addressee subject to such charge as the Board may fix in the particular case, not exceeding the aggregate amount of the separate charges which would have been payable in respect of all the individual postal packets contained therein if each of them had been posted singly without prepayment of postage.

(3) Any postal packet (other than a letter) which is found when in the post not to comply with the provisions of this Order, which are applicable to postal packets of its particular description, may if the Board thinks fit be treated as if it had been posted as a letter or as a postal packet of such other description as the Board considers appropriate, and the provisions of this Order, shall apply thereto accordingly.

Undeliverable packets

14. Where for any reason an incoming postal packet cannot be

delivered, it may at the discretion of the Board either be returned to the sender, or be destroyed or otherwise disposed of as the Board may think fit.

PART II

(3) If any postcard is found when in the post not to comply with the provisions of paragraph (d) of subsection (1) of this section, it shall be dealt with as if the postage or fees denoted

by the stamps or impressions placed otherwise than in conformity with the provisions of paragraph (d) of subsection (1) of this section had not been prepaid.

(3) Reproductions of a manuscript or typewritten original may be transmitted as or in printed packets when they are obtained by a mechanical manifolding process, provided that these reproductions be posted under such conditions as the Board may from time to time direct and the manuscript additions authorised for printed packets may also be made to these reproductions.

(4) Except as provided in subsection (5) of this section, every printed packet shall be made up in such a way that it can be easily examined, and shall be placed: (a) in a wrapper, upon a roller or between cardboard; or (b) in an open bag, box, envelope or container; or (c) in a closed unsealed bag, box, envelope or container which can easily be opened; or (d) in an envelope secured with a clip which can be easily unfastened and refastened, or secured with string which can be easily untied:

(2) International reply coupons may be purchased from post offices in the Bailiwick of Guernsey and can be exchanged for a stamp or stamps representing the minimum international postage payable on a letter sent by overseas surface letter mail.

- (b) if the new address is in the Republic of Ireland, the packet would have been eligible for transmission to the new address from the

country or place in which the packet was posted, and complies with the conditions applicable to incoming packets;

(c) in any case, the sender has not forbidden redirection by means of a note to that effect on the address side of the packet in English, or in any other language understood by the Officers of the States Post Office handling the packet.

(2) Except as the Board may allow, a postal packet which is redirected from an address in the Bailiwick more than one day after the day of its delivery at that address (Sundays, Christmas Day, Good Friday and bank holidays being disregarded for this purpose), or which before redirection has been opened, or altered otherwise than by the substitution of the new address, shall not be treated as a redirected packet, but shall be treated for the purpose of this Order or of the Post Office (Inland Post) Order, 1983 (as the case may be), as if on redirection it had been posted anew, without prejudice however to the liability of any person for the payment of any sums which had previously become chargeable on the packet.

(6) Where the person redirecting an incoming postal packet from an address in the Bailiwick to an address which is not in the Bailiwick, the United Kingdom, the Isle of Man, Jersey or the Republic of Ireland requests that the packet shall be forwarded by an air mail service, he shall pay additional postage thereon of such amount (if any) as the Board may consider appropriate, not exceeding the postage which would have been payable thereon under section five of this Order if the packet had been posted anew to the new address as an air mail packet.

(7) Subject to the provision of paragraphs (a) and (c) of subsection (1) and of subsection (2) of this section, a postal packet posted in the Bailiwick, the United Kingdom, the Isle of Man, Jersey or the Republic of Ireland and transmitted under the provisions of the Post Office (Inland Post) Order, 1983, to an address in the Bailiwick may be redirected from its original address and retransmitted under the provisions of this Order to the

same addressee at any address which is not in the Bailiwick, the United Kingdom, the Isle of Man, Jersey or the Republic of Ireland:

Provided that:-

- (a) a registered packet shall be re-posted in accordance with paragraph (b) of subsection (2) of section twenty-five of this Order;
- (b) a packet on which a registration fee in excess of the minimum payable under the provisions of the Post Office (Inland Post) Order, 1983, has been paid, shall not be transmissible as a redirected packet under the provisions of this Order; and
- (c) a packet which has been posted as a recorded delivery packet under the provisions of the Post Office (Inland Post) Order, 1983, shall when redirected under the provisions of this Order cease to be transmitted as a recorded delivery packet and accordingly no compensation shall be paid in respect thereof.
