EXPLANATORY NOTE

(This note is not part of the Licence but is intended to indicate its general purport.)

- (1) This Licence replaces the Open General Import Licence granted by the Board of Administration on the 14 March 1973, and the amendment thereto.
- (2) Subject to certain overriding exceptions set out in Article 5(a) and (b) relating to Southern Rhodesia, any goods which are not included in Schedules 1 or 2 may be imported into Guernsey under the authority of this Licence.
- (3) Goods comprised in Schedule 3 (endangered species and their products) may not in any circumstances be imported under the Licence.
- (4) Goods comprised in Schedule 1 but not in Schedule 2 may be imported into Guernsey under the Licence except in certain cases when an individual import licence will be required. The exceptions are indicated as follows:

"W" indicates goods which may not in any circumstances be imported under the Licence;

a country or territory specified in relation to an entry indicates that goods comprised in that entry may not be imported under the Licence if they originate in that country or territory;

"J" indicates goods which may not be imported under the Licence if they originate in Japan unless they are consigned to Guernsey from Japan under the authority of the Japanese Government;

"D" indicates goods which may not be imported under the Licence if they originate in the Dollar Area (defined in Article 1);

"NCEFTA" indicates goods which may not be imported under the Licence if they do not originate in the CEFTA Area (defined in Article 1);

"RT" indicates goods which may not be imported under the Licence if they originate in the Residual Textile Area (defined in Article 1);

"ST" indicates goods which may not be imported under the Licence if they originate in the State Trading Area (defined in Article 1);

Where there is more than one entry relating to a Tariff Heading, a particular country or territory being shown against one entry and an area including that country or territory shown against another, then the goods originating in that country or territory and described in either entry may not be imported under the Licence.

- (5) Goods comprised in Schedule 2 may be imported into Guernsey under the Licence:
 - (a) if they are consigned to Guernsey from or originate in the Community Area (defined in Article 1), unless they appear in Schedule 1 and originate in a country, territory or area specified against the entry therein;
 - (b) if, in the case specified in Article 4(b), they are consigned from Japan under the authority of the Government of Japan; or
