This Order varies the charges which may be made for the supply of water, slightly reducing the quarterly standing charge in respect of properties supplied by measure through 15mm ( $\frac{1}{2}$ " ) meters and increasing the remaining charges by amounts not exceeding the rate of inflation since March 1996 taking into account increases already levied. The new charges come into effect on 1<sup>st</sup> January 2002 and will be levied on quarterly accounts rendered on and after 1<sup>st</sup> April 2002.
