EXPLANATORY NOTE

Since the 1st January, 1984, certain individuals have been permitted, under the Income Tax Law, to contribute to Retirement Annuity Schemes or Retirement Annuity Trust Schemes which provide personal pensions upon retirement. The Income Tax Authority is empowered, under that Law, to make Regulations which, amongst other things, lay down the limits of contributions which are permitted.

This Regulation increases the limits of contribution originally determined by the Authority and means that with effect from 1st January, 1990, individuals who are in receipt of relevant earnings are able to contribute up to the new maximum laid down.
