10. There shall be payable in respect of each arrival at the Guernsey Airport of an aircraft of either of the classes set out in the left hand column of Part IX of the First Schedule to this Ordinance after a flight, not being a flight which, in the opinion of the Board, is a bona fide test flight or a familiarisation or training flight on which only personnel for carrying out the test, familiarisation or under training, as the case may be, are carried, which began at the Guernsey Airport and during which the aircraft did not land at any other place an airport fee calculated in accordance with the rates set out in the right hand column of the said Part of the said Schedule in relation to those classes respectively.

Local
flights.

11. There shall be payable in respect of each arrival at the Guernsey Airport of a private aircraft of either of the classes set out in the left hand column of Part X of the First Schedule to this Ordinance an airport fee:—

Private
aircraft.

- (a) if payment of the fee is made immediately on the arrival of the aircraft at the Guernsey Airport, calculated in accordance with

the rates set out in Table 1 of the right hand column of the said Part of the said Schedule in relation to those classes respectively;

- (b) if payment of the fee is not made immediately on the arrival of the aircraft at the Guernsey Airport, calculated in accordance with the rates set out in Table 2 of the right hand column of the said Part of the said Schedule in relation to those classes respectively.

Test, familiarisation, and training flights.

12. (1) There shall be payable in respect of each arrival at the Guernsey Airport of an aircraft of either of the classes set out in the left hand column of Part XI of the First Schedule to this Ordinance on a flight which is, in the opinion of the Board, a bona fide test flight or a familiarisation or training flight on which only personnel for carrying out the test, familiarisation or under training, as the case may be, are carried an airport fee calculated in accordance with the rates set out in the right hand column of the said Part of the said Schedule in relation to those classes respectively.

(2) In the case of an aircraft of either of the classes set out in the left hand column of Part XII of the First Schedule to this Ordinance on a flight which is, in the opinion of the Board, a bona fide test flight or a familiarisation or training flight on which only personnel for carrying out the test, familiarisation or under training, as the case may be, are carried, there shall be payable, if the aircraft approaches the runway of the Guernsey Airport for the purposes of making a simulated landing but does not land at the Guernsey Airport a fee calculated in accordance with the rates set out in the right hand column of the said Part of the said Schedule in

relation to those classes respectively in respect of each such approach to the runway.

(3) Any person who is desirous that a flight should, for the purposes of either of the last two preceding subsections, be treated by the Board as a bona fide test flight or a familiarisation or training flight shall, before the flight is to take place, supply the Board with such information, including the circumstances in which it is to take place, as the Board may require.

13. When the Guernsey Airport is made available for the arrival thereat or the departure therefrom of an aircraft before the commencement or after the expiration of the promulgated hours on any day, there may be payable at the discretion of the Board, in addition to any other fee payable under the provisions of this Part of this Ordinance an airport fee calculated in accordance with the provisions of Part XIII of the First Schedule to this Ordinance. Additional fees outside promulgated hours.

14. (1) Subject to the provisions of this section and to any agreement between the Board and the operator of an aircraft, there shall be payable in respect of the parking at the Guernsey Airport of an aircraft of any of the classes set out in the left hand column of Part XIV of the First Schedule to this Ordinance a parking fee calculated in accordance with the rates set out in the right hand column of the said Part of the said Schedule in relation to those classes respectively. Parking fees.

(2) In the calculation of any parking fee payable under the provisions of the last preceding subsection:—

(a) the period during which an aircraft is parked at the Guernsey Airport on any

occasion shall be deemed to have commenced at the time when the aircraft last touched down at the Guernsey Airport before being parked and to end when the aircraft next takes off from the Guernsey Airport;

- (b) in respect of the parking at the Guernsey Airport of an aircraft other than a private aircraft not exceeding three metric tons maximum permissible weight, the first two hours during which such an aircraft is parked after its last arrival at the Guernsey Airport shall be disregarded;
- (c) in respect of the parking at the Guernsey Airport of a private aircraft not exceeding three metric tons maximum permissible weight, the first forty-eight hours during which such an aircraft is parked after its last arrival at the Guernsey Airport shall be disregarded.

(3) The parking fee in respect of the parking at the Guernsey Airport of an aircraft payable under the provisions of subsection (1) of this section shall be payable whether or not the aircraft is secured to the ground or to any structure.

PART II

Alderney Airport

15. There shall be payable in respect of each arrival at the Alderney Airport of an aircraft of either of the classes set out in the left hand column of Part I of the Second Schedule to this Ordinance an airport fee calculated in accordance with the rates set out

in the right hand column of the said Part of the said Schedule in relation to those classes respectively.

16. In addition to the airport fee payable in pursuance of the provisions of the last preceding section there shall be payable in respect of each arrival at the Alderney Airport of an aircraft in passenger configuration or in mixed configuration, as the case may be, which last departed from a place outside the Channel Islands a passenger fee calculated by multiplying ninety-five new pence by the number of passengers on board the aircraft at the time of its arrival as aforesaid.

Passenger
and mixed
aircraft:
passenger
fee.

17. When the Alderney Airport is made available for the arrival thereat or the departure therefrom of an aircraft before the commencement or after the expiration of the promulgated hours on any day, there may be payable at the discretion of the Board, in addition to any other fee payable under the provisions of this Part of this Ordinance, an airport fee calculated in accordance with the provisions of Part II of the Second Schedule to this Ordinance.

Additional
fees outside
promulga-
ted hours.

18. (1) Subject to the provisions of this section and to any agreement between the Board and the operator of an aircraft, there shall be payable in respect of the parking at the Alderney Airport of an aircraft of any of the classes set out in the left hand column of Part III of the Second Schedule to this Ordinance a parking fee calculated in accordance with the rates set out in the right hand column of the said Part of the said Schedule in relation to those classes respectively.

Parking fees.

(2) In the calculation of any parking fee payable under the provisions of the last preceding subsection:—

- (a) the period during which an aircraft is parked at the Alderney Airport on any occasion shall be deemed to have commenced at the time when the aircraft last touched down at the Alderney Airport before being parked and to end when the aircraft next takes off from the Alderney Airport;
- (b) in respect of the parking at the Alderney Airport of an aircraft other than a private aircraft not exceeding three metric tons maximum permissible weight, the first two hours during which such an aircraft is parked after its last arrival at the Alderney Airport shall be disregarded;
- (c) in respect of the parking at the Alderney Airport of a private aircraft not exceeding three metric tons maximum permissible weight, the first forty-eight hours during which such an aircraft is parked after its last arrival at the Alderney Airport shall be disregarded.

(3) The parking fee in respect of the parking at the Alderney Airport of an aircraft payable under the provisions of subsection (1) of this section shall be payable whether or not the aircraft is secured to the ground or to any structure.

PART III

Guernsey and Alderney Airports

Arrivals due to bad weather

Arrivals due to bad weather, etc. 19. (1) Where after the departure of an aircraft from the Airport the aircraft is unable to reach its destination through stress of weather or other circumstances beyond the control of the operator

and returns to the Airport without having landed at any place during the flight, an airport fee in respect of the arrival on return shall not be payable under the provisions of Part I or Part II of this Ordinance, as the case may be, if, as soon as may be after such arrival, the aircraft departs for its original destination without any passenger or any freight not carried in the aircraft on its arrival as aforesaid.

(2) Where an aircraft not bound for the Airport through stress of weather or other circumstances beyond the control of the operator, arrives at the Airport, an airport fee in respect of such arrival shall not be payable under the provisions of Part I or Part II of this Ordinance, as the case may be, if, as soon as may be after such arrival, the aircraft departs for its original destination without any passenger or any freight not carried in the aircraft on its arrival as aforesaid.

(3) Where an aircraft bound for the Airport, through stress of weather or other circumstances beyond the control of the operator, is diverted to another place at which no landing fee, navigational services fee, passenger fee or other similar fee by whatever name called is paid, then on the arrival of that aircraft at the Airport from that other place there shall be payable in respect of such arrival at the Airport the appropriate airport fees payable under the provisions of Part I or Part II of this Ordinance, as the case may be, as if the aircraft had arrived from its original place of departure on the flight concerned and had not been diverted.

Exceptions and exemptions

20. So much of the provisions of Part I or Part II of this Ordinance as prescribe the fees which shall be payable in respect of the arrival at the Airport **Exceptions.**

of an aircraft may be varied or suspended during the operation of an agreement between the Board and the operator of that aircraft or during such period and subject to such conditions as may be contained in that agreement.

Exemptions.

21. Nothing in the foregoing provisions of this Ordinance shall apply in relation to the naval, military or air force aircraft of any country or to aircraft owned by a department of the government of any country.

Commuted airport fees

Commuted
fee payable
by an
operator.

22. (1) Notwithstanding any of the provisions of Part I or Part II of this Ordinance, there may be payable by an operator in respect of all arrivals at the Guernsey Airport or at the Alderney Airport or at both of aircraft owned by the operator during each year a commuted fee of such amount as shall be agreed between the Board and the operator and approved by Resolution of the States of Guernsey as respects each year.

(2) The power conferred by the last preceding subsection to pass any Resolution shall be construed as including a power exercisable in the like manner to vary or repeal the Resolution.

PART IV

Guernsey and Alderney Airports

General

Payment
and recovery
of fees.

23. (1) Any fee payable in pursuance of any of the provisions of Part I or Part II of this Ordinance shall be paid by the operator of the aircraft concerned.

(2) Any fee payable in pursuance of any of the provisions of Part I or Part II of this Ordinance may be recovered from the operator concerned as a civil debt due to the States of Guernsey.

24. (1) In this Ordinance, unless the context otherwise requires, the following expressions have the meanings hereby respectively assigned to them, that is to say:— Interpre-
tation.

“aircraft in cargo configuration” means an aircraft which for the time being is in the opinion of the Board intended to be and is used for the carriage of freight and in which no passengers are carried;

“aircraft in mixed configuration” means an aircraft which is designed or intended and is wholly or mainly used for the carriage of freight;

“aircraft in passenger configuration” means an aircraft, not being an aircraft in mixed configuration, which is designed or intended and is wholly or mainly used for the carriage of passengers and operated for hire or reward;
