(a) All goods other than vehicles	£1.63 per metric ton or part thereof
(b) Private vehicles	£2.55 per vehicle
(c) Commercial vehicles	£3.70 per vehicle

*Calculation of charges under Scale A*

In calculating the amount of any charges payable under this Scale:—

- (a) goods carried in or on a vehicle other than the personal effects or baggage of the driver thereof or a passenger therein or thereon shall be charged in addition to the charges in respect of the vehicle;
- (b) a trailer whether accompanied by a prime mover or any other towing vehicle shall be charged separately as a private vehicle or a commercial vehicle, as the case may be;
- (c) an articulated vehicle shall be charged as one vehicle;
- (d) where any goods are landed or embarked in a container specially designed or adapted for the conveyance of goods the charges under this Scale shall not be chargeable in respect of any such container but shall be charged only on the goods forming the contents thereof.

### *Interpretation of Scale A*

In this Scale, except where the context otherwise requires, the following expressions have the meanings hereby respectively assigned to them, that is to say:—

“commercial vehicle” means any vehicle which, in the opinion of the Board, is designed or constructed for use wholly or mainly for the carriage of goods or for the carriage of passengers for hire or reward;

“private vehicle” means any vehicle which, in the opinion of the Board, is designed or constructed for use wholly or mainly for social, domestic or pleasure purposes.

“vehicle” includes a trailer.
