EXPLANATORY NOTE

(This note is not part of these Regulations)

These Regulations replace picture warning No. 14 in the Tobacco Advertising (Guernsey) Regulations, 2010, with a picture warning that sets out the telephone number of the UK Quitline. Arrangements have been made to redirect callers from Guernsey who dial that number to the Guernsey Quitline.

The principal Regulations, which require picture warnings to be carried on packets of tobacco products sold, or offered or exposed for sale, came into force on the 10th of August, 2010. However, transitional provisions allow existing packets to be sold, or offered or exposed for sale, without these warnings, before the 10th of August, 2011 (in the case of cigarette packets) or before the 10th of August, 2012 (in the case of any other packets).
