Goods comprised in Schedule 1 may be imported under the Licence except in certain cases when an individual import licence will be required. The following series of key letters is employed to indicate such exceptions:-

The Licence does not relieve importers from compliance with any other restrictions to which the goods may be subject, including restrictions on, or the prohibition of, imports by any enactment other than Orders made under Article 1 of the Import and Export (Control) (Guaranty) Law, 1946.
