EXPLANATORY NOTE

This Order, which comes into operation on 3rd March 1975, makes amendments to the Second Schedule annexed to the Import Duties (Bailiwick of Guernsey) (No. 68) Order 1974, which sets out the 1975 Guernsey tariff.

The First Schedule provides, in respect of products covered by the European Community's common organisation of the market in beef and veal (Article 59 (1) (a) of the Act of Accession), for

(a) a third 20% reduction of duty in the case of goods qualifying for entry as EEC goods (symbol "M"); and for

(b) the existing full rates to move towards the full rates of the EEC's Common Customs Tariff by a third 20% reduction of the difference between these rates as at the base date (1st January 1972).

The Second Schedule contains amendments to the text of some subheadings and foot notes in accordance with the obligations of the Bailiwick to align to the EEC's Common Customs Tariff. It also corrects minor printing errors.
