## EXPLANATORY NOTE

(This note is not part of the Order but is intended to indicate its general purport).

This order sets out the areas that are to be designated as a Designated Public Place, that is, prohibiting the consumption of intoxicating liquor in the areas so specified during the times specified.

The Order shall not apply to:-

- (a) licensed premises within the meaning of the Liquor Licensing Ordinance 2006 ;
- (b) a place within the curtilage of such licensed premises;
- (c) a place which may be used for the supply of intoxicating liquor or which could have been so used within the last twenty minutes by virtue of an occasional liquor permit within the meaning of the Liquor Licensing Ordinance 2006; or
- (d) a place where facilities or activities relating to the sale of or consumption of intoxicating liquor are for the time being permitted by virtue of an *al fresco* licence granted under the Public Highways (Temporary Closure) Ordinance 1999.

Further, if a police officer reasonably believes that a person is, or has been, consuming intoxicating liquor in a designated public place or intends to consume intoxicating liquor in such a place the officer may require the person concerned:-

- (a) not to consume in that place anything which is, or which the police officer reasonably believes to be, intoxicating liquor;
- (b) to surrender anything in his possession which is, or which the police officer reasonably believes to be, intoxicating liquor or a container for such liquor.

However, a person is not required to surrender intoxicating liquor in a sealed container unless a police officer reasonably believes that the person concerned intends to consume the liquor in a designated public place.
