SCHEDULE

THE MENTAL TREATMENT REGULATIONS, 1956

PART I

*Management of the States Mental Hospital and Psychiatric Clinic*

**General power of management of the States Mental Hospital and Psychiatric Clinic.**

1. ...

**[Consultant Psychiatrist].**

2. (1) Subject to any other duties which may be specifically assigned to the [Consultant Psychiatrist] by arrangement between him and the Board [...], the [Consultant Psychiatrist] shall, in particular, perform the duties set out in the succeeding paragraphs of this Regulation.

(2) The [Consultant Psychiatrist] shall be responsible for the direction of the medical, surgical, psychological and moral treatment of the patients, their medical classification and their management, exercise, amusements and occupations.

(3) The [Consultant Psychiatrist] shall report to the Board, at its next meeting thereafter –

(a) every occurrence of unusual importance at the Hospital or the Clinic,

(b) every accident to, injury sustained by, escape or death

of and inquest upon a patient,

- (c) upon the case of any patient who is, in his opinion, fit for discharge,
- (d) any neglect or abuse at the Hospital that may come to his knowledge,
- (e) all other facts, observations and suggestions which he deems to be of importance, relative to the management [...] of the Hospital or the Clinic or relative to the treatment of the patients, and
- (f) any other matters as directed from time to time by the Board.

(4) ...

(5) ...

(6) ...

(7) The [Consultant Psychiatrist] shall thoroughly examine, or arrange for the examination by a medical practitioner of, every patient on admission to the Hospital, or as soon as possible thereafter, and shall record the result of the examination at the time of such examination or cause such record to be made of the examination, as the case may be.

(8) The [Consultant Psychiatrist] shall allow any patient, at the special request of such patient or of his relatives or friends, to be visited at

reasonable times by a Minister of the religious persuasion of the patient, unless, in his opinion, such a visit would be harmful to the patient having regard to his condition.

(9) The [Consultant Psychiatrist] shall present to the Board once in each quarter a list of the cases in which he has exercised his powers of permitting patients to be absent from the Hospital, under the provisions of Article 28 of the Law.

(10) For the assistance of the Board in the proper exercise of its powers and performance of its duties, the [Consultant Psychiatrist] shall, as occasion arises, and in any event during the month of January in each year in respect of the twelve months ending on the thirty-first day of December of the previous year, report in writing to the Board regarding –

- (a) the adequacy of the staff in respect of its grades, organisation, number and individual efficiency,
- (b) the progress of the patients,
- (c) the methods of treatment in use in the Hospital, and
- (d) the work of the Hospital in general.

(11) ...

**Chaplain and other Ministers of Religion.**

3. ...

**Secretary to the Hospital.**

4. (1) The [States [Policy Council]] shall, subject to such conditions and for such term as it may think proper, appoint a Secretary to the Hospital (hereinafter referred to as "**The Secretary**").

(2) The Secretary shall present to the Board at every meeting thereof a statement giving the number of patients then in the Hospital and the number received into and discharged from the Hospital since the last meeting at which a similar statement was presented and containing such other details as the Board may from time to time require.

(3) The Secretary shall keep a record of any articles other than such personal possessions as the [Consultant Psychiatrist] permits them to retain, which patients bring with them into the Hospital and shall keep such articles in safe custody until they are in due course returned to the patients or other persons entitled to them and the Secretary shall obtain a signed acknowledgment of the return of any such article.

**Matron.**

5. (1) The Board shall appoint as Matron of the Hospital a woman who shall be either a Registered Mental Nurse or possess such other qualification as the Board may, from time to time, determine.

(2) ...

(3) The Matron shall be responsible to [...] the Board for the supervision and nursing of all the patients in the Hospital and for the supervision of the wards, nurses, domestic servants, laundry, work-rooms and all administrative quarters.

(4) Subject to the authority of the Board [...], the Matron shall

have control of all nursing officers, nurses, and servants; shall instruct them in their duties and see that the same are efficiently performed; and shall report [to the Board] whatever she may know to be improper or a major infraction of the rules in the conduct of those subordinate to her, or whatever may prejudice the efficient administration of the Hospital.

(5) [A nurse appointed by the Matron] shall be present throughout the bathing of the patients and see that the provisions of Regulation six of these Regulations are strictly carried out and keep observation for, and without delay report [to the Matron], any marks or bruises found upon the person of any of such patients.

(6) The Matron shall be responsible for all stock in the wards and in all departments and staff quarters at the Hospital and she shall check completely once in each year, or at such shorter intervals as the Board may from time to time require, the stock in the said wards, departments and staff quarters and report the results of the stocktaking to [...] the Secretary.

(7) The Matron or a deputy shall be present at all religious services and entertainments at which patients are present.

(8) The Matron or a deputy shall see all the night staff before they go on duty.

(9) ...

(10) ...

(11) ...

(12) ...

(13) ...

(14) ...

(15) ...

**The bathing of patients.**

6. (1) Every patient shall be bathed at least once every seven days, unless otherwise directed by the [Consultant Psychiatrist], and the name of every patient who does not have a bath in any such period shall be entered in the daily ward report.

(2) In preparing a bath the cold water shall be turned on first and before the patient enters the bath the temperature shall be ascertained by a Fahrenheit thermometer, and it shall not be less than 90 degrees nor above 100 degrees unless specially ordered by the [Consultant Psychiatrist]; in case of the thermometer becoming inefficient from injury or other cause all bathing operations in that bath shall be discontinued until another thermometer is obtained.

(3) Hot or cold water shall not be added to the bath while the patient is in it, and care shall be taken that the hot and cold water are thoroughly mixed before the patient is allowed to enter the bath.

(4) Only one patient shall be bathed in the same water.

(5) During the use of the bath by a patient the bathroom shall never be left without a nurse and at all other times the bath taps shall remain locked.

(6) In no circumstances whatever shall a patient's head be immersed.

(7) In the bath the body of each patient shall be well cleansed with soap and when they leave the bath care shall be taken to dry those patients who are feeble or helpless and to clothe them as rapidly as possible.

(8) The bath key shall not be used by patients and shall be kept in a place appointed by the Matron and in no circumstances shall a key be left on the tap of a bath.

(9) Any marks, bruises, wounds, sores, local pain or evidence of disease of any kind complained of by the patients or noticed by the nurses during any bathing operations shall be reported immediately to the Matron and also be entered in the daily ward report.

(10) Baths shall be used solely for the cleansing of the patients, except where, under medical orders, they are given as medical treatment; a cold bath shall not be given except by order of the [Consultant Psychiatrist].

(11) When a bath is given in the ward the nurse in charge shall see it administered.

(12) The depth of water in a bath for a patient shall not exceed that indicated by the level mark, or, where there is no such mark, seven inches.

(13) When spray baths are used for the bathing of patients –

(a) the water used shall be supplied from an automatic

mixer and the nurse in charge of the bathing shall be responsible for seeing that the temperature as laid down in paragraph (2) of this Regulation is registered before the bathing is commenced,

- (b) should the nurse in charge be unable to regulate the temperature properly the bathing shall be discontinued and the engineer informed,
- (c) in no circumstances shall the apparatus for mixing hot and cold water be touched or interfered with in any way by any person except the nurse in charge or the engineer.

(14) A printed copy of this Regulation shall be conspicuously displayed in every bathroom in the Hospital.

**Patients' walking parties.**

7. (1) Patients other than those selected by the [Consultant Psychiatrist] or the Matron shall not be permitted to take walking exercise outside the Hospital and its grounds.

(2) The number of patients in any walking party shall not exceed twenty and there shall be with each such party a sufficiency of nurses save that when there are twenty patients in any such party there shall be at least three nurses with that party.

(3) The number of patients in any walking party for the purpose of shopping shall not exceed ten and there shall be a sufficiency of nurses with each such party save that when there are ten patients in any such party there shall be at

least two nurses with that party.

(4) The routes taken by walking parties shall be only those authorised by the [Consultant Psychiatrist] or the Matron.

(5) During a walk as aforesaid the nurses shall be so stationed around the walking party that all the patients in the party are under supervision and no patient shall, in any circumstances, be allowed out of the sight of a nurse; nurses shall exercise the greatest vigilance in the supervision of patients when out walking.

(6) The nurses in charge of walking parties shall take every care to ensure that the public do not suffer molestation or annoyance from the patients forming such parties.

(7) The nurse in charge of a walking party shall make a written report to the Matron of the route taken by the walking party, calling attention to any special incident which may have occurred, such as noisy or disorderly conduct on the part of a patient, or the occurrence of a fit or other illness.

**Visits to patients.**

**8.** (1) Visits to patients shall be permitted on such days and at such times as shall be designated by the Board.

(2) Every visitor before entering the Hospital shall be required to produce for inspection a written authorisation signed by the [Consultant Psychiatrist] or the Matron authorising that visitor to enter the Hospital on that occasion save that the [Consultant Psychiatrist] may, in suitable cases, issue a written authorisation to visit which shall be valid for such period as is stated therein.

(3) Patients who are dangerously ill may, at the discretion of the [Consultant Psychiatrist] or the Matron, be visited on a day other than a day authorised as aforesaid.

(4) Visitors to patients shall not at any time enter a ward without the express permission of the [Consultant Psychiatrist] or the Matron.

(5) Unless in exceptional circumstances and with the consent of the [Consultant Psychiatrist], not more than two persons at one time, and no person under the age of eighteen years, shall be permitted to visit a patient.

(6) A visitor shall not bring into the Hospital or give to any patient any intoxicating liquor, any medicine or drug, or any knife, scissors, cutting instrument, cord, matches or any other article which could be used by that patient to harm himself or others or the equipment, furniture or any part of the Hospital.

(7) No gratuity or perquisite of any kind shall be given by a visitor to any officer, nurse or other person employed at the Hospital.

(8) Any visitor desiring to make a complaint or to have an interview respecting a patient's condition shall signify his wish to the nurse in charge of the ward in which the patient is and that nurse shall thereupon inform the Matron.

(9) A nurse shall be present during every visit as aforesaid, unless the contrary has been arranged with the express authority of the [Consultant Psychiatrist], but shall not be present in such a way as to prevent private conversation between visitor and patient.

(10) A patient shall not be permitted to accompany any visitor into

the Hospital grounds except by authority of the [Consultant Psychiatrist] or the Matron.

(11) A visitor who does not conform to this Regulation or whose visits are deemed to be harmful to the patient or otherwise inexpedient, may, by order of the Board or the [Consultant Psychiatrist], be denied visits to the Hospital for such -period as the Board or the [Consultant Psychiatrist], as the case may be, thinks advisable.

**General instructions.**

9. (1) The male and female patients shall be kept in separate wards, and no male nurse, servant or patient, except workmen in discharge of their necessary duties and under proper supervision, shall be allowed to enter female wards nor any female nurse, servant or patient to enter, male wards except where the [Consultant Psychiatrist] deems it advisable to appoint a female nurse or female servant to do so; no male person excepting the [Consultant Psychiatrist] or a person authorised by him in that behalf shall at any time have keys admitting them to any of the female wards.

(2) No patient shall be restrained or placed in seclusion at any time, or shall, except for the purpose of cleanliness, be subjected, to any, bath, unless by authority of the [Consultant Psychiatrist].

(3) All accidents and injuries, however slight, sudden illness, attempts to escape or to commit suicide and struggles between patients or between patients and nurses, shall immediately be reported by the nurse in charge to the Matron who shall forthwith inform the [Consultant Psychiatrist].

(4) No female patient shall be employed in any private official residence or male officer's quarters at the Hospital.

(5) No reward, either in money or kind, shall be given by any nurse to any patient for work done or otherwise.

(6) Male nurses and other male employees at the Hospital, except the [Consultant Psychiatrist], who are allowed to have keys of the female side in their possession, shall, whenever they go out of the Hospital, deposit them in a place approved by the [Consultant Psychiatrist].

(7) No patient shall be allowed to attend religious services or entertainments or shall be employed or be taken out for exercise or recreation either within or without the boundaries of the Hospital estate without the approval of the [Consultant Psychiatrist] or the Matron.

(8) Patients who assist the nurses in their various ward duties shall not be given extra food at the expense of other patients, nor shall they be permitted to exercise any authority over other patients; no patient shall be allowed without the sanction of the [Consultant Psychiatrist] or the Matron to perform a duty for another patient which should generally be undertaken by a nurse.

(9) Nurses and other employees who have the charge of patients engaged in work shall see to the safe custody of all articles used and shall examine and count over their stock frequently; they shall not take any such article away from the Hospital premises and shall ensure that after use all such articles are given up, checked, and stored in safe custody; they shall not permit any patient to have possession of any such articles not visible to them.

(10) Resident nurses and other resident employees at the Hospital shall ensure that sharp instruments, such as razors, scissors or hatpins in their bedrooms and any medicines, liniments or other medical substances supplied to, or

obtained by, them for their private use are kept under lock and key.

(11) Nurses and other employees at the Hospital shall ensure that all ladders, steps, or other articles used by them, which might enable patients to escape or with which they could cause harm to themselves or others or the equipment, furniture or any part of the Hospital are carefully guarded and, directly the work in connection with which such articles are used is completed or suspended, shall see that they are removed out of the patients' reach.

(12) Nurses and other employees at the Hospital when out of the Hospital shall not mention the names or talk of the conduct of any patient nor shall they convey any letters or messages from the patients to anyone outside the Hospital without the permission of the [Consultant Psychiatrist] or the Matron; all letters from and to patients shall be delivered to the Matron.

(13) A nurse or other employee at the Hospital whilst in charge of a patient shall not enter or permit the patient to enter any licensed premises nor obtain for a patient or permit or allow him to obtain intoxicating liquor.

(14) A patient shall not be permitted to have in his possession any key other than by permission of the [Consultant Psychiatrist] and all other keys shall be deposited in a place approved by the [Consultant Psychiatrist].

(15) No nurse or other employee at the Hospital shall, otherwise than under his own contract of employment under the Board –

- (a) have any interest, direct or indirect, in any contract or pecuniary transaction connected with the Hospital, or
- (b) directly or indirectly take any fee, reward or perquisite

of any kind from any tradesman, patient, or other person.

(16) A patient shall not be struck or threatened nor, except by the order of the [Consultant Psychiatrist], be placed in seclusion.

(17) If a patient becomes extremely violent the fact shall immediately be reported to the [Consultant Psychiatrist] or Matron and the nurse to whom the patient's condition first becomes known shall immediately procure the assistance of at least one other nurse, reasonably restrain the patient and send for the Matron or the Senior Male Nurse, as the case may be; the knees shall not be placed on the patient's body nor shall his limbs be twisted.

(18) Nurses shall treat their patients kindly and shall not speak harshly to them; they shall be responsible for the safety, cleanliness and general condition of their patients and for the good order of their wards; they shall attend to the dressing and undressing of their patients, keeping careful observation for injuries, bruises and other marks and reporting any such immediately to the Matron or the Senior Male Nurse who, as soon as possible, shall report the matter to the [Consultant Psychiatrist].

(19) On the death of a patient in the Hospital the Matron shall immediately give notice thereof by the quickest possible means to the nearest known relative of the deceased and as soon as may be thereafter such notice shall be confirmed, in writing, by the Secretary.

(20) If there is no known relative of the deceased or if the body is not claimed by that relative before the expiration of the fourth day after death, the body shall be buried or cremated in accordance with such directions as may be given by the Board.

(21) Notwithstanding the provisions of the last preceding paragraph, if the [Consultant Psychiatrist] is of opinion that earlier disposal of the body is essential, the Board may order the burial or cremation of the body at such time and in accordance with such instructions as it may determine.

(22) A person, other than a member of the Board or a nurse, shall not be admitted into any part of the Hospital occupied by a patient unless –

- (a) he has been granted permission in that behalf in writing, by the Board or the [Consultant Psychiatrist]; and
- (b) he is accompanied by the [Consultant Psychiatrist] or a person authorised by the [Consultant Psychiatrist] in that behalf, and
- (c) he enters at such time as may be specified by the Board or the [Consultant Psychiatrist].

(23) The instruments and appliances to be used as mechanical means of bodily restraint for the purposes of Article 36 of the Law shall be those set out in the Schedule to these Regulations.

**Payments by or on behalf of patients.**

**10.** (1) Any payment which the Board requires to be made by or on behalf of a patient in the Hospital or otherwise under the care of the Board shall be based upon scales of charges fixed by the Board, paying regard to –

- (a) the average weekly cost for a patient of the same kind,

undergoing similar treatment, and

- (b) the cost of any special treatment or special measures adopted in the case of the patient by or on behalf of whom payment is being required.

(2) The scales of charges referred to in paragraph (1) of this Regulation may be revised from time to time and at any time deemed advisable by the Board and shall be reviewed by the said Board not less often than once in every twelve months.

(3) The Board shall, after reviewing all relevant information, determine in every case whether a charge is to be made and, if so, the amount thereof.

(4) Any person aggrieved by any charge determined in accordance with this Regulation may appeal in respect thereof to the Board.

(5) The Board may claim from any patient under its care or from any person answerable for such patient the amount of any charge determined in accordance with this Regulation and any such amount shall be recoverable by the Board from the person concerned as a civil debt.

**Penalties.**

**11.** (1) Any person, not being an in-patient, who contravenes any of these Regulations shall be guilty of an offence and shall, on conviction, be liable to a fine not exceeding [level 1 on the uniform scale].

(2) If any person employed under the direction of the Board does any act, or is guilty of any omission, injurious, or likely to be injurious, to a patient

in the care of the Board, and if such act or omission constitutes a contravention of any of these Regulations, such person shall be guilty of an offence and shall be liable, on conviction, to a fine not exceeding [level 1 on the uniform scale] or to imprisonment, with or without hard labour, for a term not exceeding three months, or to both such fine and such imprisonment.

**Interpretation.**

**12.** In these Regulations, unless the context otherwise requires or it is otherwise specially provided, the following words and expressions have the meanings hereby respectively assigned, to them, namely –

**"the Board"** means the States [Health and Social Services Department] [and includes a Committee of the States [Health and Social Services Department]],

**"the Clinic"** means the States Psychiatric Clinic,

**"the Hospital"** means any place provided by the States for the care and treatment of persons suffering from mental ailment,

**"the Law"** means the Mental Treatment Law (Guernsey) 1939, and any Law amending, supplementing or superseding that Law,

**["Consultant Psychiatrist"** has the meaning assigned to it by Article I of the Law,]

**"placed in seclusion"** of a patient means that he is, at any time between 7 a.m. and 7 p.m., isolated in a room the door of which is so fastened or held that the patient is unable to leave the room at will; but a patient shall be deemed not to be placed in seclusion if he is isolated in a

room in which the lower half of the door is thus fastened or held, but the upper part is left open.

**Short title.**

13. These Regulations may be cited as the Mental Treatment (General) Regulations, 1956.

**Commencement.**

14. These Regulations shall come into force on the 26th day of November, 1956.

THE SCHEDULE

*Specified Mechanical Means of Bodily Restraint*

(1) A jacket or dress, made of strong linen or some other strong material (a) laced or buttoned down the back, having long outside sleeves fastened to the dress only at the shoulders, with closed ends to which tapes may be attached for tying behind the back when the arms have been folded across the chest; or (b) of some other pattern approved by the Board;

(2) Gloves without fingers, so fastened at the wrists that they cannot be removed by the wearer, and made of linen, leather (chamois or other), or some strong material, padded or otherwise;

(3) Sheets or towels, when tied or fastened to the sides or ends of a bed or to other objects;

(4) If, in the opinion of the [Consultant Psychiatrist] or other medical practitioner who gives the certificate required by Article 36 of the Mental Treatment

Law (Guernsey) 1939, some other mechanical means of bodily restraint is necessary in a particular case where the circumstances are exceptional, such means may be used with the previous sanction of the President of the Board for such period as he authorises.
