(Made on the 28th October, 1970.)

The [...] Poisons and Pharmacy Ordinance, 1970

THE STATES, on the representations of the States Board of Health, hereby
order: –

PART I

Authorisation of Pharmacists

Authority to practice.

1. ...

NOTES

The word omitted in square brackets in the title to this Ordinance was repealed as a consequence of the amendment made to section 46 of this Ordinance by the Doctors, Dentists and Pharmacists Ordinance, 1987, section 6(1), Schedule, with effect from 1st July, 1987.

Section 1 was repealed by the Doctors, Dentists and Pharmacists Ordinance, 1987, section 6(1), Schedule, with effect from 1st July, 1987, subject to the savings in section 6(2) and (3) of the 1987 Ordinance.

Part II of this Ordinance is prospectively repealed by the Medicines (Human and Veterinary) (Bailiwick of Guernsey) Law, 2008.

Grant of authorisation.

2. ...

NOTE

Section 2 was repealed by the Doctors, Dentists and Pharmacists

Ordinance, 1987, section 6(1), Schedule, with effect from 1st July, 1987, subject to the savings in section 6(2) and (3) of the 1987 Ordinance.

Interim authorisation by a Law Officer of the Crown.

3. ...

NOTE

Section 3 was repealed by the Doctors, Dentists and Pharmacists Ordinance, 1987, section 6(1), Schedule, with effect from 1st July, 1987, subject to the savings in section 6(2) and (3) of the 1987 Ordinance.

Cessation of authorisation.

4. ...

NOTE

Section 4 was repealed by the Doctors, Dentists and Pharmacists Ordinance, 1987, section 6(1), Schedule, with effect from 1st July, 1987, subject to the savings in section 6(2) and (3) of the 1987 Ordinance.

Definition of "authorised pharmacist".

5. ...

NOTE

Section 5 was repealed by the Medicines (Human and Veterinary) (Bailiwick of Guernsey) Law, 2008, section 135, Schedule 5, with effect from 1st October, 2009.¹

PART II

Poisons

Prohibitions and regulations with respect to sale of poisons.

6. (1) Subject to the provisions of this Part and Part IV of this Ordinance, a person shall not –

- (a) sell, offer for sale or attempt to sell any of the poisons included in Part I of the Tenth Schedule to this Ordinance (which Schedule is hereinafter referred to as "**the Poisons List**") unless –
 - (i) he is an authorised pharmacist, and
 - (ii) the sale is effected by, or under the supervision of, an authorised pharmacist,
- (b) sell, offer for sale or attempt to sell any of the poisons included in Part II of the Poisons List unless either –
 - (i) he is an authorised pharmacist, or
 - (ii) his name is entered on a list kept by the Board in pursuance of section seven of this Ordinance entitling him, subject to the provisions of this Ordinance, to sell poisons included in Part II of the Poisons List,
- (c) sell, offer for sale or attempt to sell any of the poisons included in Part I or in Part II of the Poisons List

Consolidated text

unless the container of the poison is labeled –

- (i) with the name of the poison, and
- (ii) in the case of a preparation which contains any of the said poisons as one of the ingredients thereof, with particulars as to the proportion which the poison contained in the preparation bears to the total ingredients, and
- (iii) with the word "POISON" or, in the case of a preparation as aforesaid, an indication of the character of the preparation, and
- (iv) with the name of the seller of the poison and the address of the premises on which it was sold,

in clear legible capital letters.

(2) Subject to the provisions of this Part and Part IV of this Ordinance –

- (a) a person shall not sell, offer for sale or attempt to sell any of the poisons included in the First Schedule to this Ordinance to any person unless that person is either –
 - (i) certified in writing in the manner provided for in subsection (3) of this section and by the

Consolidated text

person authorised by the provisions of subsection (4) of this section to give a certificate for the purposes of this section, or

- (ii) known by the seller or by some authorised pharmacist in the employment of the seller at the premises where the sale is effected,

to be a person to whom the poison may properly be sold,

- (b) the seller of any such poison shall not deliver it until –
 - (i) he has made or caused to be made an entry in a book to be kept for that purpose, each page of which shall be in the form set out in the Second Schedule to this Ordinance, stating the date of the sale, the name and address of the purchaser and of the person, if any, by whom the certificate required under paragraph (a) of this subsection was given, the name and quantity of the article sold and the purposes for which it is stated by the purchaser to be required, and
 - (ii) the purchaser has affixed his signature to the entry aforesaid,
- (c) a person shall not sell, offer for sale or attempt to sell any of the poisons included in Part I or Part II of the Poisons List to any person unless that person is aged

Consolidated text

sixteen years or more.

(3) A certificate given for the purposes of paragraph (a) of subsection (2) of this section shall be in the form and shall contain the particulars set out in the Eleventh Schedule to this Ordinance.

(4) All householders are hereby authorised to give such certificates as aforesaid:

Provided that a certificate given by a householder who is not known to the seller of the poison to be a responsible person of good character shall not be a sufficient certificate for the purposes of the said paragraph (a) of subsection (2) of this section unless it is endorsed in the manner specified in the Eleventh Schedule to this Ordinance by the Chief Officer of Police.

(5) On any sale of a poison upon such certificate as aforesaid the certificate shall be retained by the seller.

(6) Paragraph (a) of subsection (2) of this section shall, in its application to sales by listed sellers of poisons included in Part II of the Poisons List, be deemed to be satisfied if the person to whom the poison is sold is known by the person in charge of the premises on which the poison is sold or of the department of the business in which the sale is effected to be a person to whom the poison may properly be sold.

(7) The provisions of subsection (2) of this section shall not apply, so far as the poison specified in the first column of the Twelfth Schedule to this Ordinance is concerned, to sales of substances specified in the second column of that Schedule.

(8) Nothing in this Part of this Ordinance shall extend to or interfere with –

- (a) the sale of poisons by way of wholesale dealing, or
- (b) the sale of an article to an authorised medical practitioner, authorised dentist or authorised veterinary surgeon for the purposes of his profession, or
- (c) the sale of an article for use in or in connection with any hospital, infirmary, dispensary or similar institution approved by an order, whether general or special, of the Board, or
- (d) the sale of an article to a person or institution concerned with scientific education or research if the article is required for the purposes of that education or research.

Listed sellers to be entitled to sell poisons in Part II of the Poisons List.

7. (1) The Board shall keep, for the purposes of this Part of this Ordinance, a list of persons (in this Ordinance referred to as "**listed sellers**") who, not being entitled to sell poisons included in Part I of the Poisons List are, subject to the provisions of this Ordinance, to be entitled to sell poisons included in Part II of the Poisons List and shall, subject as hereinafter provided, enter in the list the name of any person who makes an application to the Board, in the form prescribed, to have his name entered in the list as a person entitled, subject to the provisions of this Ordinance, to sell such poisons.

(2) The Board may refuse to enter in or may remove from the list

Consolidated text

the name of any person who fails to pay the fees prescribed or who, in the opinion of the Board is, for any sufficient reason relating to him personally, not fit to be on the list.

(3) If any person is aggrieved by the refusal of the Board to enter his name in the said list or by the removal of his name therefrom under this section, he may, in such manner and within such period as may be directed by Order of the Royal Court, appeal to the Court against the refusal or removal.

(4) Every person shall pay to the Board such fees as may be prescribed in respect of –

- (a) the entry of his name in the list, and
- (b) the retention of his name in the list in any year subsequent to the year in which his name is first entered therein.

(5) If any person whose name is entered in the list is convicted before any court of any criminal offence which, in the opinion of the court, renders him unfit to have his name on the list, the court may, as part of the sentence, order his name to be removed from the list and direct that he shall, for such period as may be specified in the order, be disqualified from having his name on the list.

(6) The list shall be open at all reasonable times to the inspection of any person without fee.

(7) In this section the expression "**relating to him personally**" means, in relation to a person being a body corporate, relating personally to the members of the Board of that body corporate or to the managers or other officers of

the body corporate.

(8) A person whose name is entered in the list shall not use in connection with his business any title, emblem or description reasonably calculated to suggest that he is entitled to sell any poison other than a poison which he is under this Ordinance entitled to sell and if any person acts in contravention of this subsection he shall be guilty of an offence and liable, on conviction in respect of each offence, to a fine not exceeding [level 1 on the uniform scale] and, in the case of a continuing offence, to a further fine not exceeding [£10] for every day subsequent to the day on which he is convicted of the offence during which the contravention continues.

NOTES

In section 7,

the words and figure in the first pair of square brackets in subsection (8) were substituted by the Uniform Scale of Fines (Bailiwick of Guernsey) Law, 1989, section 2(2), with effect from 1st July, 1989;

the figures and symbol in the second pair of square brackets in subsection (8) were substituted by the Public Health and Related Offences (Increase of Fines) Ordinance, 1986, section 1, Schedule, with effect from 30th April, 1986.

Exemption with respect to medicines.

8. (1) Nothing in section six of this Ordinance shall apply –
- (a) to a medicine which is supplied by an authorised medical practitioner for the purposes of medical treatment, by an authorised dentist for the purposes of dental treatment or by an authorised veterinary surgeon for the purposes of animal treatment, or

Consolidated text

- (b) to a medicine which is dispensed by an authorised pharmacist, or
- (c) to a poison forming part of the ingredients of a medicine which is supplied by an authorised pharmacist,

if the requirements contained in the following provisions of this section are satisfied in relation thereto.

(2) The medicine must be distinctly labelled with the name and address of the person by whom it is supplied or dispensed.

(3) On the day on which the medicine is supplied or dispensed or, if that is not reasonably practicable, on the day next following that day, there must be entered in a book which is used regularly for the purpose of this provision but which need not be used exclusively for that purpose the following particulars –

- (a) the date on which the medicine was supplied or dispensed,
- (b) the ingredients of the medicine and the quantity thereof supplied,
- (c) if the medicine was dispensed by an authorised pharmacist, the name or initials and, if it is known, the address of the person by whom, and the name and, if it is known, the address of the person to whom, and the date on which, the prescription was given,

Consolidated text

- (d) if the medicine was not so dispensed, the name of the person to whom it was supplied:

Provided that the provisions of this subsection shall, in the case of a medicine supplied on a prescription on which the medicine has been supplied by the seller on a previous occasion, be deemed to be complied with if the day on which the medicine is supplied and the quantity thereof supplied are entered in the book on that day or, if that is not reasonably practicable, on the day next following that day, together with a sufficient reference to an entry in the book duly recording the dispensing of the medicine on the previous occasion:

Provided further that the provisions of this subsection need not be satisfied in the case of a medicine not being a substance included in the First Schedule to this Ordinance, which is supplied by –

- (i) an authorised medical practitioner for the purposes of medical treatment, or
- (ii) an authorised pharmacist on and in accordance with a prescription given by an authorised medical practitioner or an authorised dentist.

Additional restrictions of sale of poisons in the Fourth Schedule.

9. (1) A person shall not sell any poison included in the Fourth Schedule to this Ordinance, except on and in accordance with a prescription complying with the requirements of subsection (5) of this section given by an authorised medical practitioner, authorised dentist or authorised veterinary surgeon.

- (2) Notwithstanding the provisions of the last preceding

Consolidated text

subsection, where an authorised pharmacist is reasonably satisfied that a person ordering any such poison as aforesaid is an authorised medical practitioner who is, by reason of some emergency, unable to furnish such a prescription immediately he may, notwithstanding that no such prescription has been given, if the said person undertakes to furnish him with such a prescription within the twenty-four hours next following, deliver the poison ordered in accordance with the directions of the said person, so, however, that, notwithstanding anything in any such directions, the supply shall not be repeated until such a prescription has been given.

(3) If any person by whom any such undertaking as aforesaid has been given fails to deliver to the seller a prescription in accordance with the undertaking, or if any person for the purpose of obtaining delivery of any poison under the last preceding subsection knowingly makes a statement which is false in a material particular, he shall be deemed to have contravened the provisions of this section.

(4) This section shall apply to the sale of any such poison as aforesaid, notwithstanding that it is a transaction exempted by section eight of this Ordinance.

(5) For the purposes of this section a prescription shall, in the case of any poison included in the Fourth Schedule to this Ordinance, be in writing and be signed by the person giving it with his usual signature and be dated by him; and in the case of any poison included in Part A of the Fourth Schedule to this Ordinance –

- (a) specify the name and address of the person for whose treatment it is given or, if the prescription is given by an authorised veterinary surgeon, of the person to whom the medicine is to be delivered,

Consolidated text

- (b) have written thereon, if given by a dentist, the words "For dental treatment only" or, if given by an authorised veterinary surgeon, the words "For animal treatment only",
 - (c) when the medicine is packed otherwise than in ampoules indicate –
 - (i) except in the case of a preparation contained in the British National Formulary, the total amount to be supplied, and
 - (ii) except in the case of a preparation which is to be used for external treatment only, the dose to be taken,
 - (d) when the medicine is packed in ampoules indicate –
 - (i) except in the case of a preparation contained in the British National Formulary, either the total amount to be supplied or the total amount intended to be administered or injected, and
 - (ii) in any case, the amount intended to be administered or injected in each dose.
- (6) A person dispensing a prescription under the provisions of this section shall comply with the following requirements –

Consolidated text

- (a) the prescription must not be dispensed more than once unless the prescriber has directed thereon either that it may be dispensed a stated number of times or that it may be dispensed at stated intervals,
- (b) if the, prescription contains a direction that it may be dispensed a stated number of times or at stated intervals it must not be dispensed otherwise than in accordance with that direction,
- (c) a prescription which contains a direction that it may be dispensed a stated number of times but no direction as to the intervals at which it may be dispensed shall not be dispensed more often than once in three days, and a prescription which contains a direction that it is to be dispensed at stated intervals but no direction as to the number of times that it may be dispensed shall not be dispensed more often than three times,
- (d) at the time of dispensing or, where a poison has been delivered under the provisions of subsection (2) of this section, on the subsequent receipt of the prescription there must be noted on the prescription, above the signature of the prescriber, the name and address of the seller and the date on which the prescription is dispensed or, as the case may be, the poison was delivered,
- (e) except in the case of a prescription which may be dispensed again [and of a medical prescription], the

prescription must, for a period of two years, be retained and kept on the premises on which it was dispensed in such manner as to be readily available for inspection.

NOTE

In section 9, the words in square brackets in paragraph (e) of subsection (6) were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1973, section 1(a), with effect from 30th May, 1973.

Complete exemption for articles and substances in the Third Schedule.

- 10.** Nothing in this Part of this Ordinance shall apply –
- (a) with respect to any article included in Group I of the Third Schedule to this Ordinance, or
 - (b) so far as any poison specified in the first column of Group II of the Third Schedule to this Ordinance is concerned, with respect to any of the articles or substances specified in the second column of that Schedule beside the description of the poison.

Restriction of sales by listed seller of Part II poisons.

- 11.** (1) No shopkeeper shall be entitled by virtue of being a listed seller of the poisons contained in Part II of the Poisons List to sell –
- (a) any poison other than ammonia, hydrochloric acid, nitric acid, potassium quadroxalate and sulphuric acid, except in a closed container as closed by the

Consolidated text

manufacturer or other person from whom the poison was obtained,

- (b) any substance included in the First Schedule to this Ordinance unless the sale is effected by himself or by a responsible deputy.

(2) For the purposes of the last preceding subsection the expression "**responsible deputy**" means a person nominated as a deputy on the seller's form of application for entry as a listed seller of the poisons contained in Part II of the Poisons List, or any person substituted, by notice in writing to the Board, for a person so nominated, and not more than two deputies shall be nominated at the same time in respect of one set of premises.

(3) No person shall be entitled by virtue of being a listed seller of the poisons contained in Part II of the Poisons List to sell –

- (a) any poison included in the first column of Part A of the Fifth Schedule to this Ordinance unless the article or substance sold is one of the articles or substances specified against the description of the poison in the second column of that Part, and the container of the substance is, in addition to any other provisions of this Ordinance with respect to labelling, labelled clearly with a notice of the special purpose for which the article or substance is intended, and a warning that it is only to be used for that purpose,
- (b) any poison included in Part B of the Fifth Schedule to this Ordinance, unless the purchaser thereof is

Consolidated text

engaged in the trade or business of agriculture[, horticulture or forestry] and requires the poison for the purposes of that trade or business[,

- (c) β -[2-(3, 5-Dimethyl-2-oxocyclohexyl)-2-hydroxyethyl] glutarimide, unless the purchaser thereof is engaged in the trade or business of forestry and requires the poison for the purpose of that trade or business].

NOTES

In section 11,

the words in square brackets in paragraph (b) of subsection (3) were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(a)(i), with effect from 31st March, 1976;

paragraph (c) of subsection (3), and the punctuation immediately after paragraph (b) thereof, were, respectively, inserted and substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(a)(ii), with effect from 31st March, 1976.

Requirements as to colouring in certain cases.

12. A person shall not sell any poison included in the Sixth Schedule to this Ordinance which is intended for use as a weed killer or in the prevention or treatment of infestation by animals, plants or other living organisms unless there has been added to the poison a dye or other substance which, in the case of a poison included in that Schedule as a poison in solution, renders it of a distinctive colour or, in the case of any other poison, renders it of a distinctive colour whether dry or wet or in solution:

Provided that this section shall not apply in the case of poisons which are themselves of a distinctive colour or sheep dips which are already of a distinctive

colour.

Restriction of sales by shopkeepers.

13. A shopkeeper shall not sell poisons on any premises used for or in connection with his retail business, notwithstanding that the sale is exempted by subsection (8) of section six of this Ordinance, unless he complies with the provisions of paragraph (a) or paragraph (b), as the case may be, of subsection (1) of section six of this Ordinance.

Restriction of sales of Part I poisons to shopkeepers.

14. A person shall not sell by way of wholesale dealing any poison included in Part I of the Poisons List to a person carrying on a business of shopkeeping unless the seller –

- (a) has reasonable grounds for believing that the purchaser is an authorised pharmacist, or
- (b) has received a statement signed by the purchaser or by a person authorised by him on his behalf to the effect that the purchaser does not intend to sell the poison on any premises used for or in connection with his retail business.

Restriction of sale of strychnine and certain other substances.

15. (1) A person shall not sell or supply strychnine except as an ingredient in a medicine:

Provided that this subsection shall not apply to the sale of strychnine for the purpose of being compounded in preparations prescribed or administered by an authorised medical practitioner or authorised veterinary surgeon or to the sale of strychnine to

Consolidated text

a person or institution concerned with scientific education or research or chemical analysis, for the purposes of that education or research or analysis.

(2) A person shall not sell or supply any substance to which this subsection applies:

Provided that this subsection shall not apply to the sale of a substance to which this subsection applies –

- (a) by way of wholesale dealing, or
- (b) to a person or institution concerned with scientific education or research or chemical analysis, for the purposes of that education or research or analysis, or
- (c) to a person producing a certificate in form "A" of the forms set out in the Thirteenth Schedule to this Ordinance issued within the preceding three months by the Medical Officer of Health certifying that a substance to which this subsection applies named in the certificate is required for use by employees of the States of Guernsey as a rodenticide in ships or sewers in such places as are identified in the certificate so, however, that the quantity sold shall not exceed the quantity specified in the certificate, or
- (d) to a person producing a certificate in form "B" of the forms set out as aforesaid issued within the said period by the said Medical Officer of Health certifying that a substance to which this subsection applies named in

Consolidated text

this certificate is required for use by such person or by the employees of such body of persons carrying on a business of pest control as is named in the certificate as a rodenticide in ships or sewers in such places as are identified in the certificate so, however, that the quantity sold shall not exceed the quantity specified in the certificate.

(3) The provisions of the last preceding subsection shall apply to monofluoroacetic acid, any salt thereof [or fluoroacetamide].

(4) A person shall not sell or supply sodium arsenites or potassium arsenites except as an ingredient in –

(a) a medicine, or

[(b) a sheep dip or sheep wash in a container clearly labelled with a notice of the special purpose for which the substance is intended and a warning that it is only to be used for that purpose, such labelling being additional to any labelling required under the provisions of this Ordinance,]

Provided that the provisions of this subsection shall not apply to the sale of sodium arsenites or potassium arsenites –

(i) for the purpose of being compounded in preparations prescribed or administered by an authorised medical practitioner or authorised veterinary surgeon, or

Consolidated text

- (ii) to a person or institution concerned with scientific education or research or chemical analysis, for the purpose of that education or research or analysis.

(5) ...

(6) ...

(7) A person shall not sell or supply embutramide or mebezonium iodide:

Provided that this subsection shall not apply to the sale of embutramide or mebezonium iodide –

- (a) to a person or institution concerned with scientific education or research or chemical analysis, for the purpose of that education or research or analysis, or
- (b) to an authorised veterinary surgeon for the purpose of killing animals or birds in the course of his profession as such.

(8) A person shall not sell or supply fluanisone:

Provided that this subsection shall not apply to the safe of fluanisone –

- (a) to a person or institution concerned with scientific education or research or chemical analysis, for the

Consolidated text

purposes of that education or research or analysis, or

- (b) to an authorised veterinary surgeon for the purposes of his profession as such.

[(8A) A person shall not sell or supply zinc phosphide:

Provided that this subsection shall not apply to the sale or supply of zinc phosphide –

- (i) to a person or institution concerned with scientific education or research or chemical analysis, for the purposes of that education or research or analysis,
- (ii) subject to the provisions of paragraph (c) of subsection (2) of this section, to an authorised employee of the States for use as a rodenticide,
- (iii) subject to the provisions of paragraph (d) of subsection (2) of this section, to a person, or to the employee of a body of persons, carrying on a business of pest control, for use as a rodenticide for the purposes of such business.]

[(8B) ...]

[(8C) A person shall not sell or supply calcium cyanide, potassium cyanide or sodium cyanide:

Provided that this subsection shall not apply to the sale or supply of a substance to

Consolidated text

which this subsection applies –

- (a) by way of wholesale dealing, or
- (b) to an authorised medical practitioner, an authorised dentist or an authorised veterinary surgeon for the purposes of his profession as such, or
- (c) for use in connection with any hospital, infirmary, dispensary or similar institution approved by an order, whether general or specific, of the Board, or
- (d) to a person or institution concerned with scientific education or research for the purposes of that education or research.

(8D) A person shall not sell or supply [salts of thallium]:

Provided that this subsection shall not apply to the sale or supply of [salts of thallium] –

- (a) by way of wholesale dealing, or
- (b) to a person in charge of a laboratory used for scientific education or research or chemical analysis for the purposes of that education, research or analysis, or
- (c) to an employee of the States of Guernsey for the purpose of public service as such, or

Consolidated text

(d) to a person producing a written authority in form "C" of the forms set out in the Thirteenth Schedule to this Ordinance issued within the preceding twelve months by the Medical Officer of Health authorising the purchase of [salts of thallium] for use by such person or by the employees of such body of persons as is named in the authority for the purpose of killing rats, mice or moles in the course of a business of pest control[, or

[(e) other than thallium sulphate, to a person, or body of persons, carrying on a business in the course of which salts of thallium are regularly used in the manufacture of other articles, for the purposes of that business, or

(f) other than thallium sulphate, as an ingredient in any article, not being an article intended for internal consumption by any person or animal.]]

(9) Any certificate issued under the provisions of this section shall be retained by the seller of the poison to which the certificate relates.

NOTES

In section 15,

the words in square brackets in subsection (3) were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(a), with effect from 30th March, 1977;

paragraph (b) of subsection (4) was substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(a)(i), with effect from 30th June, 1971;

Consolidated text

subsection (5) and subsection (6) were repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(b)(i), with effect from 31st March, 1976;

subsection (8A) was inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(a)(ii), with effect from 30th June, 1971;

subsection (8B) (which was originally inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(a), with effect from 12th December, 1973) was repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(b)(i), with effect from 31st March, 1976;

subsection (8C) and subsection (8D) were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(a), with effect from 12th December, 1973;

the words in the first three pairs of square brackets in subsection (8D) were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(b)(ii), with effect from 31st March, 1976;

paragraph (e) and paragraph (f) of subsection (8D), and the punctuation and the word immediately after paragraph (d) thereof, were, respectively, inserted and substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(b)(iii), with effect from 31st March, 1976.

Manner of labelling containers.

16. (1) Subject to the provisions of this Part of this Ordinance, the particulars with which the container of a poison is required to be labelled under the provisions of this Part of this Ordinance must appear in a conspicuous position on the container in which the poison is sold and on every box or other covering of whatever nature enclosing the container, and the particulars must be clearly and distinctly set out and not in any way obscured or obliterated.

(2) Where the poison is contained in an ampoule, cachet or similar article, it shall not be necessary to label that article itself, if every box or

other covering in which the article is enclosed is duly labelled.

(3) Nothing in this Part of, or in sections sixteen to twenty-one inclusive of, this Ordinance shall require the labelling of any transparent cover or any wrapper, hamper, packing case, crate or other covering used solely for the purposes of transport or delivery.

Labelling of name of poison.

17. (1) Subject as hereinafter provided, for the purposes of subparagraph (i) of paragraph (c) of subsection (1) of section six of this Ordinance and of paragraph (a) of subsection (3) of section twenty-six of this Ordinance the name of a poison shall be –

(a) where the term under which a poison is included in the Poisons List describes the poison specifically –

(i) the said term,

[(ii) the name which appears, in the list published under section one hundred of the Medicines Act 1968, as the approved name of the poison, or]

(iii) if the poison is the subject of a monograph in [the European Pharmacopoeia or, if there is no appropriate monograph in that publication,] the British Pharmacopoeia or the British Pharmaceutical Codex or the British Veterinary Codex, one of the names or synonyms or abbreviated names set out at the head of the

Consolidated text

monograph,

(b) where the said term describes a group of poisons and not the poison specifically –

(i) if the poison is the subject of a monograph in [the European Pharmacopoeia or, if there is no appropriate monograph in that publication,] the British Pharmacopoeia or the British Pharmaceutical Codex or the British Veterinary Codex, one of the names or synonyms or abbreviated names set out at the head of the monograph, and

[(ii) in any other case, the accepted scientific name, the name descriptive of the true nature and origin of the poison or the name which appears, in the list published under section one hundred of the Medicines Act 1968, as the approved name of the poison.]

(2) For the purposes aforesaid it shall, in the case of –

(a) a substance which is the subject of a monograph in [the European Pharmacopoeia or, if there is no appropriate monograph in that publication,] the British Pharmacopoeia or the British Pharmaceutical Codex or the British Veterinary Codex, or any dilution, concentration or admixture of such a substance,

Consolidated text

- (b) a preparation contained in [the European Pharmacopoeia or, if there is no appropriate monograph in that publication,] the British Pharmacopoeia or the British Pharmaceutical Codex or the British National Formulary or in the British Veterinary Codex or any dilution, concentration or admixture of such a preparation, or
- (c) a surgical dressing for which a standard is described in the British Pharmaceutical Codex,

be sufficient, notwithstanding anything in the last preceding subsection of this section, to state the name, synonym or abbreviated name used to describe the substance, preparation or surgical dressing in [the European Pharmacopoeia or] the British Pharmacopoeia or the British Pharmaceutical Codex or the British National Formulary or the British Veterinary Codex with the addition of the letters ["Ph. Eur." or] "B.P." or "B.P.C.", "B.N.F." or "B.Vet.C.", as the case may be.

(3) For the purposes aforesaid it shall, in the case of a preparation containing a poison specified in the first column of the Seventh Schedule to this Ordinance, be sufficient, notwithstanding anything in subsection (1) of this section, to state the name of the poison or substance mentioned in the second column of the said Schedule in respect of which the proportion of the poison to the total ingredients of the preparation is in accordance with the provisions of subsection (2) of section eighteen of this Ordinance expressed.

(4) For the purposes aforesaid it shall, in the case of a preparation derived from nux vomica or from opium and containing one or more alkaloids of nux vomica or of opium named in the Poisons List, be sufficient, notwithstanding anything in subsection (1) of this section, to state the name of

strychnine or morphine, as the case may be, or one of the names or abbreviated names of strychnine or morphine, as the case may be, set out at the head of the monographs in [the European Pharmacopoeia or, if there is no appropriate monograph in that publication,] the British Pharmacopoeia or the British Pharmaceutical Codex or the British Veterinary Codex.

NOTES

In section 17,

sub-paragraph (ii) of paragraph (a) of subsection (1) and sub-paragraph (ii) of paragraph (b) thereof were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, respectively section 1(b)(i) and section 1(b)(ii), with effect from 12th December, 1973;

the words in square brackets in, first, sub-paragraph (iii) of paragraph (a) of subsection (1) and, second, sub-paragraph (i) of paragraph (b) thereof were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1982, respectively section 1(a) and section 1(b), with effect from 29th September, 1982;

the words in square brackets in, first, paragraph (a) and, second, paragraph (b) of subsection (2) were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1982, respectively section 1(c) and section 1(d), with effect from 29th September, 1982;

the words in the third and fourth pairs of square brackets in subsection (2), and in square brackets in subsection (4), were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1982, respectively section 1(e)(i), section 1(e)(ii) and section 1(f), with effect from 29th September, 1982.

Labelling of particulars as to proportion of the poison.

18. (1) For the purposes of sub-paragraph (ii) of paragraph (c) of subsection (1) of section six of this Ordinance (which requires preparations containing poisons to be labelled with the prescribed particulars as to the proportion of poison therein) the label of the container of any preparation containing a poison

Consolidated text

as one of its ingredients shall, subject as hereinafter provided, include a statement of the proportion which the poison bears to the total ingredients of the preparation.

(2) In the case of a preparation containing a poison specified in the first column of the Seventh Schedule to this Ordinance, it shall be sufficient to state on the label the particulars specified in the second column of that Schedule against the description of the poison.

(3) In the case of a preparation derived from nux vomica or from opium and containing one or more alkaloids of nux vomica or of opium named in the Poisons List, it shall be sufficient, so far as those alkaloids are concerned, to state on the label the proportion of strychnine or of morphine, as the case may be, contained in the preparation.

(4) In the case of a substance, preparation or surgical dressing which is named in accordance with subsection (2) of the last preceding section, it shall not be necessary to state on the label the proportion of the poison contained in the substance, preparation or surgical dressing and, in the case of any dilution, concentration or admixture of such a substance or preparation, it shall be sufficient to state the proportion which the substance or preparation bears to the total ingredients of the dilution, concentration or admixture.

(5) Where the poison is in tablets, pills, cachets, capsules, lozenges or similar articles, or in ampoules, it shall be sufficient to state on the label of the box or other covering in which the articles are enclosed the number of the articles and the amount of the poison, or in the case of such a preparation as is mentioned in the last foregoing subsection the amount of the preparation, contained in each article.

(6) Where any proportion is stated as a percentage, the statement

shall indicate whether the percentage is calculated on the basis of weight in weight, weight in volume, or volume in volume.

Indication of the character of the poison.

19. (1) For the purposes of sub-paragraph (iii) of paragraph (c) of subsection (1) of section six of this Ordinance (which requires the containers of poisons to be labelled with the word "Poison" or other prescribed indication of character), the container of any article specified in the Eighth Schedule to this Ordinance shall, instead of being labelled with the word "Poison", be labelled with the words specified in the said Schedule as applicable to that article.

(2) The said words specified as aforesaid or the word "Poison", as the case may be, must not be modified in meaning by the addition of any other words or marks, and

- (a) in the case of a substance included in the First Schedule to this Ordinance, must either be in red lettering or be set against a red background, and
- (b) in all cases must either be on a separate label or be surrounded by a line within which there must be no other words except words with which the container of the poison is required to be labelled under the provisions of this Ordinance.

Special precautions in the case of certain articles.

20. (1) It shall not be lawful to sell or supply any poison –

- (a) in the case of a liquid other than a medicine, contained in a bottle of a capacity of not more than one hundred

Consolidated text

and twenty fluid ounces, unless the bottle is labelled with the words "Not to be taken";

- (b) in the case of an embrocation, liniment, lotion, liquid antiseptic or other liquid preparation for external application, unless the container is labelled with the name of the article and the words "For external use only".

(2) It shall not be lawful to sell or supply any compressed hydrocyanic acid unless the container is labelled with the words "Warning. This container holds poisonous gas and should only be opened and used by persons having expert knowledge of the precautions to be taken in its use".

(3) This section shall be in addition to the other requirements of this Part of this Ordinance with respect to labelling and shall apply to transactions exempted by section eight of this Ordinance.

Name and address of premises.

21. (1) The provisions of sub-paragraph (iv) of paragraph (c) of subsection (1) of section six of this Ordinance (which requires the container of a poison to be labelled with the name of the seller and the address of the premises on which it was sold) shall not apply in the case of an article sold for the purpose of being sold again in the same container.

(2) The requirements of the said sub-paragraph shall be deemed to be satisfied, in the case of a poison supplied from a warehouse or depôt, if the container of the poison is labelled with the address of the supplier's principal place of business or, in the case of a body corporate, of the registered office of the body corporate.

(3) Where any poison is sold in a container and outer covering, being the container and covering in which it was obtained by the seller, it shall be sufficient if the name of the seller and the address of the premises on which it was sold appear only on the outer covering.

(4) Where the names of more than one person or more than one address appear on any label, there must also be words on the label indicating clearly which person is the seller and at which of the addresses the poison was sold.

Form of containers.

22. (1) It shall not be lawful to sell, whether wholesale or retail or supply any poison unless –

- (a) it is contained in a container impervious to the poison and sufficiently stout to prevent leakage arising from the ordinary risks of handling and transport, and
- (b) in the case of a liquid contained in a bottle of a capacity of not more than [forty fluid ounces (1136 millilitres)], not being –
 - (i) a preparation made up ready for the internal treatment of human or animal ailments, or
 - (ii) a local anaesthetic for injection in the treatment of human or animal ailments, or
 - (iii) a sterile ophthalmic solution in a single dose sterile bottle enclosed in a sealed container,

Consolidated text

the outer surface of the bottle is fluted vertically with ribs or grooves recognisable by touch.

[(2) Paragraph (a) of the last preceding subsection shall apply to transactions exempted by section eight of this Ordinance.

(3) Paragraph (b) of subsection (1) of this section shall not apply –

(a) to the sale or supply of poisons to a person or institution concerned with scientific education or research or chemical analysis, for the purposes of that education or research or analysis, or

(b) so far as sodium fluoride is concerned, to the sale or supply of dental gels containing not more than 2.2 per centum of sodium fluoride.]

NOTES

In section 22,

the words and figures in square brackets in paragraph (b) of subsection (1) were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(c), with effect from 31st March, 1976;

subsection (2) was substituted and subsection (3) was inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(b), with effect from 30th March, 1977.

Storage of poisons.

23. (1) It shall not be lawful to store any poison except in a container

Consolidated text

impervious to the poison and sufficiently stout to prevent leakage from the container arising from the ordinary risks of handling.

(2) It shall not be lawful to store any substance included in the First Schedule to this Ordinance in any retail shop or premises used in connection therewith unless the substance is stored –

- (a) in a cupboard or drawer reserved solely for the storage of poisons, or
- (b) in a part of the premises which is partitioned off or otherwise separated from the remainder of the premises and to which customers are not permitted to have access, or
- (c) on a shelf reserved solely for the storage of poisons and –
 - (i) no food is kept directly under the shelf, and
 - (ii) the container of the substance is rendered distinguishable by touch from the containers of articles and substances other than poisons stored upon the same premises:

Provided that, in the case of any such substance to be used in agriculture or horticulture, it shall not be lawful to store the substances on any shelf, or in any such part of the premises as aforesaid if food is kept in that part, or in any cupboard or drawer unless the cupboard or drawer is reserved solely for the storage of poisons to be used as aforesaid.

Transport of poisons.

24. It shall not be lawful to consign any poison for transport unless it is sufficiently stoutly packed to avoid leakage arising from the ordinary risks of handling and transport.

Special provisions with respect to the transport of poisons specified in the Ninth Schedule.

25. (1) It shall not be lawful to consign for transport by carrier any poison included in the Ninth Schedule to this Ordinance unless the outside of the package containing the article is labelled conspicuously with the name or description of the poison as set forth in the said Schedule and a notice indicating that it is to be kept separate from food and from empty containers in which food has been contained.

(2) It shall not be lawful for any person knowingly to transport any such poison as aforesaid, either on his own behalf or for another person, in any vehicle in which food is being transported, unless the food is carried in a part of the vehicle effectively separated from that containing the poison, or is otherwise adequately protected from the risk of contamination.

(3) This section shall not apply with respect to medicines.

Supply of medicines to out-patients from certain hospitals, etc.

26. (1) The provisions of this Part of this Ordinance except the provisions of section twenty, shall not apply with respect to –

- (a) any medicine for the treatment of human ailments dispensed from a hospital, infirmary, health centre or dispensary maintained by any public authority, or out

Consolidated text

of public funds, or by a charity,

- (b) any preparation for the treatment of animals supplied from a veterinary hospital which is under the superintendence of an authorised veterinary surgeon,

if the requirements contained in the following provisions of this section are satisfied in relation thereto.

(2) The medicine or preparation must not be supplied except by, or on and in accordance with a prescription of, an authorised medical practitioner for the purposes of medical treatment, or an authorised dentist for the purposes of dental treatment, or an authorised veterinary surgeon for the purposes of animal treatment.

(3) In a case where a substance included in the First Schedule to this Ordinance is supplied, a record must be kept on the premises in such a way that there can readily be traced at any time during a period of two years after the date on which the substance was supplied the following particulars –

- (a) the name and quantity of the poison supplied, and
- (b) the date on which the poison was supplied, and
- (c) the name and address of the person to whom the poison was supplied, and
- (d) the name of the person who supplied the poison or who gave the prescription upon which it was supplied.

Consolidated text

(4) The container of the medicine or preparation must be labelled –

- (a) with a designation and address sufficient to identify the hospital, infirmary, health centre or dispensary from which it was supplied,
- (b) except in the case of a medicine or preparation made up ready for treatment, with the word "Poison",
- (c) in the case of a poison supplied from a veterinary hospital, with the words "For animal treatment only",

and in the case of a medicine or preparation to which section twenty of this Ordinance applies the requirements of that section shall be satisfied in addition to the requirements aforesaid.

Supply of medicines for use in hospitals, etc.

27. (1) This section shall apply to any hospital, infirmary, health centre, dispensary, clinic, nursing-home or other institution at which human ailments are treated (hereinafter in this and the next following section referred to as an "**institution**").

(2) In any institution in which medicines are dispensed in a dispensing or pharmaceutical department in charge of a person appointed for that purpose, no medicine containing a poison shall be supplied from that department for use in the wards, operating theatres or other sections of the institution, except in accordance with the requirements contained in the following provisions of this section.

Consolidated text

(3) The medicines must not be supplied except upon a written order signed by an authorised medical practitioner, authorised dentist, or by a sister or nurse in charge of a ward, theatre or other section of the institution:

Provided that in a case of emergency a medicine containing a poison may be supplied, notwithstanding that no such said written order is produced, on an undertaking by the person ordering the medicine to furnish such a said written order within the twenty-four hours next following.

(4) If any person, by whom any such undertaking as aforesaid has been given, fails to furnish to the supplier a written order in accordance with the undertaking, or if any person for the purposes of obtaining the supply of any medicine under the last preceding subsection knowingly makes a statement which is false in a material particular, he shall be deemed to have contravened the provisions of this section.

(5) The container of the medicine must be labelled –

- (a) with words describing its contents,
- (b) in the case of substances included in the First Schedule to this Ordinance, with a distinguishing mark or other indication indicating that the poison is to be stored in a cupboard reserved solely for the storage of poisons and other dangerous substances.

Supply of oral contraceptives.

28. (1) The provisions of this Part of this Ordinance shall not apply with respect to any oral contraceptive supplied –

Consolidated text

- (a) by an authorised medical practitioner otherwise than from a family planning clinic, or
- (b) from a family planning clinic but only provided that –
 - (i) it is supplied on and in accordance with a prescription given by an authorised medical practitioner, and
 - (ii) the container of the oral contraceptive supplied is labelled with words describing its contents and with a designation and address sufficient to identify the family planning clinic from which it was supplied[, or
- (c) by an authorised pharmacist but only provided that –
 - (i) it is supplied on and in accordance with a prescription given by an authorised medical practitioner,
 - (ii) the container of the oral contraceptive supplied is labelled with words describing its contents with a designation and address sufficient to identify the premises from which it was supplied, and
 - (iii) the supply is effected by or under the supervision of an authorised pharmacist.]

(2) In this section "**family planning clinic**" means a health centre, dispensary or clinic which is maintained by the Board or by an institution approved for the purposes of paragraph (c) of subsection (8) of section six of this Ordinance by an order made thereunder and at which contraceptive substances are supplied.

NOTE

In section 28, paragraph (c) of subsection (1), and the punctuation and the word immediately after paragraph (b) thereof, were, respectively, substituted and inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(d), with effect from 31st March, 1976.

Storage of poisons in institutions.

29. (1) In any institution in which medicines are dispensed in a dispensing or pharmaceutical department in the charge of a person appointed for the purpose, all poisons other than those issued for use shall be stored in that department.

(2) In any institution to which the provisions of the last preceding subsection do not apply, all poisons other than those issued for use shall be stored –

- (a) in the charge of a person appointed for the purpose by the governing body or person in control of the institution,
- (b) otherwise than on an open shelf, unless the container of the poison is distinguishable by touch from containers of substances other than poisons kept on the same premises, and

Consolidated text

- (c) in the case of substances which are included in the First Schedule to this Ordinance, either in a cupboard or drawer or on a shelf reserved solely for the storage of poisons.

(3) In every institution every substance included in the First Schedule to this Ordinance which is stored in the wards must be stored in a cupboard reserved solely for the storage of poisons and other dangerous substances.

(4) All places in which poisons are required by this section to be stored must be inspected at regular intervals of time not exceeding three months by an authorised pharmacist or by some other person appointed for the purpose by the governing body or person in control of the institution.

(5) In this section "institution" means any hospital, infirmary, health centre, dispensary, clinic, nursing home or other institution at which human ailments are treated or any family planning clinic as defined in subsection (2) of the preceding section.

Prohibition of sale of poisons by automatic machines.

30. A person shall not expose a poison for sale in, or offer a poison for sale by means of, an automatic machine.

Substances included in the Poisons List to which special restrictions apply

Acetorphine; its salts; its esters and ethers; their salts

Acetyldihydrocodeine; its salts

Alcuronium chloride

[Aldicarb]

Alkaloids, the following; their quaternary compounds; any salt, simple or complex, of any substance falling within the following –

Aconite, alkaloids of, except substances containing less than 0.02 per cent. of the alkaloids of aconite

Atropine except substances containing less than 0.15 per cent. of atropine or not more than one per cent. of atropine methonitrate

Belladonna, alkaloids of, except substances containing less than 0.15 per cent. of the alkaloids of belladonna calculated as hyoscyamine

Brucine except substances containing less than 0.2 per cent. of brucine

Calabar bean, alkaloids of

Coca, alkaloids of, except substances containing less than 0.1 per cent. of the alkaloids of coca

Cocaine except substances containing less than 0.1 per cent. of cocaine

Codeine; its esters and ethers; except substances containing less than 1.5 per cent. of codeine

Coniine except substances containing less than 0.1 per cent. of coniine

Cotarnine except substances containing less than 0.2 per cent. of cotarnine

Curare, alkaloids of; curate bases

Consolidated text

Ecgonine; its esters and ethers; except substances containing less than the equivalent of 0.1 per cent. of ecgonine

Emetine except substances containing less than one per cent. of emetine

Ephedrine; its optical isomers; except when contained in liquid preparations or preparations not intended for the internal treatment of human ailments and except solid preparations containing less than ten per cent. of ephedrine or its optical isomers otherwise than in an inert diluent

Gelsemium, alkaloids of, except substances containing less than 0.1 per cent. of the alkaloids of gelsemium

Homatropine except substances containing less than 0.15 per cent. of homatropine

Hyoscine except substances containing less than 0.15 per cent. of hyoscine

Hyoscyamine except substances containing less than 0.15 per cent. of hyoscyamine

Jaborandi, alkaloids of, except substances containing less than 0.5 per cent. of the alkaloids of jaborandi

Lobelia, alkaloids of, except substances containing less than 0.5 per cent. of the alkaloids of lobelia

Morphine; its esters and ethers; except substances containing less than 0.2 per cent. of morphine calculated as anhydrous morphine

Nicotine

Papaverine except substances containing less than one per cent. of papaverine

Pomegranate, alkaloids of, except substances containing less than 0.5 per cent. of the alkaloids of pomegranate

Quebracho, alkaloids of

Sabadilla, alkaloids of, except substances containing less than one per cent. of the alkaloids of sabadilla

Solanaceous alkaloids, not otherwise included in this Schedule, except

Consolidated text

substances containing less than 0.15 per cent. of solanaceous alkaloids calculated as hyoscyamine

Stavesacre, alkaloids of, except substances containing less than 0.2 per cent. of the alkaloids of stavesacre

Strychnine except substances containing less than 0.2 per cent. of strychnine

Thebaine except substances containing less than one per cent. of thebaine

Veratrum, alkaloids of, except substances containing less than one per cent. of the alkaloids of veratrum

Yohimba, alkaloids of

Allylisopropylacetylurea

Allylprodine; its salts

Alphameprodine; its salts

Alphaprodine; its salts

[Aluminium phosphide]

[Amphetamine; its salts]

Amino-alcohols esterified with benzoic acid, phenylacetic acid, phenylpropionic acid, cinnamic acid or the derivatives of these acids, except substances containing less than ten per cent. of esterified amino-alcohols and except procaine when in a preparation containing any substance to which Part II of the Therapeutic Substances Act 1956 for the time being applies; their salts

Anileridine; its salts

Antimonial poisons except substances containing less than the equivalent of one per cent. of antimony trioxide

Apomorphine; its salts; except substances containing less than 0.2 per cent. of apomorphine

[Arsenical poisons except –

- (a) substances containing less than 0.022 per cent. of arsenilic

Consolidated text

acid and not containing any other arsenical poison,

- (b) (i) poultry feeding stuffs containing not more than 0.0375 per cent. of carbarsone and not containing any other arsenical poison, and
- (ii) any other substances containing less than 0.0263 per cent. of carbarsone and not containing any other arsenical poison,
- (c) substances containing less than 0.0133 per cent. of 4-hydroxy-3-nitro-phenylarsonic acid and not containing any other arsenical poison,
- (d) dentrifrices containing less than 0.5 per cent. of acetarsol,
- (e) other substances containing less than the equivalent of 0.0075 per cent. of arsenic (As)]

Barbituric acid; its salts; derivatives of barbituric acid; their salts; compounds of barbituric acid, its salts, its derivatives, their salts, with any other substance

Barium, salts of

Benzethidine; its salts

Benzoylmorphine; its salts

[Benzphetamine; its salts]

Benzylmorphine; its salts

Betameprodine; its salts

Betaprodine; its salts

[Bezitramide; its salts]

[Bromomethane]

Busulphan; its salts

Consolidated text

[Cannabinol and its tetrahydro derivatives, prepared wholly or partly by synthesis; their 3-alkyl homologues; any ester or ether of any substance falling within this item]

Cannabis; the resin of cannabis; extracts of cannabis; tinctures of cannabis; cannabin tannate

Cantharidin except substances containing less than 0.01 per cent. of cantharidin

Cantharidates except substances containing less than the equivalent of 0.01 per cent. of cantharidin

Carbachol

Carperidine; its salts

Chloroform, except substances containing not more than 5 per cent. of chloroform or when in preparations not intended for the internal treatment of human ailments

[Chloropicrin]

[Chlorphentermine; its salts]

Clonitazene; its salts

4-Cyano-2-dimethylamino-4,4-diphenylbutane; its salts

4-Cyano-1-methyl-4-phenylpiperidine; its salts

Dehydroemetine; its salts

Demecarium bromide

Desomorphine; its salts; its esters and ethers; their salts

[Dexamphetamine; its salts]

Dextromethorphan; its salts; except substances containing less than 1.5 per cent. of dextromethorphan

Dextromoramide; its salts

Dextrorphan; its salts

Diacetylmorphine; its salts

Diacetylnalorphine; its salts

Diampromide; its salts

Digitalis, glycosides and other active principles of, except substances containing less than one unit of activity (as defined in the British Pharmacopoeia) in two grammes of the substance.

Dihydrocodeine: its salts; its esters and ethers; their salts

Dihydrocodeinone; its salts

[Dihydrocodeinone *O*-carboxymethyloxime; its salts; its esters; their salts]

Dihydromorphine; its salts; its esters and ethers; their salts

Dimenoxadole; its salts

Dimepheptanol; its salts; its esters and ethers; their salts

[β -[2-(3, 5-Dimethyl-2-oxocyclohexyl)-2-Hydroxyethyl] glutarimide]

Dinitrocresols (DNOC); their compounds with a metal or a base; except winter washes containing not more than the equivalent of five per cent. of dinitrocresols

Dinitronaphthols; dinitrophenols; dinitrothymols

Dinosam; its compounds with a metal or a base

Dinoseb; its compounds with a metal or a base

Dioxaphetyl butyrate; its salts

[Diphenoxylate its salts; except preparations containing, per dosage unit, not more than 2.5 milligrammes of diphenoxylate calculated as base and not less than twenty-five microgrammes of atropine sulphate]

Dipipanone; its salts

Disulfiram

Dithienylallylamines; dithienylalkylallylamines: their salts

[Drazoxolon; its salts]

Dyflos

Ecothiopate iodine

Embutramide

Endosulfan

Endothal; its salts

Endrin

Ethylmorphine; its salts; its esters and ethers; their salts; except substances containing less than 0.2 per cent. of ethylmorphine

Etonitazene; its salts

Etorphine; its salts; its esters and ethers; their salts

Etoxidine; its salts

[Fenazaflor]

[Fencamfamin; its salts]

Fentanyl; its salts

Fluanisone

Fluoroacetamide [...]

[Formetanate]

Furethidine; its salts

Gallamine; its salts; its quaternary compounds

Consolidated text

Guanidines, the following –

polymethylene diguanidines; di-*p*-anisyl-*p*-phenethylguanidines

Hydrocyanic acid except substances containing less than 0.15 per cent., weight in weight, of hydrocyanic acid (HCN); cyanides, other than ferrocyanides and ferricyanides, except substances containing less than the equivalent of 0.1 per cent., weight in weight, of hydrocyanic acid (HCN)

Hydromorphenol; its salts; its esters and ethers; their salts

Hydromorphone; its salts; its esters and ethers; their salts

Hydroxycinchoninic acids; derivatives of; their salts; their esters; except substances containing less than three per cent, of a hydroxycinchoninic acid or a derivative thereof

Hydroxypethidine; its salts; its esters and ethers; their salts

Hydroxyurea

Isomethadone (isoamidone); its salts

Ketobemidone; its salts; its esters and ethers; their salts

Laudexium; its salts

Lead, compounds of, with acids from fixed oils

[Levamphetamine; its salts]

Levomethorphan; its salts

Levomoramide; its salts

Levophenacilmorphan; its salts; its esters and ethers; their salts

Levorphanol; its salts; its esters and ethers; their salts

Mannomustine; its salts

Mebezonium iodide

[Mephentermine; its salts]

Mercaptopurine; its salts; derivatives of mercaptopurine; their salts

Mercuric chloride except substances containing less than one per cent. of mercuric chloride; mercuric iodide except substances containing less than two per cent. of mercuric iodide; nitrates of mercury except substances containing less than the equivalent of three per cent., weight in weight, of mercury (Hg); potassiomeric iodides except substances containing less than the equivalent of one per cent. of mercuric iodide; organic compounds of mercury except substances, not being aerosols, containing less than the equivalent of 0.2 per cent., weight in weight, of mercury (Hg)

Mescaline, and other derivatives of phenethylamine formed by substitution in the aromatic ring: their salts

Metazocine; its salts; its esters and ethers; their salts

Methadone (amidone); its salts

Methadyl acetate; its salts

[Methomyl]

[Methylamphetamine; its salts]

Methyldesorphine; its salts; its esters and ethers; their salts

Methyldihydromorphine; its salts; its esters and ethers; their salts

2-Methyl-3-morpholino-1, 1-diphenylpropanecarboxylic acid; its salts; its esters; their salts

[Methylphenidate; its salts]

1-Methyl-4-phenylpiperidine-4-carboxylic acid; esters of; their salts

Metopon; its salts; its esters and ethers; their salts

[Mitobronitol]

Monofluoroacetic acid; its salts

Morpheridine; its salts

Mustine and any other *N*-substituted derivative of di-(2-chloro-ethyl)amine; their salts

Myrophine; its salts

Nalorphine; its salts

[Niclofolan]

Nicocodine; its salts

m-Nitrophenol; *o*-nitrophenol; *p*-nitrophenol

Noracymethadol; its salts

Norcodeine; its salts; its esters and ethers; their salts

Norlevorphanol; its salts; its esters and ethers; their salts

Normethadone; its salts

Normorphine; its salts; its esters and ethers; their salts

Norpipanone

Nux Vomica except substances containing less than 0.2 per cent. of strychnine

Opium except substances containing less than 0.2 per cent. of morphine calculated as anhydrous morphine

Organo-tin compounds, the following –

Compounds of fentin

Ouabain

Oxycodone; its salts; its esters and ethers; their salts

Oxymorphone; its salts; its esters and ethers; their salts

[Paraquat, salts of]

[Pemoline; its salts]

Phenacemide

Phenadoxone; its salts

Phenampromide; its salts

Phenazocine; its salts; its esters and ethers; their salts

Phencyclidine; its salts

[Phendimetrazine; its salts]

Phenomorphane; its salts; its esters and ethers; their salts

Phenoperidine; its salts; its esters and ethers; their salts

[Phentermine; its salts]

2-Phenylcinchoninic acid; 2-salicylcinchoninic acid; their salts; their esters

4-Phenylpiperidine-4-carboxylic acid ethyl ester; its salts

Pholcodine; its salts; its esters and ethers; their salts; except substances containing less than 1.5 per cent. of pholcodine

Phosphorus compounds, the following –

Amiton

Azinphos-ethyl

Azinphos-methyl

Chlorfenvinphos except sheep dips containing not more than ten per cent., weight in weight, of chlorfenvinphos

[Demephion]

[Demeton-methyl]

Demeton-O

Demeton-S

Demeton-O-methyl

Demeton-S-methyl

[Demeton-S-methyl sulphone]

Dichlorvos

Diethyl 4-methyl-7-coumarinyl phosphorothionate

Diethyl p-nitrophenyl phosphate

Dimefox

[Dioxathion]

Disulfoton

Ethion

Ethyl-p-nitrophenyl phenylphosphonothionate

[Fonofos]

Mazidox

Mecarbam

Mevinphos

[Methidathion]

Mipafox

[Omethoate]

Oxydemeton-methyl

Parathion

Phenkapton

Phorate

Phosphamidon

[Pirimiphos-ethyl]

Schradan

Sulfotep

TEPP (HETP)

[Thiometon]

Thionazin

Triphosphoric pentadimethylamide

Vamidothion

Picrotoxin

Piminodine; its salts

[Pipradrol; its salts; its esters and ethers]

Piritramide; its salts

Polymethylenebistrimethylammonium salts

Proheptazine; its salts

Propoxyphene; its salts

Racemethorphan; its salts

Racemoramide; its salts

Racemorphan; its salts; its esters and ethers; their salts

Savin, oil of

[Sodium 4-(dimethylamino) benzenediazosulphonate]

Strophanthus, glycosides of

Thallium, salts of

Thebacon; its salts

[Thioguanine; its salts]

Tretamine; its salts

Triaziquone

Trimeperidine; its salts

Zinc phosphide

NOTES

In the First Schedule,

the entries in square brackets relating to the items "Aldicarb", "Formetanate" and "Methomyl" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(c)(i), with effect from 30th March, 1977;

the entries in square brackets relating to the items "Aluminium phosphide", "Chloropicrin", " β -[2-(3, 5-Dimethyl-2-oxocyclohexyl)-2-Hydroxyethyl] glutarimide" and "Paraquat" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(e)(i), with effect from 31st March, 1976;

the entries in square brackets relating to the items "Amphetamine", "Benzphetamine", "Bromomethane", "Cannabinol", "Chlorphentermine", "Dexamphetamine", "Drazoxolon", "Fenazaflor", "Fencamfamin", "Lev-

Consolidated text

amphetamine", "Mephentermine", "Methylamphetamine", "Methylphenidate", "Mitobronitol", "Niclofolan", "Pemoline", "Phendimetrazine", "Phentermine", "Pipradrol", "Sodium 4-(dimethylamino) benzenediazosulphonate" and "Thioguanine" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(f)(i), with effect from 12th December, 1973;

the entry in square brackets relating to the item "Arsenical poisons" was substituted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(f)(ii), with effect from 12th December, 1973;

the entries in square brackets relating to the items "Bezitramide" and "Dihydrocodeinone O-carboxymethyloxime" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(c), with effect from 30th June, 1971;

the entry in square brackets relating to the item "Diphenoxylate" was substituted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(f)(iii), with effect from 12th December, 1973;

the word and punctuation omitted in square brackets in the entry relating to the item "Fluoroacetamide" were repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(c)(ii), with effect from 30th March, 1977;

in the entry relating to the item "Phosphorus compounds" the entries in square brackets relating to the items "Demephion", "Demeton-methyl", "Demeton-S-methyl sulphone", "Dioxathion", "Fonofos", "Omethoate" and "Thiometon" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(f)(iv), with effect from 12th December, 1973;

in the entry relating to the item "Phosphorus compounds" the entries in square brackets relating to the items "Methidathion" and "Pirimiphos-ethyl" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(e)(ii), with effect from 31st March, 1976.

SECOND SCHEDULE

Section 6

Form of entry to be made in the book to be kept by sellers of poisons in accordance with section six of this Ordinance

Date of sale	Name and quantity of poison supplied	Purchaser's			Purpose for which stated to be required	Date of certificate (if any)	Name and address of person giving certificate (if any)	Signature of purchaser
		Name	Address	Business trade or occupation				

THIRD SCHEDULE

Section 10

Articles exempted from the provisions of this Ordinance

GROUP I

GENERAL EXEMPTIONS

Adhesives; anti-fouling compositions; builders' materials; ceramics; distempers; electrical valves; enamels; explosives; fillers; fireworks; fluorescent lamps; glazes; glue; inks; lacquer solvents; loading materials; matches; motor fuels and lubricants; paints other than pharmaceutical paints; photographic paper; pigments; plastics; propellants; rubber; varnishes; vascular plants and their seeds.

GROUP II

SPECIAL EXEMPTIONS

<i>Poison</i>	<i>Substance or article in which exempted</i>
Acetanilide; alkyl acetanilides	Substances not being preparations for the treatment of human ailments
Alkaloids, the following –	
Brucine	Surgical spirit containing not more than 0.015 per cent. of brucine
Emetine	Ipecacuanha; extracts and tinctures of ipecacuanha; substances containing less than 0.05 per cent. of emetine
Ephedra, alkaloids of	Substances containing less than one per cent. of the alkaloids of ephedra
Jaborandi, alkaloids of	Substances containing less than 0.025 per

Consolidated text

	cent. of the alkaloids of jaborandi[; preparations containing not more than two per cent., weight in weight, of the sulphate salt of <i>trans</i> -pilosine]
Lobelia, alkaloids of	Preparations for the relief of asthma in the form of cigarettes, smoking mixtures or fumigants; substances containing less than 0.1 per cent, of the alkaloids of lobelia
Nicotine	[Tobacco; preparations in aerosol dispensers containing not more than 0.2 per cent. of nicotine, weight in weight; other liquid preparations, and solid preparations with a soap base, containing not more than 7.5 per cent. of nicotine, weight in weight]
Pomegranate, alkaloids of	Pomegranate bark
Solanaceous alkaloids	Stramonium contained in preparations for the relief of asthma in the form of cigarettes, smoking mixtures or fumigants
Stavesacre, alkaloids of	Soaps; ointments; lotions for external use
<i>p</i> -Aminobenzenesulphonamide; its salts; derivatives of <i>p</i> -amino-benzenesulphonamide having any of the hydrogen atoms of the <i>p</i> -amino group or of the sulphonamide group substituted by another radical; their salts	Feeding stuffs containing not more than 0.5 per cent. of total sulphonamides; sulphaquinoxaline when contained, to a concentration not exceeding 0.5 per cent., in preparations for the destruction of rats and mice
Ammonia	Substances not being solutions of ammonia or preparations containing solutions of ammonia; substances containing less than five per cent., weight in weight, of ammonia (NH ₃); refrigerators; smelling bottles
Androgenic, oestrogenic and progestational substances, the following –	Preparations intended for external application only, except preparations containing more than four milligrammes of oestrogenic substance per hundred grammes of inert substance; feeding stuffs containing hexoestrol or stilboestrol or both and not containing any other androgenic, oestrogenic or progestational substance
Benzoestrol	
Derivatives of stilbene, dibenzyl or naphthalene with oestrogenic activity; their esters	
Steroid compounds with andro-	

genic or oestrogenic or pro-
gestational activity; their esters

Anti-histamine substances, the following;
their salts; their molecular compounds –

Antazoline
Bromodiphenhydramine
Buclizine
Carbinoxamine
Chlorcyclizine
Chlorpheniramine
Cinnarizine
Clemizole
Cyclizine
3-Di-n-butylaminomethyl-4,
5, 6-trihydroxyphthalide
Diphenhydramine
Diphenylpyraline
Doxylamine
Isothipendyl
Mebhydrolin
Meclozine
Phenindamine
Pheniramine
Phenyltoloxamine
Promethazine
Pyrrobutamine
Thenalidine
Tolpropamine
Triprolidine
Substances being tetra-
N-substituted derivatives
of ethylenediamine or pro-
pylene-diamine

Preparations intended for external application
only and preparations containing not more
than one per cent. of anti-histamine
substances for application in the nose or eye

Antimony, chlorides of

Polishes

Arsenical poisons

Pyrites ores or sulphuric acid containing
arsenical poisons as natural impurities;
poultry or pig feeding stuffs containing not
more than 0.005 per cent. of 4-hydroxy-3-
nitrophenyl-arsonic acid and not containing
any other arsenical poison[; animal feeding
stuffs containing not more than 0.01 per
cent. of arsenilic acid and not containing any

Consolidated text

	other arsenical poison][; poultry feeding stuffs containing not more than 0.0375 per cent. of carbarsonne and not containing any other arsenical poison; liquid preparations intended for agricultural use containing not more than 0.9 per cent. of anhydrous sodium arsanilate][; in reagent kits or reagent devices, supplied for medical or veterinary purposes, substances containing less than 0.1 per cent., weight in weight, of arsanilic acid]
Barbituric acid; its salts; derivatives of barbituric acid; their salts; compounds of barbituric acid, its salts, its derivatives, their salts, with any other substance	Self heating preparations, in aerosol dispensers, intended for external application only, containing 1,5-diethyl-2-thio-4,6-pyrimidinedione and not containing any other substance mentioned opposite hereto in the first column
Barium, salts of	Witherite other than finely ground witherite, barium carbonate bonded to charcoal for case hardening; fire extinguishers containing barium chloride[; sealed smoke generators containing not more than twenty-five per cent., weight in weight, of barium carbonate]
[Bromomethane]	[Fire extinguishers]
Carbarsonne	Poultry feeding stuffs containing not more than 0.0375 per cent. of carbarsonne
Chloroform	Substances containing less than one per cent, of chloroform; solid preparations; toothpaste
Creosote obtained from wood	Substances containing less than fifty per cent. of creosote obtained from wood
Diamines, the following; their salts – phenylene diamines; tolylene diamines; other alkylated-benzene diamines	Substances other than preparations for the dyeing of hair
Dinitrocresols (DNOC); their compounds with a metal or a base	Substances being neither preparations for the treatment of human ailments nor preparations for use in agriculture or horticulture
Dinitrophenols	Substances not being preparations for the treatment of human ailments

Consolidated text

Dinosam; its compounds with a metal or a base	Substances not being preparations for use in agriculture or horticulture
Dinoseb; its compounds with a metal or a base	Substances not being preparations for use in agriculture or horticulture
Diperodon; its salts	Preparations intended for external application only, containing not more than one per cent. of diperodon, calculated as anhydrous base
Disulfiram	Substances not being preparations for the treatment of human ailments
[Drazoxolon; its salts]	[Dressings on seeds]
Formaldehyde	Substances containing less than five per cent., weight in weight, of formaldehyde (H.CHO); photo-graphic glazing or hardening solutions
Formic acid	Substances containing less than five per cent., weight in weight, of formic acid (H.COOH)
Hydrochloric acid	Substances containing less than nine per cent., weight in weight, of hydrochloric acid (HCl)
Hydrocyanic acid	Preparations of wild cherry[; in reagent kits supplied for medical or veterinary purposes, substances containing less than the equivalent of 0.1 per cent., weight in weight, of hydrocyanic acid (HCN)]
Lead acetate	Substances containing less than four per cent. of lead acetate
Lead, compounds of	Machine-spread plasters
Mercuric chloride	Batteries
Mercuric chloride; mercuric iodide; organic compounds of mercury	Dressings on seeds or bulbs
Mercury, nitrates of	Ointments containing less than the equivalent of three per cent., weight in weight, of mercury (Hg)

Consolidated text

Mercury, oxides of	Canker and wound paints (for trees) containing not more than three per cent., weight in weight, of yellow mercuric oxide
Mescaline; its salts	Living plants
Nitric acid	Substances containing less than nine per cent., weight in weight, of nitric acid (HNO ₃)
Nitrobenzene	Substances containing less than 0.1 per cent. of nitrobenzene; soaps containing less than one per cent. of nitrobenzene; polishes
<i>p</i> -Nitrobenzyl cyanide	Photographic solutions containing less than the equivalent of 0.1 per cent., weight in weight, of hydrocyanic acid (HCN)
<i>p</i> -Nitrophenol	Preparations for use in agriculture or horticulture containing not more than 0.5 per cent. of <i>p</i> -nitrophenol as preservative
Organo-tin compounds, the following –	
Compounds of fentin	Substances other than preparations for use in agriculture or horticulture
Oxalic acid; metallic oxalates	Laundry blue; polishes; cleaning powders or scouring products, containing the equivalent of not more than ten per cent, of oxalic acid dehydrate
[Paraquat]	Preparations in pellet form containing not more than five per cent. of salts of paraquat calculated as paraquat ion
Phenols	[Butylated hydroxytoluene;] Carvacrol; creosote obtained from coal tar; essential oils in which phenols occur naturally; [in reagent kits supplied for medical or veterinary purposes;]

Consolidated text

[liquid disinfectants or antiseptics not containing phenol and containing less than 2.5 per cent. of other phenols;]

medicines containing less than one per cent. of phenols;

nasal sprays, mouth washes, pastilles, lozenges, capsules, pessaries, ointments or suppositories containing less than 2.5 per cent. of phenols;

smelling bottles;

soaps for washing;

solid substances, other than pastilles, lozenges, capsules, pessaries, ointments and suppositories, containing less than sixty per cent. of phenols;

tar (coal or wood), crude or refined;

[in tar oil distillation fractions containing not more than five per cent. of phenols;]

p-tertiary-amylphenol;

tertiary-butylcresol

p-tertiary-butylphenol;

p-(1,1,3,3-tetramethylbutyl) phenol;

thymol

Phenyl mercuric salts

Toilet, cosmetic and therapeutic preparations containing not more than 0.01 per cent. of phenyl mercuric salts as a preservative; antiseptic dressings on toothbrushes; in textiles containing not more than 0.01 per cent. of phenyl mercuric salts as a bacteriostat and fungicide

Phosphoric acid

Substances containing phosphoric acid, not being descaling preparations containing more than fifty per cent., weight in weight, of

Consolidated text

ortho-phosphoric acid

Phosphorus compounds, the following –

[Chlorfenvinphos	[Granular preparations
Dichlorvos	Preparations in aerosol dispensers containing not more than one per cent., weight in weight, of dichlorvos; materials impregnated with dichlorvos for slow, release[; granular preparations]
Disulfoton	} Granular preparations
Fonofos	
Oxydemeton-methyl	Aerosol dispensers containing not more than 0.25 per cent., weight in weight, of oxydemeton-methyl
Parathion	} Granular preparations]
Phorate	
Thionazin]	
Picric acid	Substances containing less than five per cent. of picric acid
Podophyllum resin	Preparations containing not more than 1.5 per cent., weight in weight, of podophyllum resin
Potassium hydroxide	[Substances containing the equivalent of less than seventeen per cent. of total caustic alkalinity expressed as potassium hydroxide; accumulators; batteries]
Procaine	Feeding stuffs containing any substance to which Part II of the Therapeutic Substances Act 1956 for the time being applies
[Quinine; its salts]	[Preparations containing not more than one per cent. of quinine or its salts; soft drinks, wines or tonic wines; preparations containing not more than fifteen per cent. of quinine or

Consolidated text

its salts for use in the manufacture of soft drinks, wines, tonic wines or confectionery]

[Sodium 4-(dimethylamino) benzene-diazosulphonate] [Granular preparations]

Sodium ethyl mercurithiosalicylate Therapeutic substances containing less than 0.1 per cent. of sodium ethyl mercurithiosalicylate as a preservative

Sodium fluoride Substances containing less than three per cent. of sodium fluoride as a preservative; dentifrices containing not more than 0.3 per cent. of sodium fluoride; mouth wash tablets containing not more than 0.2 per cent. of sodium fluoride and liquid mouth washes containing not more than 0.05 per cent. thereof; tablets containing not more than 0.016 per cent., weight in weight, of sodium fluoride and intended, when chewed, to prevent tooth decay]

Sodium hydroxide [Substances containing the equivalent of less than twelve per cent. of total caustic alkalinity expressed as sodium hydroxide]

[Sodium nitrite] Substances other than preparations containing more than 0.1 per cent. of sodium nitrite for the destruction of rats or mice

Sodium silicofluoride Substances containing less than three per cent. of sodium silico-fluoride as a preservative

Sulphuric acid Substances containing less than nine per cent., weight in weight, of sulphuric acid (H₂SO₄); accumulators; batteries and sealed containers in which sulphuric acid is packed together with car batteries for use in those batteries; fire extinguishers

In Group II in this Schedule the expression "**granular preparation**" in relation to a poison means a preparation –

- (a) which consists of absorbent mineral or synthetic solid

Consolidated text

particles impregnated with the poison, the size of the particles being such that not more than four per cent., weight in weight, of the preparation is capable of passing a sieve with a mesh of 250 microns, and not more than one per cent. a sieve with a mesh of 150 microns,

- (b) which has an apparent density of not less than 0.4 grammes per millilitre if compacted without pressure, and
- (c) not more than 12 per cent. of which, weight in weight, consists of [one or more poisons in respect of which an exemption is conferred by this Schedule in relation to granular preparations].

NOTES

In the Third Schedule,

in the second column of Group II, in the entry relating to the item "Jaborandi" under the heading "Alkaloids" in the first column thereof, the words in square brackets were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(g)(ii), with effect from 12th December, 1973;

in the second column of Group II, in the entry relating to the item "Nicotine" under the heading "Alkaloids" in the first column thereof, the words in square brackets were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(d)(i), with effect from 30th June, 1971;

in the second column of Group II, in the entry relating to the item "Arsenical poisons" in the first column thereof, the words in the first pair of square brackets were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(d)(ii), with effect from 30th June, 1971;

Consolidated text

in the second column of Group II, in the entry relating to the item "Arsenical poisons" in the first column thereof, the words in the second pair of square brackets were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(g)(iii), with effect from 12th December, 1973;

in the second column of Group II, in the entry relating to the item "Arsenical poisons" in the first column thereof, the words in the third pair of square brackets were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(f)(i), with effect from 31st March, 1976;

in the second column of Group II, in the entry relating to the item "Barium" in the first column thereof, the words in square brackets were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(f)(ii), with effect from 31st March, 1976;

in the first column of Group II, the entries in square brackets relating to the items "Bromomethane", "Drazoxolon" and "Sodium 4-(dimethylamino) benzenediazosulphonate" and the entries set out, respectively, opposite thereto in the second column thereof, were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(g)(i), First Schedule, with effect from 12th December, 1973;

in the second column of Group II, in the entry relating to the item "Hydrocyanic acid" in the first column thereof, the words in square brackets were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(d)(iii), with effect from 30th June, 1971;

in the first column of Group II, the entry in square brackets relating to the item "Paraquat" was substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(d)(iv), with effect from 30th June, 1971;

in the second column of Group II, in the entry relating to the item "Phenols" in the first column thereof, the words in the first and second pairs of square brackets were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(d)(v), with effect from 30th June, 1971;

in the second column of Group II, in the entry relating to the item "Phenols" in the first column thereof, the words in the third pair of square brackets were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(g)(iv), with effect from 12th December, 1973;

Consolidated text

in the second column of Group II, in the entry relating to the item "Phenols" in the first column thereof, the words in the fourth pair of square brackets were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(f)(iii), with effect from 31st March, 1976;

in Group II, the words in square brackets under the heading "Phosphorus compounds" in the first column thereof, and the words in square brackets opposite thereto in the second column thereof, were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(g)(v), Second Schedule, with effect from 12th December, 1973;

in the second column of Group II, in the entry relating to the item "Dichlorvos" under the heading "Phosphorous compounds" in the first column thereof, the words in square brackets within the square brackets were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(f)(iv), with effect from 31st March, 1976;

in the second column of Group II, in the entry relating to the item "Potassium hydroxide" in the first column thereof, the words in square brackets were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(d)(vii), with effect from 30th June, 1971;

in the first column of Group II, the entry in square brackets relating to the item "Quinine" and the entry set out opposite thereto in the second column thereof, was inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(d)(viii), with effect from 30th June, 1971;

in the second column of Group II, in the entry relating to the item "Sodium fluoride" in the first column thereof, the words in square brackets were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(g)(vi), with effect from 12th December, 1973;

in the second column of Group II, in the entry relating to the item "Sodium hydroxide" in the first column thereof, the words in square brackets were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(d)(ix), with effect from 30th June, 1971;

in the first column of Group II, the entry in square brackets relating to the item "Sodium nitrite" was substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(d)(x), with effect from 30th June, 1971;

Consolidated text

the words in square brackets in paragraph (c) of the definition of the expression "granular preparation" were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(f)(v), with effect from 31st March, 1976.

FOURTH SCHEDULE

Section 9

*Substances required to be sold by retail only upon a prescription given
by an authorised medical practitioner, authorised dentist
or authorised veterinary surgeon*

PART A

Alcuronium chloride

Allylisopropylacetylurea

Barbituric acid; its salts; derivatives of barbituric acid; their salts; compounds of barbituric acid, its salts, its derivatives, their salts, with any other substance

Busulphan; its salts

Demecarium bromide

Dinitrocresols (DNOC); their compounds with a metal or a base, except preparations for use in agriculture or horticulture

Dinitronaphthols; dinitrophenols; dinitrothymols;

Disulfiram

Dithienylallylamines; dithienylalkylallylamines; their salts; except diethylthiambutene, dimethylthiambutene and ethylmethylthiambutene

Gallamine; its salts; its quaternary compounds

Hydroxyurea

Mannomustine; its salts

Consolidated text

Mercaptopurine; its salts; derivatives of mercaptopurine; their salts

[Mitobronitol]

Mustine and any other *N*-substituted derivatives of di-(2-chloroethyl)amine: their salts

Phenacemide

Phencyclidine; its salts

2-Phenylcinchoninic acid; 2-salicylcinchoninic acid; their salts; their esters

Polymethylenebis(trimethylammonium) salts

[Thioguanine; its salts]

Tretamine; its salts

Triaziquone

PART B

Acetanilide; alkyl acetanilides

Acetohexamide

Acetylcarbromal

Amidopyrine; its salts; amidopyrine sulphonates; their salts

p-Aminobenzenesulphonamide; its salts; derivatives of *p*-aminobenzenesulphonamide having any of the hydrogen atoms of the *p*-amino group or of the sulphonamide group substituted by another radical; their salts; except when contained in ointments or surgical dressings or in preparations for the prevention and treatment of diseases in poultry

Aminorex; its salts

Amitriptyline; its salts

Consolidated text

Androgenic, oestrogenic and progestational substances, the following –

Benzoestrol

Derivatives of stilbene, dibenzyl or naphthalene with oestrogenic activity;
their esters

Steroid compounds with androgenic or oestrogenic or progestational activity;
their esters

Azacyclonol; its salts

Benactyzine; its salts

Benzhexol; its salts

[Benzoctamine; its salts]

Benztropine and its homologues; their salts

Bromvaletone

Captodiame; its salts

Caramiphen; its salts; except tablets containing not more than the equivalent of 7.5 milligrammes of caramiphen base, and liquid preparations containing not more than the equivalent of 0.1 per cent. of caramiphen base

Carbromal

Carisoprodol

[Chloral; its addition and its condensation products other than alphachloralose; their molecular compounds; except when contained, in the form of chloral hydrate, in preparations intended for external application only]

Chlordiazepoxide; its salts

Chlormethiazole; its salts

Chlorothiazide and other derivatives of benzo-1,2,4-thiadiazine-7-sulphonamide 1,1-dioxide, whether hydrogenated or not

Chlorphenoxamine; its salts

Chlorphentermine; its salts

Chlorpropamide; its salts

Chlorprothixene and other derivatives of 9-methylenethioxanthen: their salts

Chlorthalidone and other derivatives of *o*-chlorobenzene sulphonamide

[Clomiphene; its salts]

Clorexolone

Clorprenaline; its salts; when contained in aerosol dispensers

Colchicum, alkaloids of; their salts

Corticotrophins, natural and synthetic

Cyclarbamate

Cycrimine; its salts

Desipramine; its salts

Diazepam and other compounds containing the chemical structure of dihydro-1, 4-benzodiazepine substituted to any degree; their salts

[3-(3,4-Dihydroxyphenyl) alanine; its salts]

[Diphenoxylate and its salts in preparations containing, per dosage unit, not more than 2.5 milligrammes of diphenoxylate calculated as base and not less than 25 microgrammes of atropine sulphate]

[Dothiepin; its salts]

Ectylurea

Emylcamate

Consolidated text

Ephedrine; its optical isomers; their salts; when contained in aerosol dispensers

Ergot, alkaloids of, whether hydrogenated or not; their homologues; any salt of any substance falling within this item

Ethacrynic acid; its salts

Ethchlorvynol

Ethinamate

Ethionamide

Ethoheptazine; its salts

Ethylnoradrenaline; its salts; when contained in aerosol dispensers

Fenfluramine; its salts

[Flavoxate; its salts]

Flufenamic acid; its salts; its esters; their salts

[Glibenclamide]

Glutethimide; its salts

Glymidine

Haloperidol and other 4-substituted derivatives of *N*-(3-*p*-fluorobenzoylpropyl) piperidine

Hexapropymate

Hydrazines, benzyl phenethyl or phenoxyethyl; their alpha-methyl derivatives; acyl derivatives of any of the foregoing substances comprised in this item; salts of any compounds comprised in this item

Hydroxy-*N,N*-dimethyltryptamines; their esters or ethers; any salt of any substance falling within this item

Hydroxyzine; its salts

Imipramine; its salts

Indomethacin; its salts

Iprindole; its salts

[Isoaminile; its salts]

Isoetharine; its salts; when contained in aerosol dispensers

Isoprenaline; its salts; when contained in aerosol dispensers

Mebutamate

Meclofenoxate; its salts

Mefenamic acid; its salts; its esters; their salts

Mephenesin; its esters

Meprobamate

Metaxalone

Metformin; its salts

Methaqualone; its salts

Methixene; its salts

Methocarbamol

Methoxsalen

Methoxyphenamine; its salts; when contained in aerosol dispensers

Methylaminoheptane; its salts; when contained in aerosol dispensers

Methylpentynol; its esters and other derivatives

Consolidated text

alpha-Methylphenethylamine, beta-methylphenethylamine and alpha-ethylphenethylamine; any synthetic compound structurally derived from any of those substances by substitution in the aliphatic part or by ring closure therein (or by both such substitution and such closure or by substitution in the aromatic ring (with or without substitution at the nitrogen atom), except ephedrine and its optical isomers, *N*-substituted derivatives, fenfluramine, hydroxyamphetamine, methoxyphenamine, phenylpropanolamine, pholedrine and prenylamine; any salt of any substance falling within this item

Methyprylone

Metoclopramide; its salts

Mitopodozide; its salts

Nortryptiline; its salts

Orciprenaline; its salts; when contained in aerosol dispensers

Orphenadrine; its salts

Oxethazaine

Oxyphenbutazone

Oxytocins, natural and synthetic

Paraldehyde

Paramethadione

Pargyline; its salts

Pemoline; its salts

Pentazocine; its salts

Phenaglycodol

Phenbutrazate

Phenetidylphenacetin

Phenformin; its salts

[Phenothiazine, derivatives of; their salts; except dimethoxanate, its salts and promethazine, its salts and molecular compounds]

Phenylbutazone; its salts

5-Phenylhydantoin; its alkyl and aryl derivatives; their salts

[Pimozide; its salts]

Pituitary gland, the active principles of, other than corticotrophins, oxytocins and vasopressins; except when contained in inhalants or in preparations intended for external application only

Procainamide; its salts

Procarbazine; its salts

Procyclidine; its salts

Promoxolan

Prophylhexedrine; its salts; except when contained in inhalers

Prothionamide

Prothipendyl; its salts

[Protriptyline; its salts]

Quinethazone

[Quinine; its salts; except in preparations containing less than ten per cent. of quinine or its salts]

Rauwolfia, alkaloids of; their salts; derivatives of the alkaloids of Rauwolfia; their salts

[Salbutamol; its salts]

Styramate

Sulphinpyrazone

Sulphonal; alkyl sulphonals

Suprarenal gland medulla, the active principles of; their salts; except when contained in preparations intended for external application only or in inhalants (other than inhalants in aerosol dispensers containing adrenaline [or] its salts), rectal preparations or preparations intended for use in the eye

[Suxamethonium; its salts]

Syrosingopine

[Terbutaline; its salts; when contained in aerosol dispensers]

Tetrabenazine; its salts

Thalidomide; its salts

Thiocarlide; its salts

Thyroid gland, the active principles of; their salts

[Tofenacin; its salts]

Tolbutamide

Tribromethyl alcohol

2,2,2-Trichloroethyl alcohol, esters of; their salts

Trimipramine; its salts

Troxidone

Tybamate

Vasopressins, natural and synthetic

Verapamil; its salts

Zoxazolamine; its salts

NOTES

In the Fourth Schedule,

the entries in square brackets in Part A relating to the items "Mitobronitol" and "Thioguanine" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(h)(i), with effect from 12th December, 1973;

the entries in square brackets in Part B relating to the items "Benzoctamine", "Clomiphene", "3-(3,4-Dihydroxyphenyl) alanine", "Flavoxate", "Glibenclamide", "Pimozide", "Protriptyline", "Suxamethonium", "Terbutaline" and "Tofenacin" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(h)(ii)(a), with effect from 12th December, 1973;

the entries in square brackets in Part B relating to the items "Chloral", "Diphenoxylate" and "Phenothiazine" were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, respectively section 1(h)(ii)(b), section 1(h)(ii)(c) and section 1(h)(ii)(d), with effect from 12th December, 1973;

the entries in square brackets in Part B relating to the items "Dothiepin", "Isoaminile", "Quinine" and "Salbutamol" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(e), with effect from 30th June, 1971;

the word in square brackets in the entry relating to the item "Suprarenal gland medulla" was substituted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(h)(ii)(e), with effect from 12th December, 1973.

FIFTH SCHEDULE

Section 11

PART A

*Form to which the substances specified are restricted when sold by listed sellers of
Part II poisons*

<i>Poison</i>	<i>Form to which sale is restricted</i>
[Aldicarb]	[Preparations for use in agriculture[, horticulture or forestry]]
[Alpha-chloralose]	[Preparations intended for indoor use in the destruction of rats or mice and containing not more than 4 per cent., weight in weight, of alpha-chloralose]
Arsenical substances –	
Arsenious oxide	Sheep dips, sheep washes
Arsenic sulphides	Sheep dips, sheep washes
[...]	[...]
Calcium arsenites	Agricultural[, horticultural and forestal] insecticides or fungicides
Copper acetoarsenite	Agricultural[, horticultural and forestal] insecticides or fungicides
Copper arsenates	Agricultural[, horticultural and forestal] insecticides or fungicides
Copper arsenites	Agricultural[, horticultural and forestal] insecticides or fungicides
Lead arsenates	Agricultural[, horticultural and forestal] insecticides or fungicides

Consolidated text

Sodium arsenates	Sheep dips, sheep washes
Sodium thioarsenates	Sheep dips, sheep washes
Barium carbonate	Preparations for the destruction of rats or mice
[β -[2-(3, 5-Dimethyl-2-oxocyclohexyl)-2-hydroxyethyl] glutarimide]	[Preparations for use in forestry]
Dinitrocresols (DNOC); their compounds with a metal or a base	Preparations for use in agriculture[, horticulture or forestry]
Dinosam; its compounds with a metal or a base	Preparations for use in agriculture[, horticulture or forestry]
Dinoseb; its compounds with a metal or a base	Preparations for use in agriculture[, horticulture or forestry]
[Drazoxolon; its salts]	[Preparations for use in agriculture[, horticulture or forestry]]
Endosulfan	Preparations for use in agriculture[, horticulture or forestry]
Endothal; its salts	Preparations for use in agriculture[, horticulture or forestry]
Endrin	Preparations for use in agriculture[, horticulture or forestry]
[Fenazaflor]	[Preparations for use in agriculture[, horticulture or forestry]]
[Formetanate]	[Preparations for use in agriculture[, horticulture or forestry]]
Mercurial substances –	
Mercuric chloride	Agricultural[, horticultural and forestal] fungicides, seed and bulb dressings, insecticides

Consolidated text

Mercuric iodide	Agricultural[, horticultural and forestal] fungicides, seed and bulb dressings, insecticides
Organic compounds of mercury	Agricultural[, horticultural and forestal] fungicides, seed and bulb dressings, solutions containing not more than five per cent., weight in volume, of phenyl mercuric acetate for use in swimming baths
Metallic oxalates other than potassium quadroxalate	Photographic solutions or materials
[Methomyl]	[Preparations for use in agriculture[, horticulture or forestry]]
Nitrobenzene	Agricultural[, horticultural and forestal] insecticides; substances for the treatment of bee disease; ointments for the treatment of animals
Organo-tin compounds, the following –	
Compounds of fentin	Preparations for use in agriculture[, horticulture or forestry]
[Paraquat, salts of]	[Preparations for use in agriculture, horticulture or forestry]
Phosphorus compounds, the following –	
Amiton	Preparations for use in agriculture[, horticulture or forestry]
Azinphos-ethyl	
Azinphos-methyl	
Chlorfenvinphos	
[Demephion]	

[Demeton-methyl]

Demeton-O

Demeton-S

[Demeton-O-methyl]

[Demeton-S-methyl]

[Demeton-S-methyl sulphone]

Dichlorvos

Diethyl 4-methyl-7-coumarinyl
phosphorothionate

Diethyl *p*-nitrophenyl phos-
phate

Dimefox

[Dioxathion]

Disulfoton

Ethion

Ethyl *p*-nitrophenyl phenyl-
phosphonothionate

[Fonofos]

Mazidox

Mecarbam

[Methidathion]

Mevinphos

Mipafox

[Omethoate]

Consolidated text

Oxydemeton-methyl

Parathion

Phenkapton

Phorate

Phosphamidon

[Pirimiphos-ethyl]

Schradan

Sulfotep

TEPP (HETP)

[Thiometon]

Thionazin

Triphosphoric penitadimethyl-
amide

Vamidotion

[Sodium 4-(dimethylamino) benzene-
diazosulphonate] [Preparations for use in agriculture[,
horticulture or forestry]]

Zinc phosphide Preparations for the destruction of rats or
mice

PART B

Poisons which may be sold by listed sellers of Part II poisons , only to persons engaged in the trade or business of agriculture[, horticulture or forestry] and for the purpose of that trade or business

[Aldicarb]

Arsenical poisons other than lead arsenates, [...] and copper acetoarsenite

Dinitrocresols (DNOC); their compounds with a metal or a base; except winter washes containing not more than the equivalent of five per cent. of dinitrocresols

Dinosam; its compounds with a metal or a base

Dinoseb; its compounds with a metal or a base

[Drazoxolon; its salts]

[Fenazaflor]

[Formetanate]

Mercuric chlorides; mercuric iodides; organic compounds of mercury; except solutions containing not more than five per cent., weight in volume, of phenyl mercuric acetate for use in swimming baths

[Methomyl]

[Niclofolan]

Organo-tin compounds, the following –

Compounds of fentin

[Paraquat, salts of]

Phosphorus compounds, the following –

Amiton

Azinphos-ethyl

Consolidated text

Azinphos-methyl

Chlorfenvinphos

[Demephion]

[Demeton-methyl]

Demeton-O

Demeton-S

[Demeton-O-methyl]

[Demeton-S-methyl]

[Demeton-S-methyl sulphone]

Dichlorvos

Diethyl 4-methyl-7-coumarinyl phosphorothionate

Diethyl *p*-nitrophenyl phosphate

Dimefox

[Dioxathion]

Disulfoton

Ethion

Ethyl *p*-nitrophenyl phenylphosphonothionate

[Fonofos]

Mazidox

Mecarbam

[Methidathion]

Mevinphos

Consolidated text

Mipafox, except in the form of a cap on a stick or wire

[Omethoate]

Oxydemeton-methyl

Parathion

Phenkapton

Phorate

Phosphamidon

[Pirimiphos-ethyl]

Schradan

Sulfotep

[Thiometon]

Thionazin

Triphosphoric pentadimethylamide

Vamidothion

[Sodium 4-(dimethylamino) benzenediazosulphonate]

NOTES

In the Fifth Schedule,

the entries in square brackets in the first column of Part A relating to the items "Aldicarb", "Alpha-chloralose", "Drazoxolon", "Fenazaflor", "Formetanate", "Methomyl" and "Sodium 4-(dimethylamino) benzenediazosulphonate", and the entries in square brackets set out opposite thereto in the second column thereof, were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(i)(i)(a), Third Schedule, with effect from 12th December, 1973;

in the second column of Part A, the words in square brackets within

Consolidated text

the square brackets opposite the entries in the first column thereof relating to the items "Aldicarb", "Drazoxolon", "Fenazaflor", "Formetanate", "Methomyl" and "Sodium 4-(dimethylamino) benzene-diazosulphonate" were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(g)(i)(b), with effect from 31st March, 1976;

the words omitted in square brackets under the heading "Arsenical substances" in Part A, and the word omitted in square brackets opposite thereto in the second column, were repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(f)(i), with effect from 30th June, 1971;

in the second column of Part A, the words in square brackets opposite the entries in the first column thereof relating, first, to the entries relating to the items "Calcium arsenites", "Copper acetoarsenite", "Copper arsenates", "Copper arsenites" and "Lead arsenates" under the heading "Arsenical substances"; second, to the entries relating to the items "Mercuric chloride", "Mercuric iodide" and "Organic compounds of mercury" under the heading "Mercurial substances"; and, third, to the entry relating to the item "Nitrobenzene" were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(g)(i)(c), with effect from 31st March, 1976;

in the second column of Part A, the words in square brackets opposite the entries in the first column thereof relating, first, to the items "Dinitrocresols (DNOC)", "Dinosam", "Dinoseb", "Endosulfan", "Endothal", "Endrin" and, second, to the entries relating to the items "Compounds of fentin" and "Amiton" under the headings, respectively, "Organo-tin compounds" and "Phosphorus compounds" were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(g)(i)(b), with effect from 31st March, 1976;

the entries in square brackets in the first column of Part A relating to the items " β -[2-(3, 5-Dimethyl-2-oxocyclohexyl)-2-hydroxyethyl] glutarimide" and "Paraquat", and the entries in square brackets set out opposite thereto in the second column thereof, were inserted by Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, respectively section 1(g)(i)(a) and section 1(g)(i)(d), with effect from 31st March, 1976;

the entries in square brackets in the first column of Part A relating to the items "Demephion", "Demeton-methyl", "Demeton-O-methyl", "Demeton-S-methyl", "Demeton-S-methyl sulphone", "Dioxathion", "Fonofos", "Omethoate" and "Thiometon" under the heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(i)(i)(b), with effect from 12th December, 1973;

Consolidated text

the entries in square brackets in the first column of Part A relating to the items "Methidathion" and "Pirimiphos-ethyl" under the heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(g)(i)(e), with effect from 31st March, 1976;

the words in square brackets in the heading to Part B were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(g)(ii)(a), with effect from 31st March, 1976;

the entries in square brackets in Part B relating to the items "Aldicarb", "Drazoxolon", "Fenazaflor", "Formetanate", "Methomyl", "Niclofolan" and "Sodium 4-(dimethylamino) benzenediazosulphonate were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(i)(ii)(a), with effect from 12th December, 1973;

the words omitted in square brackets in the entry relating to the item "Arsenical poisons" were repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(f)(ii), with effect from 30th June, 1971;

the entry in square brackets in Part B relating to the item "Paraquat" was inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(g)(ii)(b), with effect from 31st March, 1976;

the entries in square brackets in Part B relating to the items "Demephion", "Demeton-methyl", "Demeton-O-methyl", "Demeton-S-methyl", "Demeton-S-methyl sulphone", "Dioxathion", "Fonofos", "Omethoate" and "Thiometon" under the heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(i)(ii)(b), with effect from 12th December, 1973;

the entries in square brackets in Part B relating to the items "Methidathion" and "Pirimiphos-ethyl" under the heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(g)(ii)(c), with effect from 31st March, 1976.

SIXTH SCHEDULE

Section 12

Poisons required to be coloured in certain cases

[Aldicarb]

Arsenical poisons

[Drazoxolon; its salts]

Fluoroacetamide [...]

[Formetanate]

[Methomyl]

Monofluoroacetic acid; its salts

Organo-tin compounds, the following –

Compounds of fentin

Phosphorus compounds, the following –

Azinphos-ethyl

Azinpihos-methyl

Chlorfenvinphos

[Demeton-methyl]

[Demeton-S-methyl sulphone]

Dichlorvos

[Dioxathion]

Disulfoton in solution

Ethion

Mecarbam

Consolidated text

[Methidathion]

Mevinphos

[Omethoate]

Oxydemeton-methyl

Phenkapton

Phorate in solution

Phosphamidon

[Pirimiphos-ethyl]

[Thiometon]

Thionazin

Vamidothion

NOTES

In the Sixth Schedule,

the entries in square brackets relating to the items "Aldicarb", "Formetanate" and "Methomyl" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(d)(i), with effect from 30th March, 1977;

the entry in square brackets relating to the item "Drazoxolon" was inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(j)(i), with effect from 12th December, 1973;

the word and punctuation omitted in square brackets in the entry relating to the item "Fluoroacetamide" was repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(d)(ii), with effect from 30th March, 1977;

the entries in square brackets relating to the items "Demeton-methyl", "Demeton-S-methyl sulphone", "Dioxathion", "Omethoate" and "Thiometon" under the heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(j)(ii), with effect from 12th December, 1973;

Consolidated text

the entries in square brackets relating to the items "Methidathion" and "Pirimiphos-ethyl" under the heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(h), with effect from 31st March, 1976.

SEVENTH SCHEDULE

Sections 17 and 18

Statement of particulars permitted in certain cases as to proportion of the poisons

<i>Name of Poison</i>	<i>Particulars</i>
Alkaloids	
Aconite, alkaloids of	The proportion of any one alkaloid of aconite that the preparation would be calculated to contain on the assumption that all the alkaloids of aconite in the preparation were that alkaloid.
Belladonna, alkaloids of Calabar bean, alkaloids of Coca, alkaloids of Colchicum, alkaloids of Ephedra, alkaloids of Ergot, alkaloids of Gelsemium, alkaloids of Jaborandi, alkaloids of Lobelia, alkaloids of Pomegranate, alkaloids of Quebracho, alkaloids of, other than the alkaloids of red quebracho Sabadilla, alkaloids of Solanaceous alkaloids not otherwise included in the Poisons List Stavesacre, alkaloids of Veratrum, alkaloids of Yohimba, alkaloids of	The same as above, with the substitution for the reference to aconite of a reference to belladonna, calabar bean or such other of the said poisons as the case may require.
[Antimonial poisons]	[The proportion of antimony trioxide (Sb^2O_3) or antimony pentoxide (Sb^2O_5) that the preparation would be calculated to contain on the

Consolidated text

	assumption that the antimony (Sb) in the poison had been wholly converted into antimony trioxide or antimony pentoxide, as the case may be.]
Arsenical poisons	The proportion of arsenic trioxide (As^2O_3) or arsenic pentoxide (As^2O_5) that the preparation would be calculated to contain on the assumption that the arsenic (As) in the poison had been wholly converted into arsenic trioxide or arsenic pentoxide as the case may be.
Barium, salts of	The proportion of one particular barium salt which the preparation would be calculated to contain on the assumption that the barium (Ba) in the poison had been wholly converted into that salt.
Digitalis, glycosides of; other active principles of digitalis	The number of units of activity as defined in the British Pharmacopoeia contained in a specified quantity of the preparation.
Hydrocyanic acid; cyanides, other than ferrocyanides and ferri-cyanides	The proportion of hydrocyanic acid (HCN) that the preparation would be calculated to contain on the assumption that the cyanides in the poison had been wholly converted into hydrocyanic acid.
Insulin	The number of units of activity as defined in the British Pharmacopoeia contained in a specified quantity of the preparation.
Lead, compounds of, with acids from fixed oils	The proportion of lead oxide (PbO) that the preparation would be calculated to contain on the assumption that the lead in the poison had been wholly converted into lead oxide.

Consolidated text

Mercury, organic compounds of	The proportion of organically-combined mercury (Hg) contained in the preparation.
Nux Vomica	The proportion of strychnine contained in the preparation.
Opium	The proportion of morphine contained in the preparation.
Phenols	The proportion of phenols (added together) contained in the preparation.
Compounds of a phenol with a metal	The proportion of phenols (added together) that the preparation would be calculated to contain on the assumption that the compounds of phenols with a metal had been wholly converted into the corresponding phenols.
Pituitary gland, the active principles of	Either – (a) the number of units of activity as defined in the British Pharmacopoeia contained in a specified quantity of the preparation; or (b) the proportion of pituitary gland, or of anterior or of posterior lobe of the gland, as the case may be, contained in the preparation; or (c) the amount of pituitary gland, or of anterior or of posterior lobe of the gland, as the case may

be, from which a specified quantity of the preparation was obtained together with an indication whether the amount relates to fresh or to dried gland substance.

Potassium hydroxide

The proportion of potassium monoxide (K^2O) which the preparation would be calculated to contain on the assumption that the potassium hydroxide in the preparation had been wholly converted into potassium monoxide.

Sodium hydroxide

The proportion of sodium monoxide (Na^2O) which the preparation would be calculated to contain on the assumption that the sodium hydroxide in the preparation had been wholly converted into sodium monoxide.

Strophanthus, glycosides of

The amount of Standard Tincture of Strophanthus as defined in the British Pharmacopoeia 1948 which possesses the same activity as a specified quantity of the preparation when assayed by the method described in the said Pharmacopoeia.

Suprarenal gland medulla, the active principles of; their salts

Either –

- (a) the proportion of suprarenal gland or of the medulla of the gland, as the case may be, contained in the preparation; or
- (b) the amount of suprarenal gland or of the medulla of the gland,

as the case may be, from which a specified quantity of the preparation was obtained, together with an indication whether the amount relates to fresh or to dried gland substance.

Thyroid gland, the active principles of; Either – their salts

- (a) the proportion of thyroid gland contained in the preparation; or
- (b) the amount of thyroid gland from which a specified quantity of the preparation was obtained, together with an indication whether the amount relates to fresh or to dried gland.

NOTE

In the Seventh Schedule, the entry in square brackets in the first column thereof relating to the item "Antimonial poisons", and the entry in square brackets set out opposite thereto in the second column thereof, were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(g), with effect from 30th June, 1971.

Indication of character of article prescribed for the purposes of section nineteen of this Ordinance

1. To be labelled with the words "*Caution. It is dangerous to take this preparation except under medical supervision.*" –

Medicines made up ready for the internal treatment of human ailments and containing insulin

2. To be labelled with the words "*Caution. It is dangerous to exceed the stated [done].*" –

Medicines (other than medicines containing insulin and medicines mentioned in paragraph 9 of this Schedule) made up ready for the internal treatment of human ailments except in the case of a substance included in Schedule 1.

3. To be labelled with the words "*Poison. For animal treatment only.*" –

Medicines made up ready for the treatment of animals.

4. To be labelled with the words "*Caution. This preparation may cause serious inflammation of the skin in certain persons and should be used only in accordance with expert advice.*" –

Preparations for the dyeing of hair containing phenylene diamines, tolylene diamines or other alkylated-benzene diamines or their salts.

5. To be labelled with the words "*Caution. This substance is caustic.*" –

Potassium hydroxide, sodium hydroxide, and articles containing either of those substances.

6. To be labelled with the words "*Caution. This substance is poisonous. The inhalation of its vapour, mist, spray or dust may have harmful consequences. It may also be dangerous to let it come into contact with the skin or clothing.*" –

[Aldicarb]

[β -[2-(3, 5-Dimethyl-2-oxocyclohexyl)-2-hydroxyethyl] glutarimide]

Dinitrocresols (DNOC); their compounds with a metal or a base; except preparations for the treatment of human ailments and except winter washes containing not more than the equivalent of five per cent. of dinitrocresols

Dinosam, its compounds with a metal or a base

Dinoseb, its compounds with a metal or a base

[Drazoxolon; its salts]

Endosulfan

Endothal; its salts

Endrin

[Fenazaflor]

Fluoroacetamide [...]

[Formetanate]

[Methomyl]

Organic compounds of mercury in aerosols

Organo-tin compounds, the following –

Compounds of fentin

Phosphorus compounds, the following –

Amiton

Azinphos-ethyl

Azinphos-methyl

Chlorfenvinphos

Consolidated text

[Demephion]

[Demeton-methyl]

Demeton-O

Demeton-S

[Demeton-O-methyl]

[Demeton-S-methyl]

[Demeton-S-methyl sulphone]

Dichlorvos

Diethyl 4-methyl-7-coumarinyl phosphorothionate

Diethyl *p*-nitrophenyl phosphate

Dimefox

[Dioxathion]

Disulfoton

Ethion

Ethyl *p*-nitrophenyl phenylphosphonothionate

[Fonofos]

Mazidox

Mecarbam

[Methidathion]

Mevinphos

Mipafox

[Omethoate]

Consolidated text

Oxydemeton-methyl

Parathion

Phenkapton

Phorate

Phosphamidon

[Pirimiphos-ethyl]

Schradan

Sulfotep

TEPP (HETP)

[Thiometon]

Thionazin

Triphosphoric pentadimethylamide

Vamidothion

[Sodium 4-(dimethylamino) benzenediazosulphonate]

7. To be labelled with the words "*Caution. This preparation should be administered only under medical supervision. The vapour is dangerous.*" –

Medicines made up ready for the internal or external treatment of human ailments and containing dyflos.

8. To be labelled with the words "*Caution. This substance is poisonous. Inhalation of the powder is dangerous. It is also dangerous to let the substance come into contact with the skin or clothing.*" –

Monofluoroacetic acid; its salts.

9. To be labelled with the words "*Caution. This may cause drowsiness. If affected do not drive or operate machinery.*" –

Medicines made up ready for the internal treatment of human

ailments if the poison is one of the following –

Anti-histamine substances, the following: their salts; their molecular compounds: –

Antazoline

Bromodiphenhydramine

Buclizine

Carbinoxamine

Chlorcyclizine

Chlorpheniramine

Cinnarizine

Clemizole

Cyclizine

Cyproheptadine

3-Di-*n*-butylaminomethyl-4,5,6-trihydroxyphthalide

Diphenhydramine

Diphenylpyraline

Doxylamine

Isothipendyl

Mebhydrolin

Meclozine

Phenindamine

Pheniramine

Phenyltoloxamine

Consolidated text

Promethazine

Pyrrbutamine

Thenalidine

Tolpropamine

Triprolidine

Substances being tetra-*N*-substituted derivatives of ethylenediamine or propylenediamine

[10. To be labelled with the words "*Caution. Ingestion can be harmful. If this preparation is used on the hands, they should be thoroughly washed before handling food.*" –

Preparations for topical application containing methanthelium bromide or propantheline bromide.

11. To be labelled with the words "*Caution. Do not inhale vapour or allow contact with skin, eyes or clothing.*" –

Bromomethane

Chloropicrin

12. To be labelled with the words "*Caution. This preparation is poisonous and gives off a poisonous vapour on exposure to air. Do not swallow, inhale the vapour or allow contact with the skin.*" –

Preparations containing aluminium phosphide]

NOTES

In the Eighth Schedule,

the entries in square brackets in paragraph 6 thereof relating to the items "Aldicarb", "Formetanate" and "Methomyl" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(e)(i), with effect from 30th March, 1977;

the entry in square brackets in paragraph 6 thereof relating to the

Consolidated text

item "β-[2-(3, 5-Dimethyl-2-oxocyclohexyl)-2-hydroxyethyl] glutarimide" was inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(i)(i)(a), with effect from 31st March, 1976;

the entries in square brackets in paragraph 6 thereof relating to the items "Drazoxolon", "Fenazaflor" and "Sodium 4-(dimethylamino) benzene-diazosulphonate" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(k)(i), with effect from 12th December, 1973;

the word and punctuation omitted in square brackets in the entry relating to the item "Fluoroacetamide" in paragraph 6 thereof was repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(e)(ii), with effect from 30th March, 1977;

the entries in square brackets in paragraph 6 thereof relating to the items "Demephion", "Demeton-methyl", "Demeton-O-methyl", "Demeton-S-methyl", "Demeton-S-methyl sulphone", "Dioxathion", "Fonofos", "Omethoate" and "Thiometon" under the heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(k)(ii), with effect from 12th December, 1973;

the entries in square brackets in paragraph 6 thereof relating to the items "Methidathion" and "Pirimiphos-ethyl" under the heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(i)(i)(b), with effect from 31st March, 1976;

paragraph 10, paragraph 11 and paragraph 12 were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(i)(ii), with effect from 31st March, 1976.

The word in square brackets in paragraph 2 shown, incorrectly, in the printed version of this Schedule as "done" should read "dose".

NINTH SCHEDULE

Section 25

Poisons required to be specially labelled for transport

[Aldicarb]

[Aluminium phosphide]

Arsenical Poisons

Barium, salts of

[Bromomethane]

[Chloropicrin]

[β -[2-(3, 5-Dimethyl-2-oxocyclohexyl)-2-hydroxyethyl] glutarimide]

Dinitrocresols (DNOC), their compounds with a metal or a base, when contained in preparations for use in agriculture or horticulture, except winter washes containing not more than the equivalent of five per cent. of dinitrocresols

Dinosam, its compounds with a metal or a base, when contained in preparations for use in agriculture or horticulture

Dinoseb, its compounds with a metal or a base, when contained in preparations for use in agriculture or horticulture

[Drazoxolon; its salts]

Endosulfan

Endothal; its salts

Endrin

[Fenazaflor]

Fluoroacetamide [...]

[Formetanate]

Hydrocyanic acid; cyanides, other than ferrocyanides and ferricyanides, except preparations containing less than the equivalent of 0.1 per cent., weight in weight, of hydrocyanic acid (HCN)

[Methomyl]

Monofluoroacetic acid; its salts

Nicotine, except in solid preparations containing less than four per cent. of nicotine

Organo-tin compounds, the following –

Compounds of fentin

Phosphorus compounds, the following –

Amikon

Consolidated text

Azinpihos-ethyl

Azinphos-methyl

Chlorfenvinphos

[Demephion]

[Demeton-methyl]

Demeton-O

Demeton-S

Demeton-O-methyl

Demeton-S-methyl

[Demeton-S-methyl sulphone]

Dichlorvos

Diethyl 4-methyl-7-coumarinyl phosphorothionate

Diethyl *p*-nitrophenyl phosphate

Dimefox

[Dioxathion]

Disulfoton

Ethion

Ethyl *p*-nitrophenyl phenylphosphonothionate

[Fonofos]

Mazidox

Mecarbam

[Methidathion]

Mevinphos

Mipafox

[Omethoate]

Oxydemeton-methyl

Parathion

Phenkapton

Phorate

Phosphamidon

[Pirimiphos-ethyl]

Schradan

Sulfotep

TEPP (HETP)

[Thiometon]

Thionazin

Triphosphoric pentadimethylamide

Vamidothion

[Sodium 4-(dimethylamino) benzenediazosulphonate]

Strychnine

Thallium, salts of

NOTES

In the Ninth Schedule,

the entries in square brackets relating to the items "Aldicarb", "Bromomethane", "Drazoxolon", "Fenazaflor", "Formetanate", "Methomyl" and "Sodium 4-(dimethylamino) benzenediazosulphonate" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(l)(i), with effect from 12th December, 1973;

Consolidated text

the entries in square brackets relating to the items "Aluminium phosphide", "Chloropicrin" and " β -[2-(3, 5-Dimethyl-2-oxocyclohexyl)-2-hydroxyethyl] glutarimide" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(j)(i), with effect from 31st March, 1976;

the word and punctuation omitted in square brackets in the entry relating to the item "Fluoroacetamide" was repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(f), with effect from 30th March, 1977;

the entries in square brackets relating to the items "Demephion", "Demeton-methyl", "Demeton-S-methyl sulphone", "Dioxathion", "Fonofos", "Omethoate" and "Thiometon" under the heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(l)(ii), with effect from 12th December, 1973;

the entries in square brackets relating to the items "Methidathion" and "Pirimiphos-ethyl" under the heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(j)(ii), with effect from 31st March, 1976.

TENTH SCHEDULE

Section 6

THE POISONS LIST

PART I

Acetanilide; alkyl acetanilides

Acetohexamide

Acetorphine; its salts; its esters and ethers; their salts

Acetylcarbromal

Acetyldihydrocodeine; its salts

Alcuronium chloride

[...]

Alkaloids, the following; their quaternary compounds; any salt, simple or complex, of any substance falling within the following –

Aconite, alkaloids of

Atropine

Belladonna, alkaloids of

Brucine

Calabar bean, alkaloids of

Coca, alkaloids of

Cocaine

Codeine; its esters and ethers

Colchicum, alkaloids of

Coniine

Consolidated text

Cotarnine

Curare, alkaloids of; curare bases

Ecgonine; its esters and ethers

Emetine

Ephedra, alkaloids of

Ergot, alkaloids of, whether hydrogenated or not; their homologues

Gelsemium, alkaloids of

Homatropine

Hyoscine

Hyoscyamine

Jaborandi, alkaloids of

Lobelia, alkaloids of

Morphine; its esters and ethers

Papaverine

Pomegranate, alkaloids of

Quebracho, alkaloids of, other than the alkaloids of red quebracho

Rauwolfia, alkaloids of; their derivatives

Sabadilla, alkaloids of

Solanaceous alkaloids nor otherwise included in this List

Stavesacre, alkaloids of

Strychnine

Thebaine

Veratrum, alkaloids of

Yohimba, alkaloids of

Allylisopropylacetylurea

Allylprodine; its salts

Alphameprodine; its salts

Alphaprodine; its salts

[Aluminium phosphide]

Amidopyrine; its salts; amidopyrine sulphonates; their salts

Amino-alcohols esterified with benzoic acid, phenylacetic acid, phenylpropionic acid, cinnamic acid or the derivatives of these acids; their salts

p-Aminobenzenesulphonamide; its salts; derivatives of *p*-aminobenzenesulphonamide having any of the hydrogen atoms of the *p*-amino group or of the sulphonamide group substituted by another radical; their salts

p-Aminobenzoic acid, esters of; their salts

Aminorex; its salts

Amitriptyline; its salts

Amyl nitrite

Androgenic, oestrogenic and progestational substances, the following –

Benzoestrol

Derivatives of stilbene, dibenzyl or naphthalene with oestrogenic activity; their esters

Steroid compounds with androgenic or oestrogenic or progestational activity; their esters

Anileridine; its salts

Anti-histamine substances, the following; their salts; their molecular compounds –

Antazoline

Bromodiphenhydramine

Buclizine

Carbinoxamine

Chlorcyclizine

Chlorpheniramine

Cinnarizine

Clemizole

Cyclizine

Cyproheptadine

3-Di-*n*-butylaminomethyl-4,5,6-trihydroxyphthalide

Diphenhydramine

Diphenylpyraline

Doxylamine

Isothipendyl

Mebhydrolin

Meclozine

Phenindamine

Pheniramine

Phenyltoloxamine

Promethazine

Pyrrobutamine

Thenalidine

Tolpropamine

Triprolidine

Substances being tetra-N-substituted derivatives of ethylene-diamine or propylenediamine

[Antimony, organic compounds of]

Apomorphine; its salts

[Arsenic, its compounds, other than those specified in Part II of this List]

Azacyclonol; its salts

Barbituric acid; its salts; derivatives of barbituric acid; their salts; compounds of barbituric acid, its salts, its derivatives, their salts, with any other substance

Barium, salts of, other than barium sulphate and the salts of barium specified in Part II of this List

Benactyzine; its salts

Benzethidine; its salts

Benzhexol; its salts

[Benzoctamine; its salts]

Benzoylmorphine; its salts

Benztropine and its homologues; their salts

Benzylmorphine; its salts

Betameprodine; its salts

Betaprodine; its salts

[Bezitramide; its salts]

[Bromomethane]

Bromvaletone

Busulphan; its salts

Butylchloral hydrate

[Cannabinol and its tetrahydro derivatives, prepared wholly or partly by synthesis; their 3-alkyl homologues; any ester or ether of any substance falling within this item]

Cannabis (the dried flowering or fruiting tops of *Cannabis sativa* Linn.); the resin of cannabis; extracts of cannabis; tinctures of cannabis; cannabis tannate

Cantharidin; cantharidates

Captodiame; its salts

Caramiphen; its salts

Carbachol

Carbromal

Carisoprodol

Carperidine; its salts

[Chloral; its addition and its condensation products other than alpha-chloralose; their molecular compounds]

Chlordiazepoxide; its salts

Chlormethiazole; its salts

Chloroform

[Chloropicrin]

Chlorothiazide and other derivatives of benzo-1,2,4-thiadiazine-7-sulphonamide 1,1-dioxide, whether hydrogenated or not

Chlorphenoxamine; its salts

Chlorphentermine; its salts

Chlorpropamide; its salts

Chlorprothixene and other derivatives of 9-methylenethiaxanthen; their salts

Chlorthalidone and other derivatives of *o*-chlorobenzene sulphonamide

[Clomiphene; its salts]

Clonitazene; its salts

Clorexolone

Clorprenaline; its salts

Corticotrophins, natural and synthetic

Creosote obtained from wood

Croton, oil of

4-Cyano-2-dimethylamino-4, 4-diphenylbutane; its salts

4-Cyano-1-methyl-4-phenylpiperidine; its salts

Cyclarbamate

Cycrimine; its salts

Dehydroemetine; its salts

Demecarium bromide

Desipramine; its salts

Desomorphine; its salts; its esters and ethers; their salts

Dextromethorphan; its salts

Dextromoramide; its salts

Dextrorphan; its salts

Diacetylmorphine; its salts

Diacetylnalorphine; its salts

Diampromide; its salts

Diazepam and other compounds containing the chemical structure of dihydro-1, 4-benzodiazepine substituted to any degree; their salts

[N-Diethylaminoethylephedrine; its salts]

Digitalis, glycosides of; other active principles of digitalis

Dihydrocodeine; its salts; its esters and ethers; their salts

Dihydrocodeinone; its salts

[Dihydrocodeinone *O*-carboxymethyloxime; its salts; its esters; their salts]

Dihydromorphine; its salts; its esters; their salts; its ethers; their salts

[3-(3,4-Dihydroxyphenyl)alanine; its salts]

Dimenoxadole; its salts

Dimepheptanol; its salts; its esters and ethers; their salts

[Dimethyl 4-sulphamoylphenyl phosphorothionate]

Dinitronaphthols; dinitrophenols; dinitrothymols

Dioxaphetyl butyrate; its salts

Diperodon; its salts

Diphenoxylate; its salts

Dipipanone; its salts

Disulfiram

Dithienylallylamines; dithienylalkylallylamines; their salts

[Dothiepin; its salts]

Dyflos

Ecothiopate iodine

Ectylurea

Elaterin

Embutramide

Emylcamate

Erythrityl tetranitrate

[Etafedrine; its salts]

Ethacrynic acid; its salts

Ethchlorvynol

Ethinamate

Ethionamide

Ethoheptazine; its salts

Ethylmorphine; its salts; its esters and ethers; their salts

Ethylnoradrenaline; its salts

Etonitazene; its salts

Etorphine; its salts; its esters and ethers; their salts

Etoxidine; its salts

Fenfluramine; its salts

Fentanyl; its salts

[Flavoxate; its salts]

Fluanisone

Flufenamic acid; its salts; its esters; their salts

Fluoroacetamide

[...]

Furethidine; its salts

Gallamine; its salts; its quaternary compounds

[Glibenclamide]

Glutethimide; its salts

Glyceryl trinitrate

Glymidine

Guanidines, the following –

polymethylene diguanidines; di-*p*-anisyl-*p*-phenethylguanidine

Haloperidol and other 4-substituted derivatives of *N*-(3-*p*-fluorobenzoylpropyl) piperidine

Hexapropymate

Hydrazines, benzyl, phenethyl and phenoxyethyl; their alpha-methyl derivatives; acyl derivatives of any of the foregoing substances comprised in this item; salts of any compounds comprised in this item

Hydrocyanic acid; cyanides, other than ferrocyanides and ferricyanides

Hydromorphenol; its salts; its esters and ethers; their salts

Consolidated text

Hydromorphone; its salts; its esters; their salts; its ethers; their salts

Hydroxycinchonic acids; derivatives of; their salts; their esters

Hydroxy-*N,N*-dimethyltryptamines; their esters or ethers; any salt of any substance falling within this item

Hydroxypethidine; its salts; its esters and ethers; their salts

Hydroxyurea

Hydroxyzine; its salts

Imipramine; its salts

Indomethacin; its salts

Insulin

Iprindole; its salts

Isoaminile; its salts

Isoetharine; its salts

Isomethadone (isoamidone); its salts

Isoprenaline; its salts

Ketobemidone; its salts; its esters and ethers; their salts

Laudexium; its salts

Lead acetates; compounds of lead with acids from fixed oils

Levomethorphan; its salts

Levomoramide; its salts

Levophenacilmorphan; its salts; its esters and ethers; their salts

Consolidated text

Levorphanol; its salts; its esters and ethers; their salts

Lysergide; its salts, simple or complex; its quaternary compounds

Mannityl hexanitrate

Mannomustine; its salts

Mebezonium iodide

Mebutamate

Meclofenoxate; its salts

Mefenamic acid; its salts; its esters; their salts

Mephenesin; its esters

Meproamate

Mercaptopurine; its salts; derivatives of mercaptopurine; their salts

Mercury, oxides of; nitrates of mercury; mercuric ammonium chlorides; potassiomeric iodides; organic compounds of mercury which contain a methyl (CH₃) group directly linked to the mercury atom; mercuric oxycyanides; mercuric thiocyanate

Mescaline and other derivatives of phenethylamine formed by substitution in the aromatic ring; their salts

Metaxalone

Metazocine; its salts; its esters and ethers; their salts

Metformin; its salts

Methadone (amidone); its salts

Methadyl acetate; its salts

[Methanthelium bromide]

Methaqualone; its salts

Methixene; its salts

Methocarbamol

Methoxsalen

Methoxyphenamine; its salts

Methylaminoheptane; its salts

Methyldesorphine; its salts; its esters and ethers; their salts

Methyldihydromorphine; its salts; its esters and ethers; their salts

2-Methyl-3-morpholino-1,1-diphenylpropanecarboxylic acid; its salts; its esters; their salts

[Methylpentynol; its esters and other derivatives]

alpha-Methylphenethylamine, beta-methylphenethylamine and alpha-ethylphenethylamine

any synthetic compounds structurally derived from any of those substances by substitution in the aliphatic part or by ring closure therein (or by both such substitution and such closure) or by substitution in the aromatic ring (with or without substitution at the nitrogen atom), except [ephedrine, its optical isomers and] *N*-substituted derivatives, fenfluramine, hydroxyamphetamine, methoxyphenamine, phenylpropanolamine, pholedrine and prenyl-amine; any salt of any substance falling within this item

1-Methyl-4-phenylpiperidine-4-carboxylic acid; esters of; their salts

Methyprylone

Metoclopramide; its salts

Metopon; its salts; its esters and ethers; their salts

[Mitobronitol]

Mitopodozide; its salts

Monofluoroacetic acid; its salts

Consolidated text

Morpheridine; its salts

Mustine and any other *N*-substituted derivatives of di-(2-chloroethyl)amine; their salts

Myrophine; its salts

Nalorphine; its salts

Nicocodine; its salts

m-Nitrophenol; *o*-nitrophenol; *p*-nitrophenol

Noracymethadol; its salts

Norcodeine; its salts; its esters and ethers; their salts

Norlevorphanol; its salts; its esters and ethers; their salts

Normethadone; its salts

Normorphine; its salts; its esters and ethers; their salts

Norpipanone

Nortryptiline; its salts

Nux Vomica

Opium

Orciprenaline; its salts

Orphenadrine; its salts

Orthocaine; its salts

Ouabain

Oxalic acid

Oxethazaine

Oxycodone; its salts; its esters; their salts; its ethers; their salts

Oxymorphone; its salts; its esters and ethers; their salts

Oxyphenbutazone

Oxytocins, natural and synthetic

Paraldehyde

Paramethadione

Pargyline; its salts

Pemoline; its salts

Pentazocine; its salts

Phenacemide

Phenadoxone; its salts

Phenaglycodol

Phenampromide; its salts

Phenazocine; its salts; its esters and ethers; their salts

Phenbutrazate

Phencyclidine; its salts

Phenetidylphenacetin

Phenformin; its salts

Phenols (any member of the series of phenols of which the first member is phenol and of which the molecular composition varies from member to member by one atom of carbon and two atoms of hydrogen) except in substances containing less than sixty per cent., weight in weight, of phenols; compounds of phenol with a metal, except in substances containing less than the equivalent of sixty per cent.,

weight in weight, of phenols

Phenomorphan; its salts; its esters and ethers; their salts

Phenoperidine; its salts; its esters and ethers; their salts

Phenothiazine, derivatives of; their salts; except dimethoxanate, its salts and promethazine, its salts and its molecular compounds

Phenylbutazone; its salts

2-Phenylcinchoninic acid; 2-salicylcinchoninic acid; their salts; their esters

5-Phenylhydantoin; its alkyl and aryl derivatives; their salts

4-Phenylpiperidine-4-carboxylic acid ethyl ester; its salts

Pholcodine; its salts; its esters and ethers; their salts

Phosphorus, yellow

Picric acid

Picrotoxin

Piminodine; its salts

[Pimozide; its salts]

Piritramide; its salts

Pituitary gland, the active principles of

Podophyllum resin

Polymethylenebis(trimethylammonium) salts

Procainamide; its salts

Procarbazine; its salts

Procyclidine; its salts

Proheptazine; its salts

Promoxolan

[Propantheline bromide]

Propoxyphene; its salts

Propylhexedrine; its salts

Prothionamide

Prothipendyl; its salts

[Protriptyline; its salts]

Quinethazone

[Quinine; its salts]

Racemethorphan; its salts

Racemoramide; its salts

Racemorphan; its salts; its esters and ethers; their salts

[Salbutamol; its salts]

Savin, oil of

Strophanthus; glycosides of strophanthus

Styramate

Sulphinpyrazone

Sulphonal, alkyl sulphonals

Suprarenal gland medulla, the active principles of; their salts

[Suxamethonium; its salts]

Syrosingopine

[Terbutaline; its salts]

Tetrabenazine; its salts

Thalidomide; its salts

Thallium, salts of

Thebacon; its salts

Thiocarlide; its salts

[Thioguanine; its salts]

Thyroid gland, the active principles of; their salts

[Tofenacin; its salts]

Tolbutamide

Tretamine; its salts

Triaziquone

Tribromethyl alcohol

2,2,2-Trichloroethyl alcohol, esters of; their salts

Trimeperidine; its salts

Trimipramine; its salts

Troxidone

Tybamate

Vasopressins, natural and synthetic

Verapamil; its salts

Zoxazolamine; its salts

PART II

[Aldicarb]

[Alpha-chloralose]

Ammonia

Arsenical substances, the following –

Arsenic sulphides

Arsenious oxide

[...]

Calcium arsenites

Copper acetoarsenite

Copper arsenates

Copper arsenites

Lead arsenates

Potassium arsenites

Sodium arsenates

Sodium arsenites

Sodium thioarsenates

Barium, salts of, the following –

Barium carbonate

Barium silicofluoride

Consolidated text

Diamines, the following; their salts –

phenylene diamines; tolylene diamines; other alkylated-benzene diamines

[β -[2-(3, 5-Dimethyl-2-oxocyclohexyl)-2-hydroxyethyl] glutarimide]

Dinitrocresols (DNOC); their compounds with a metal or a base

Dinosam; its compounds with a metal or a base

Dinoseb; its compounds with a metal or a base

[Drazoxolon; its salts]

Endosulfan

Endothal; its salts

Endrin

[Fenazaflor]

Formaldehyde

[Formetanate]

Formic acid

Hydrochloric acid

Hydrofluoric acid; [alkali metal bifluorides; ammonium bifluoride;] [alkali metal fluorides; ammonium fluoride]; sodium silicofluoride

Mercuric chloride; mercuric iodide; organic compounds of mercury except compounds which contain a methyl (CH₃) group directly linked to the mercury atom

Metallic oxalates

[Methomyl]

[Niclofolan]

Nicotine; its salts

Nitric acid

Nitrobenzene

Organo-tin compounds, the following –

Compounds of fentin

Paraquat; salts of

Phenols as defined in Part I of this List in substances containing less than sixty per cent., weight in weight, of phenols; compounds of phenol with a metal in substances containing less than the equivalent of sixty per cent., weight in weight, of phenols

Phosphoric acid

Phosphorus compounds, the following –

Amiton, azinphos-ethyl, azinphos-methyl, chlorfenvinphos, [Demephion,] [Demeton-methyl,] demeton-O, demeton-S, demeton-O-methyl, demeton-S-methyl, [Demeton-S-methyl sulphone,] dichlorvos, diethyl 4-methyl-7-coumarinyl, [Dioxathion,] phosphorothionate, diethyl *p*-nitrophenyl phosphate, dimefox, disulfoton, ethion, ethyl *p*-nitrophenyl phenylphosphonothionate, [Fonofos,] mazidox, mecarbam, [Methidathion,] mevinphos, mipafox, [Omethoate,] oxydemeton-methyl, parathion, phenkapton, phorate, phosphamidon, [Pirimiphos-ethyl,] schradan, sulfotep, TEPP (HETP), [Thiometon,] thionazin, triphosphoric pentadimethylamide, vamidothion

Potassium hydroxide

[Sodium 4-(diamethylamino) benzenediazosulphonate]

Sodium hydroxide

Sodium nitrite

Sulphuric acid

Zinc phosphide

NOTES

In the Tenth Schedule,

the words omitted in the first pair of square brackets in Part I were repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(g)(i)(a), with effect from 30th March, 1977;

the entries in square brackets in Part I relating to the items "Aluminium phosphide" and "Chloropicrin" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(k)(i), with effect from 31st March, 1976;

the entries in square brackets in Part I relating to the items "Antimony" and "Arsenic" were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, respectively section 1(g)(i)(b) and section 1(g)(i)(c), with effect from 30th March, 1977;

the entries in square brackets in Part I relating to the items "Benzoctamine", "Bromomethane", "Cannabinol", "Clomiphene", "N-Diethylaminoethylephedrine", "Dimethyl 4-sulphamoylphenyl phosphorothionate", "Etafedrine", "Flavoxate", "Glibenclamide", "Methanthelinium bromide", "Mitobronitol", "Pimozide", "Propantheline bromide", "Protriptyline", "Suxamethonium", "Terbutaline", "Thioguanine" and "Tofenacin" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(m)(i)(a), with effect from 12th December, 1973;

the entries in square brackets in Part I relating to the items "Bezitamide", "Dihydrocodeinone O-carboxymethyloxime", "3-(3,4-Dihydroxyphenyl)alanine", "Dothiepin", "Quinine" and "Salbutamol" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(h)(i)(a), with effect from 30th June, 1971;

the entry in square brackets in Part I relating to the item "Chloral" was substituted by the Pharmacists, Poisons and Pharmacy (Amendment)

Consolidated text

(No. 2) Ordinance, 1973, section 1(m)(i)(b), with effect from 12th December, 1973;

the word omitted in the square brackets in Part I immediately preceding the entry relating to the item "Furethidine" was repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(g)(i)(d), with effect from 30th March, 1977;

the entry in square brackets in Part I relating to the item "Methylpentynol" was substituted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(m)(i)(c), with effect from 12th December, 1973;

the words in square brackets in Part I in the entry relating to the item "alpha-Methylphenethylamine" were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(h)(i)(c), with effect from 30th June, 1971;

the entries in square brackets in Part II relating to the items "Aldicarb", "Alpha-chloralose", "Drazoxolon", "Fenazaflor", "Formetanate", "Methomyl", "Niclofolan" and "Sodium 4-(diamethylamino) benzenediazosulphonate" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(m)(ii)(a), with effect from 12th December, 1973;

the words omitted in square brackets in Part II under the heading "Arsenical substances" were repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(h)(ii)(a), with effect from 30th June, 1971;

the entry in square brackets in Part II relating to the item " β -[2-(3, 5-Dimethyl-2-oxocyclohexyl)-2-hydroxyethyl] glutarimide" was inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(k)(ii)(a), with effect from 31st March, 1976;

the words in the first pair of square brackets in the entry relating to the item "Hydrofluoric acid" in Part II were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(h)(ii)(b), with effect from 30th June, 1971;

the words in the second pair of square brackets in the entry relating to the item "Hydrofluoric acid" in Part II were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(g)(ii), with effect from 30th March, 1977;

the entries in square brackets in Part II relating to the items "Demephion", "Demeton-methyl", "Demeton-S-methyl sulphone", "Dioxathion", "Fonofos", "Omethoate" and "Thiometon" under the

Consolidated text

heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(m)(ii)(b), with effect from 12th December, 1973;

the entries in square brackets in Part II relating to the items "Methidathion" and "Pirimiphos-ethyl" under the heading "Phosphorus compounds" were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(k)(ii)(b), with effect from 31st March, 1976.

ELEVENTH SCHEDULE

Section 6

Certificate for the purchase of a poison

For the purposes of sub-paragraph (i) of paragraph (a) of subsection (2) of section six of the Pharmacists, Poisons and Pharmacy Ordinance, 1970, I, the undersigned, a householder occupying (a) hereby certify from my knowledge of (b) of (a) (that he is a person to whom (c) may properly be supplied.

I further certify that (d) is the signature of the said (b)

.....

Signature of householder giving certificate.

Date

- (a) Insert full postal address.
- (b) Insert full name of intending purchaser.
- (c) Insert name of poison.
- (d) Intending purchaser to sign his name here.

Endorsement required by subsection (4) of section six of the Pharmacists,

Consolidated text

Poisons and Pharmacy Ordinance, 1970, to be made by the Chief Officer of Police when, but only when, the householder giving the certificate is not known to the seller of the poison to be a responsible person of good character.

I hereby certify that in so far as is known to me (a)
is a responsible person of good character.

.....

Signature of Chief Officer of Police.

Date

Office Stamp of Police Station.

(a) Insert full name of householder giving the certificate.

TWELFTH SCHEDULE

Section 6

Substances in which poison is exempted by section 6(7) of this Ordinance

Poison

Substances in which exempted

Nicotine

Agricultural and horticultural insecticides consisting of nicotine dusts containing not more than four per cent., weight in weight, of nicotine.

THIRTEENTH SCHEDULE

Section 15

Forms of certificate authorising the purchase of monofluoroacetic acid, a salt thereof, fluoroacetamide[...] or zinc phosphide] as a rodenticide [and form of authority for the purchase of [salts of thallium] for the killing of rats, mice or moles]

FORM A.

Certificate authorising the purchase of monofluoroacetic acid, a salt thereof, fluoroacetamide[...] or zinc phosphide] as a rodenticide for use by employees of the States of Guernsey.

For the purposes of section fifteen of the Pharmacists, Poisons and Pharmacy Ordinance, 1970, as amended, I hereby certify that (a) of (b) is required for use by employees of the States of Guernsey as a rodenticide in (c) situated at (d)

.....

Signature of Medical Officer of Health.

Date

(a) Insert quantity required.

(b) Insert "monofluoroacetic acid" or the salt thereof, or

Consolidated text

fluoroacetamide[...] or zinc phosphide] as the case may require.

- (c) State "ships" or "sewers" as the case may require.
- (d) State the situation of the ships or sewers as the case may require.

Consolidated text

FORM B.

Certificate authorising the purchase of monofluoroacetic acid, or a salt thereof, fluoroacetamide[...] or zinc phosphide] as a rodenticide by persons carrying on, or by the employees of a body of persons carrying on, a business of pest control.

For the purposes of section fifteen of the Pharmacists, Poisons and Pharmacy Ordinance, 1970, as amended, I hereby certify that (a) of (b) is required for use by (c) [employees of] (d) as a rodenticide in (e) situated at (f)

.....

Signature of Medical Officer of Health.

Date

(a) Insert quantity required.

(b) Insert "monofluoroacetic acid" or the salt thereof, or fluoroacetamide[...] or zinc phosphide] as the case may require.

Consolidated text

- (c) Delete when necessary.
- (d) Insert name of person, or, as the case may be, body of persons carrying on a business of pest control.
- (e) State "ships" or "sewers" as the case may require.
- (f) State the situation of the ships or sewers, as the case may require.

Consolidated text

[FORM C.

Form of authority for the purchase of [salts of thallium] for killing rats, mice or moles by persons carrying on, or by the employees of a body of persons carrying on, a business of pest control.

For the purposes of section fifteen of the Pharmacists, Poisons and Pharmacy Ordinance, 1970, as amended, I hereby authorise (a) (employees of) (b) to purchase [salts of thallium] within twelve months from the date hereof for the purpose of killing rats, mice or moles.

.....

Signature of Medical Officer of Health.

Date

(a) Delete when necessary.

(b) Insert name of person, or, as the case may be, body of persons carrying on a business of pest control.]

NOTES

Consolidated text

In the Thirteenth Schedule,

the words in the first pair of square brackets in the heading thereto were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(i), with effect from 30th June, 1971;

the word and punctuation omitted in the square brackets within the first pair of square brackets in the heading thereto were repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(h), with effect from 30th March, 1977;

the words in the second pair of square brackets in the heading thereto were inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(n)(i), with effect from 12th December, 1973;

the words in the square brackets within the second pair of square brackets in the heading thereto were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1976, section 1(l), with effect from 31st March, 1976;

the words in the first and second pairs of square brackets in Form A thereof were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(i), with effect from 30th June, 1971;

the words omitted in the square brackets within the first and second pairs of square brackets in Form A thereof were repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(h), with effect from 30th March, 1977;

the words in the first and second pairs of square brackets in Form B thereof were substituted by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(i), with effect from 30th June, 1971;

the words omitted in the square brackets within the first and second pairs of square brackets in Form B thereof were repealed by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1977, section 1(h), with effect from 30th March, 1977;

Form C was inserted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(n)(ii), Fourth Schedule, with effect from 12th December, 1973;

the words in the first and second pairs of square brackets within Form C thereof were substituted by the Pharmacists, Poisons and Pharmacy

Consolidated text

(Amendment) Ordinance, 1976, section 1(l), with effect from 31st March, 1976.

Medicines to which special provisions apply

...]

NOTE

The Fourteenth Schedule (which was previously substituted by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(o), Fifth Schedule, with effect from 12th December, 1973) was repealed as a consequence of the repeal of section 31 of this Ordinance by the Medicines (Human and Veterinary) (Bailiwick of Guernsey) Law, 2008, section 135, Schedule 5, with effect from 1st October, 2009.

FIFTEENTH SCHEDULE

Section 44

Ordinances repealed

...

NOTE

The Fifteenth Schedule was repealed as a consequence of the repeal of section 44 of this Ordinance by the Medicines (Human and Veterinary) (Bailiwick of Guernsey) Law, 2008, section 135, Schedule 5, with effect from 1st October, 2009.

¹ Prior to its repeal, section 5 was amended by the Doctors, Dentists and

Pharmacists Ordinance, 1987, section 6(1), Schedule, with effect from 1st July, 1987, subject to the savings in section 6(2) and (3) of the 1987 Ordinance.

² Prior to its repeal, section 32 was amended by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(c), with effect from 12th December, 1973; the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1982, section 1(g), with effect from 29th September, 1982; the Machinery of Government (Transfer of Functions) (Guernsey) Ordinance, 2003, section 3, with effect from 6th May, 2004, subject to the savings and transitional provisions in section 4 of the 2003 Ordinance.

³ Prior to its repeal, section 33 was amended by the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(d), with effect from 12th December, 1973.

⁴ Prior to its repeal, the marginal note to section 34 was substituted and that section was amended by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1982, respectively section 1(i) and section 1(j), with effect from 29th September, 1982.

⁵ Prior to its repeal, section 39 was amended by the Public Health and Related Offences (Increase of Fines) Ordinance, 1986, section 1, Schedule, with effect from 30th April, 1986; the Uniform Scale of Fines (Bailiwick of Guernsey) Law, 1989, section 2(2), with effect from 1st July, 1989; and the Machinery of Government (Transfer of Functions) (Guernsey) Ordinance, 2003, section 2, Schedule 1, paragraph 12(a), with effect from 6th May, 2004.

⁶ Prior to its repeal, section 40 was amended by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1982, section 1(k), with effect from 29th September, 1982.

⁷ Prior to its repeal, section 41 was amended by the Public Health and Related Offences (Increase of Fines) Ordinance, 1986, section 1, Schedule, with effect from 30th April, 1986; the Uniform Scale of Fines (Bailiwick of Guernsey) Law, 1989, section 2(2), with effect from 1st July, 1989.

⁸ Prior to its repeal, section 42 was amended by the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1971, section 1(b), with effect from 30th June, 1971; the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1973, section 1(b), with effect from 30th May, 1973; the Pharmacists, Poisons and Pharmacy (Amendment) (No. 2) Ordinance, 1973, section 1(e), with effect from 12th December, 1973; the Pharmacists, Poisons and Pharmacy (Amendment) Ordinance, 1982, section 1, with effect from 29th September, 1982; the Machinery of Government (Transfer of Functions) (Guernsey) Ordinance, 2003, section 2, Schedule 1, paragraph 4 and paragraph 12(a), with effect from 6th May, 2004.

⁹ Prior to its repeal, section 46 was amended by the Doctors, Dentists and Pharmacists Ordinance, 1987, section 6(1), Schedule, with effect from 1st July, 1987.
