 - (a) a fixed charge of £5.00 per quarter, and
 - (b) a charge at the rate of 29 new pence per cubic metre of water supplied.

2. *Charges for the supply of untreated water for irrigation purposes by measure—*
 - (a) a fixed charge of £5.00 per quarter, and
 - (b) a charge at the rate of 25 new pence per cubic metre of water supplied.

3. *Quarterly meter rents—*

TABLE

Size of meter	Quarterly rent
$\frac{1}{2}$ inch (13 mm) diameter	£1.50
$\frac{3}{4}$ inch (20 mm) diameter	£2.00
1 inch (25 mm) diameter	£3.00
$1\frac{1}{2}$ inches (40 mm) diameter	£3.50
2 inches (50 mm) diameter	£4.00
3 inches (75 mm) diameter	£4.50

4. *Charges for the supply of water for domestic purposes otherwise than by measure—*
 - (a) a fixed charge of £5.00 per quarter, and

- (b) a charge per quarter at the rate of 22% in the pound of the rateable value as inscribed in the Cadastre of the property supplied including the close, curtilage or precincts thereof.

Where a new property, the rateable value of which is not inscribed in the Cadastre, is furnished with a supply of water for domestic purposes by the Board, the rateable value of that property for the purposes of this paragraph shall, until a rateable value for that property is inscribed in the Cadastre, be deemed to be such rateable value as may be reasonably assessed by the Board; when a rateable value of that property is inscribed in the Cadastre the Board may recover the amount by which any charges based on the assessment of the rateable value made by the Board falls short of the charges which would have been made based on the rateable value inscribed in the Cadastre and shall refund the amount by which the charges made as aforesaid exceed the charges which would have been made as aforesaid.

5. *Charge for the use of a hosepipe on any property furnished with a supply of water by the Board otherwise than by measure—*
