### **The Watercourses Ordinance, 1988**

THE STATES, in pursuance of their Resolution of the 25th day of May, 1988, and in exercise of the powers conferred by section 15 of the Law entitled "Loi relative aux Douits" registered on the 14th November, 1936(a), and all other powers now vested in them, hereby order:—

1. The watercourse draining to and discharging at the Richmond end of Vazon, which is marked in blue on a map which for the purposes of identification has been signed by the Deputy Bailiff on the 28th September, 1988 and lodged at the Greffe, all tributaries of the said watercourse and all canals flowing into the said watercourse or tributaries, whether or not the tributaries or canals are marked on the map, are subject to the application of the provisions of the Law entitled "Loi relative aux Douits" registered on the 14th November, 1936.

Controlled  
water-  
courses.
