EXPLANATORY NOTE

(This Note is not part of the Amendment to the Open General Import Licence but is intended to indicate its general purport).

The main effect of this Amendment is to allow the importation under the Licence of cotton fabrics and cotton articles which has hitherto been prohibited if they originated in Japan but were consigned from Japan otherwise than under the authority of the Government of Japan. It also allows the importation in the same circumstances of certain made-up cotton articles, being dress patterns, garment bags, flat protective sheets, packing cloths and cheese cloths and cotton articles made from narrow fabrics not exceeding 30 centimetres in width.
