(J. G. DOREY)
President of the States Board of Administration
for and on behalf of the Board.

EXPLANATORY NOTE

(This Note is not part of the Amendment to the Open General Import Licence but is intended to indicate its general purport.)

The main effects of this Amendment are as follows :-

1. It allows the import under the Licence of cotton yarn from the Mediterranean Area.
2. It allows the import under the Licence of certain cotton goods which originate in or are consigned from any source other than (in some cases) the Eastern Area.
3. Aluminium, lead and electronic calculating machines are added to the goods which may not be imported from various sources under the authority of the Licence.
