EXPLANATORY NOTE

(This Note is not part of the Order but is intended to indicate its general purport).

The effect of this Order is to amend the Import and Export of Goods (Control) (Guernsey) Order, 1955. It enables a person to export his personal or household effects without a licence, though a Customs Officer is given power to require the exporter to satisfy him that the effects do belong to the exporter. It also removes minor anomalies in the 1955 Order and there is one consequential alteration.
