

GUERNSEY

STATUTORY INSTRUMENT *Repealed by S.I. 58 (1953)*

1953 No. 19

The Plants and Potatoes Importation Order, 1953.

The States of Guernsey Committee for Agriculture and Fisheries, under and by virtue of the powers conferred upon them by section six of the Plants and Potatoes Importation Ordinance, 1951, as amended, and of all other powers enabling them in that behalf, hereby order: -

1. The landing or transshipment in this Island from any country in the Continent of Europe, the United States of America or the Dominion of Canada of: -
 - (i) living plants and parts thereof for planting, other than seeds, flower bulbs, corms, tubers or rhizomes, shall be permitted provided that each consignment thereof is accompanied by a certificate in the form set out in the First Schedule and Second Schedule to this Order, and provided also that, in respect of -
 - (a) the plants specified in the Third Schedule to this Order;
 - (b) buds of roses and grafts of apples, pears and rhododendrons; and
 - (c) trees, shrubs or plants with bare or balled roots and cuttings or grafts thereof, -

the consignment may be accompanied by a certificate in the form set out in the Fourth Schedule to this Order in place of the certificate in the form set out in the Second Schedule to this Order;
 - (ii) flower bulbs, corms, tubers or rhizomes shall be permitted provided that each consignment thereof is accompanied by a certificate in the form set out in the First Schedule to this Order.
2. Where a certificate in the form set out in the First, Second or Fourth Schedules to this Order is required, under the provisions of this Order, to accompany a consignment, such certificate shall be signed by a duly authorised official of the Phytopathological Service of the country from which the said consignment is landed or transhipped.
3. Nothing in this Order shall be deemed to permit the landing or transshipment in this Island of any plants the landing or transshipment of which is prohibited under paragraphs (ii), (iii), (iv) and (v) of section one of the Plants and Potatoes Importation Ordinance, 1951, as amended.
4. The General Licence (I.P.P.Gen.1/1951) of the 24th February, 1951(a), shall be repealed.

- 5. The Interpretation (Guernsey) Law, 1948, shall apply to the interpretation of this Order as it applies to the interpretation of an enactment.
- 6. This Order shall come into operation on the 9th February, 1953.

Dated this 5th day of February, 1953.

(signed) B. BARTLETT.

For and on behalf of the
States of Guernsey Committee for Agriculture
and Fisheries.

FIRST SCHEDULE.

I.P.P.Cert.1.

Ints

This is to certify that the plants/a representative sample of the plants (strike out words not applicable) included in the consignment of which particulars are given below, were/was thoroughly examined on the _____ (date) by _____ (name), a duly authorised official of the _____

and found to be healthy, no evidence of the presence of any insect, fungus or pest destructive to agricultural or horticultural crops having been found in them.

(The following additional certificate must be given for all consignments from any European country.)

It is further certified that the consignment does not contain any plants of the genus Castanea, Populus or Quercus, or of the genera of the Order Pinaceae, viz., Abies, Larix, Picea, Pinus, Pseudotsuga, Sequoia, Thuja and Tsuga, or any plant of sugar beet or mangold (Beta vulgaris Linn.) or any chrysanthemum plant, except the seeds thereof.

(The following additional certificate must be given for all consignments from the United States of America and the Dominion of Canada.)

It is further certified that the consignment does not contain any plants of the genus Castanea, Populus, Quercus or Ulmus, or of the genera of the Order Pinaceae, viz., Abies, Larix, Picea, Pinus, Pseudotsuga, Sequoia, Thuja and Tsuga, or any plants of sugar beet or mangold (Beta vulgaris Linn.) or any chrysanthemum plant, except the seeds thereof.
