GUERNSEY STATUTORY INSTRUMENT

1953 - No. 31

The Safety of Employees (Miscellaneous Provisions)
Ordinance, 1952.

Certificate of Exemption No. 9

Steam Receivers - Safe Working Pressure slightly
below the Maximum Permissible Working Pressure
of the Boiler.

Made 2nd March, 1953
Coming into Operation ... 2nd March, 1953

The States Labour and Welfare Committee, as the Administering Authority constituted by the States under the Health, Safety and Welfare of Employees Law, 1950, and in pursuance of section eighteen of the Safety of Employees (Miscellaneous Provisions) Ordinance, 1952, hereby except from the provisions of paragraph (a) of subsection (1) of section sixteen of the said Ordinance any steam receiver connected with a steam boiler and having a safe working pressure of not less than nine-tenths of the maximum permissible working pressure of such steam boiler, subject to the following conditions:-

- (1) That such steam receiver and the pipes and fittings connecting it to such steam boiler are so constructed and arranged as to prevent the pressure of the steam in the receiver exceeding the safe working pressure thereof. For the purpose of this condition, no account shall be taken of any regulation of the pressure in the receiver by means of any valve (including a safety valve) or cock, or of any other special fitting provided for controlling the flow of steam into or out of such receiver.
- (2) The application of this exception to such steam receiver shall be noted in the report on every examination made in pursuance of subsection (4) of section sixteen of the said Ordinance.
- (3) This exception shall not otherwise affect the application of section sixteen to such steam receiver.

Dated this Second day of March, 1953.

Welfried J. Corbet

President
of the States Labour and
Welfare Committee for and
on behalf of the Committee.
