

STATUTORY INSTRUMENT

1953 No. 107

*Amended by S.I. 108 (1953)**Revoked by S.I. 1955 No 12*The Animals and Animal Products (Importation) (No.4) Order, 1953.

The States Committee for Agriculture and Fisheries, under and by virtue of the powers conferred upon them by section eleven of the Animals and Animal Products (Import and Export) Ordinance, 1952, and of all other powers enabling them in that behalf, hereby order: -

1. Notwithstanding the provisions of section one of the Animals and Animal Products (Importation) (No.3) Order, 1953(a), carcasses of swine may be imported into the Island from the Island of Jersey subject to the succeeding provision of this Order.
2. A consignment of carcasses of swine imported under the provisions of the last preceding section shall be accompanied by -
 - (a) a certificate from a Veterinary Surgeon certifying that
 - (i) the swine from which the carcasses originated;
 - (ii) the farm on which those swine were immediately prior to slaughter; and
 - (iii) the carcasses;

have been examined by him and are free from all infectious diseases of swine, such examination having been made and such certificate having been issued, not more than seventy-two hours before the carcasses were despatched from the Island of Jersey; and
 - (b) a certificate from a responsible official of the States of Jersey Committee of Agriculture certifying that the Island of Jersey is free, and has been free during the period of three months immediately preceding the date of despatch from that Island of the carcasses, from foot and mouth disease and swine fever, such certificate having been issued not more than forty-eight hours before the carcasses were despatched from that Island.
3. The Interpretation (Guernsey) Law, 1948, shall apply to the interpretation of this Order as it applies to the interpretation of an enactment.
4. This Order shall come into operation on the 31st October, 1953.

Dated this 29th day of October, 1953.

B. BARTLETT.

For and on behalf of the
States of Guernsey Committee for Agriculture
and Fisheries.
