EXPLANATORY NOTE.

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order fixes retailers' maximum prices for the women's and maids' utility underwear and nightwear described in Part I of the Schedule. Hitherto retailers' maximum prices for these goods have been fixed by the Utility Apparel (Maximum Prices and Charges) (Baillivick of Guernsey) Order, 1951. Retailers' maximum prices are now based on the amounts specified in Part I of the Schedule, whereas hitherto they have been fixed by reference to the purchase price and the appropriate margin, subject to overriding maximum prices. The maximum prices now fixed are the same as the former overriding maximum prices specified in Related Schedule No. 4N, except that the additions permitted to retailers' maximum prices for embroidered slips are increased.
