EXPLANATORY NOTE.

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order amends The Utility Cloth and Utility Household Textiles (Distributors' Maximum Prices) (Bailiwick of Guernsey) Order, 1952 ("the principal Order").

The principal changes are -

- (1) retailers' maximum prices for utility goods described in the Second Schedule to this Order, which have hitherto been computed by adding a percentage margin to the purchase price, are now to be computed by reference to the cash maximum prices set out in that Schedule;
- (2) retailers' maximum prices for utility table cloths of sizes other than those specified in Section C of Part I of the First Schedule to the principal Order, which have hitherto been computed by adding a percentage margin to the purchase price, are now to be computed by reference to the cash maximum prices per square yard set out in the First Schedule to this Order; and
- (3) all utility cloth and utility household textiles for which retailers' maximum prices are fixed by any other Order made under the Defence (General) (Guernsey) Regulations, 1945, are excluded from the scope of the principal Order.

Two such Orders relating to utility cloth come into operation on the same date as this Order; they are -

- (a) The Utility Woven Rayon Apparel Cloth (Distributors' Maximum Prices) (Bailiwick of Guernsey) Order, 1952;
- (b) The Utility Curtain Cloth and Utility Upholstery Cloth (Distributors' Maximum Prices) (Bailiwick of Guernsey) Order, 1952.
