EXPLANATORY NOTE.

(This Note is not part of the Order, but is intended to indicate its general purport).

This Order fixes retailers' maximum prices for utility cotton, cotton mixture and linen apparel cloths described in the Schedule to this Order; retailers' maximum prices for such cloths, which have hitherto been fixed by The Utility Cloth and Utility Household Textiles (Distributors' Maximum Prices) (Bailiwick of Guernsey) Order, 1952, and computed by adding a percentage margin to the purchase price, are now to be computed by reference to the cash maximum prices set out in the Schedule to this Order.
