EXPLANATORY NOTE

*(This note is not part of the Rules)*

These Rules amend the Immigration (Bailiwick of Guernsey) Rules 2008, as amended by the Immigration (Bailiwick of Guernsey) (Amendment) Rules 2011.

The purpose of these Rules is to clarify the definition of a family member of a European Economic Area national; amend the current and introduce a new Business visitor category; introduce new provisions for visitors carrying out certain permitted paid engagements; reduce the minimum age at which a person may be granted entry clearance, leave to enter or remain, or variation of leave, as the spouse, fiancé(e) or unmarried partner of a sponsor and the minimum age at which a person may sponsor such an application, from 21 to 18 years; introduce a criminality threshold to settlement applications, requiring applicants to have no convictions other than spent convictions; reduce the period of the re-entry ban for those who

leave the Bailiwick promptly upon service of a removal direction; make minor, technical changes to the Rules relating to English language requirements for spouses and unmarried partners; clarify requirements for indefinite leave to enter or remain and limited leave to enter or remain in the Bailiwick as a parent, grandparent or other dependent relative of a person present and settled in the Bailiwick.

These Rules also correct several typographical errors.

These Rules come into force on the 1<sup>st</sup> day of July, 2013
