## **EXPLANATORY NOTE**

*(This note is not part of the Order)*

This Order inserts a new paragraph 6 in Schedule 3 to the principal Order. This new paragraph clarifies that for the purposes of the definition of "**medicinal product**" or "**product**" in paragraph 5 of that Schedule, a substance, article or combination of substances may fall within paragraph (b) of the definition of "**medicinal product**" in section 133(1) of the Medicines (Human and Veterinary) (Bailiwick of Guernsey) Law, 2008, even it is not proven to have or be capable of having a therapeutic or beneficial effect on human health.

This Order also revokes paragraph 17A of Schedule 8 to the Import (Control) (Alderney) Order, 2010, which contains formulations for benzofuran-related, mescaline-related and other compounds. The import control for these compounds will no longer be needed as these compounds will be brought under control as either Class A or Class B controlled drugs by the Misuse of Drugs (Modification) Order, 2014, from the 1<sup>st</sup> December, 2014.

This Order comes into force on the 1<sup>st</sup> December, 2014.
