Notes to Table

These charges are not applicable in respect of a mooring allocated for a boat which is –

- (a) used exclusively for life-saving or rescue operations or both; or
- (b) used exclusively by the Sea Scouts or Sea Rangers; or
- (c) owned by the States of Alderney; or
- (d) any boat used by a General Pilot for the purposes of pilotage.

No Mooring Charges shall be payable under (b) of these charges for any period when the boat which has already paid Mooring Charges under (a) is temporarily at a mooring in the Outer Harbour awaiting the tide, or, in the case of a fishing boat, for the purpose of discharging fish.

For clarity the following definitions should be applied:-

“the Committee” means the States General Services Committee;

“fishing boat” means a local boat whose owner satisfies the Committee that it is used wholly or principally for catching fish for a profit as a business;

“length” means overall length from stem to stern including any fixed bowsprit, pulpit bumpkin and davit;

“local boat” means a boat whose owner is ordinarily resident in Alderney;

“Braye Harbour” means the area defined as Braye Harbour in Section 4 of The Harbours, Moorings and Pilotage (Fees, Dues and Miscellaneous Provisions) (Alderney) Law, 1987;

and other expressions have the same meanings as in The Mooring Charges (Alderney) Law, 1976, as amended.

This list of fees and charges replaces those set in Statutory Instrument No. 4 of 2011.
