## **PRACTICE DIRECTION NO 1 OF 2009**

### **Royal Court Account for Security for Costs and payment**

I am directed by the Bailiff to issue the following Practice Direction.  
As of the 1<sup>st</sup> of January 2009 and until further notice all sums lodged with the Greffe either as security for costs or as a payment into court will earn interest at the rate of 1% per annum.

If Advocates believe they can obtain a better rate of interest by placing the monies with a bank themselves they may wish to agree with their opponents that such monies be held through their own client accounts.
