

**The Alderney Rateable Values (Public Utilities)
Assessment Ordinance, 1949.**

THE STATES, pursuant to section six of The Alderney Rateable Values Assesment Ordinance, 1949, hereby order:—

Assessment
of certain
Public Utility
properties.

1. The following rules shall apply for assessing the rateable value of the real property owned or occupied in Alderney by the Alderney Electric Light and Power Company Limited, the States of Guernsey Telephone Council and the States of Guernsey Water Board—

(a) in the case of real property so owned or occupied by the Alderney Electric Light and Power Company Limited for the purposes of the production of, distribution of and obtaining payment for, electric energy, the rateable value thereof shall be collectively at the rate of £1,160 per million kilowatt-hours of electric energy estimated by the States of Guernsey Cadastre Committee (hereinafter referred to as "the Committee") to have been sold by the said Company during the period of one year ending on the date of the latest determination of the rateable value ;

(b) in the case of real property so owned or occupied by the States of Guernsey Telephone Council for the purposes of the provision of, and obtaining payment for, telephonic communication, the rateable value shall be collectively at the rate of eleven shilings and three pence for each subscriber to the telephone service in Alderney during the period of one year ending on the date of the latest determination of the rateable value ;

- (c) in the case of real property so owned or occupied by the States of Guernsey Water Board for the purposes of the collection of, storage of, purification of, distribution of, and obtaining payment for, water, the rateable value shall be collectively at the rate of £10 per million gallons of water estimated by the Committee to have been distributed to consumers by the said Board during the period of one year ending on the date of the latest determination of the rateable value.

2. The Committee, or any person so authorised by the Committee, is hereby empowered, for the purpose of making the estimates referred to in the foregoing section, to enter the offices of the Alderney Electric Light and Power Company Limited and the States of Guernsey Water Board, during the normal business hours of the said Company and Board, as the case may be, and there to inspect the books of the said Company and the said Board and to make and to take away such extracts from the said books as it may consider necessary for the purposes hereinbefore referred to.

Powers of
Committee.

3. The rateable value of any property owned or occupied in Alderney by the Alderney Electric Light and Power Company Limited, the States of Guernsey Telephone Council or the States of Guernsey Water Board, for purposes other than those specified in section one of this Ordinance in respect of the said Company, Council or Board respectively, shall be determined in the manner laid down in section six, excluding the second proviso thereto, of the Alderney Rateable Values Assessment Ordinance, 1949.

Property not
used for pur-
poses speci-
fied in s.1.

4. This Ordinance shall come into force on the 20th day of July, 1949.
