For and on behalf of the Committee

^c G.S.I. No. 125 of 2020; as amended by G.S.I. Nos. 3 and 11 of 2021.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Medicines (Coronavirus and Influenza) (Bailiwick of Guernsey) Regulations, 2020 ("**the principal Regulations**").

Regulation 2 amends regulation 1(2) of the principal Regulations to revoke the designation of the COVID-19 Vaccine Moderna for vaccination or immunisation against the coronavirus. As the UK MHRA has granted a conditional marketing authorisation for that vaccine (31 March 2021) and this is recognised as a marketing authorisation in the Bailiwick, it is no longer necessary to designate that vaccine under section 15(2) and (3) of the Prescription Only Medicines (Human) (Bailiwick of Guernsey) Ordinance, 2009.

In any case, the UK licensing authority has revoked the temporary authorisation previously given for that vaccine under regulation 174 of the Human Medicines Regulations 2012, so the Committee can no longer designate that vaccine.

These Regulations will come into force on the 5th May, 2021.
