EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations increase fees payable with effect from the 1st January, 2025 in relation to -

- the exchange and retention of registration marks,
- trade plate renewals,
- the issue and renewal of driving licences and of duplicate licences,
- first and subsequent registration of motor vehicles and the issue of duplicate registration certificates and certificates of export,
- driving tests and theory tests.

The amount to which each fee has been increased has been calculated to reflect the increase in RPIX since that fee was last increased, and rounded to the nearest £1. Rounding to the nearest pound has resulted in the fee relating to documents for drivers and motor vehicles going abroad being restated rather than increased.

These Regulations will come into force on the 1st January, 2025.
