

GUERNSEY STATUTORY INSTRUMENT

2025 No. 12

**The Plant Health (Amendment of Preserved
Phytosanitary Conditions Regulation and Transitional
Provision) (Guernsey) Regulations, 2025**

<i>Made</i>	24 th February, 2025
<i>Coming into operation</i>	24 th February, 2025
<i>Laid before the States</i>	, 2025

THE COMMITTEE FOR THE ENVIRONMENT & INFRASTRUCTURE, in exercise of the powers conferred upon it by Article 108 of Preserved Regulation (EU) 2016/2031 of the European Parliament and of the Council on protective measures against pests of plants^a, and all other powers enabling it in that behalf, hereby makes the following Regulations:-

PART I

AMENDMENT TO THE PRESERVED PHYTOSANITARY CONDITIONS
REGULATION

^a PEUL (BoG) (RG) 2016/2031; this enactment has been amended insofar as it applies to Guernsey.

Amendments to the Preserved Phytosanitary Conditions Regulation.

1. The Preserved Phytosanitary Conditions Regulation is amended, insofar as it applies to Guernsey, as follows.

Amendments to Annex 2 to the Preserved Phytosanitary Conditions Regulation.

2. (1) Annex 2 (list of Guernsey quarantine pests) of the Preserved Phytosanitary Conditions Regulation is amended, insofar as it applies to Guernsey, as follows.

(2) In the table in Part A (pests not known to occur in Guernsey) -

(a) under the heading "**B. Fungi and oomycetes**" -

(i) delete entry 7,

(ii) after entry 21, insert "21A. *Heterobasidion irregulare* Garbelotto & Orosina [HETEIR]",

(iii) after entry 25, insert "25A. *Neofusicoccum laricinum* (Sawada) Y. Hattori & C. Nakashima [GUIGLA]",

(iv) delete entry 26,

(v) after entry 33, insert "33A. *Stagonosporopsis andigena* (Turkensteen) Aveskamp, Gruyter & Verkley [PHOMAN]",

(b) under the heading "**C. Insects and mites**" -

(i) delete entry 25,

(ii) in entry 29, after "*Choristoneura*" insert "*occidentalis*",

- (iii) in entry 34, for "(Walsingham) [CHONOC]" substitute "*occidentalis* Freeman",
 - (iv) in entry 40 –
 - (A) delete "— *Carneocephala fulgida* (Nottingham) [CARNFU]",
 - (B) after "*Homalodisca vitripennis* (Germar) [HOMLTR]", insert –

"- *Xyphon fulgidum* (Nottingham) [CARNFU]",
 - (v) delete entry 108,
 - (vi) after entry 110, insert "110A. *Ripersiella hibisci* (Kawai & Takagi) [RHIOHI]",
 - (vii) in entry 115 –
 - (A) for "*Scolytidae*" substitute "*Scolytinae*",
and
 - (B) for "[1SCOLF]" substitute "[1SCOLS]",
 - (viii) after entry 126, insert "127. *Zeugodacus tau* (Walker) [BCTRTA]",
- (c) under the heading "**F. Viruses, viroids and phytoplasmas**" –

- (i) in entry 5, for "*Candidatus* Phytoplasma 'aurantifolia'" substitute "'*Candidatus* Phytoplasma aurantifolia'",
- (ii) in entry 6, for " *Candidatus* Phytoplasma 'mali'" substitute "'*Candidatus* Phytoplasma mali'",
- (iii) in entry 7, for "*Candidatus* Phytoplasma 'pruni'" substitute "'*Candidatus* Phytoplasma pruni'",
- (iv) in entry 8, for "*Candidatus* Phytoplasma 'solani'" substitute "'*Candidatus* Phytoplasma solani'",
- (v) in entry 9, for "*Candidatus* Phytoplasma 'ulmi'" substitute "'*Candidatus* Phytoplasma ulmi'",
- (vi) in entry 31 –
 - (A) for "*Candidatus* Phytoplasma *australiense*" substitute "'*Candidatus* Phytoplasma *australiense*'",
 - (B) for "*Candidatus* Phytoplasma *phoenicium*" substitute "'*Candidatus* Phytoplasma *phoenicium*'".

(3) In the table in Part B (pests known to occur in Guernsey), under the heading "**D. Viruses, viroids and phytoplasmas**", in entry 1, for "*Candidatus* Phytoplasma 'prunorum'" substitute "'*Candidatus* Phytoplasma prunorum'".

Amendments to Annex 2A to the Preserved Phytosanitary Conditions Regulation.

3. (1) Annex 2A (List of provisional Guernsey quarantine pests) of the Preserved Phytosanitary Conditions Regulation is amended, insofar as it applies to Guernsey, as follows.

(2) Under the heading "**A. Fungi and oomycetes**" –

- (a) after entry 1C insert "1D. *Diaporthe phaseolorum* var. *sojae* Lehman [DIAPPS]", and
- (b) delete entry 2.

(3) Under the heading "**C. Viruses, viroids and phytoplasmas**", in entry 1ZA, for "*Candidatus* Phytoplasma fraxini" substitute "*Candidatus* Phytoplasma fraxini".

(4) under the heading "**D. Bacteria**", delete entry 1.

Amendments to Annex 4 to the Preserved Phytosanitary Conditions Regulation.

4. (1) Annex 4 (list of Guernsey regulated non- quarantine pests and their respective plants for planting) to the Preserved Phytosanitary Conditions Regulation is amended, insofar as it applies to Guernsey, as follows.

(2) In the table in Part C (RNQPs concerning propagating material of ornamental plants and other plants for planting intended for ornamental purposes), under the heading "**Viruses, viroids, virus-like diseases and phytoplasmas**", in the entry relating to "*Candidatus* Phytoplasma 'pyri' Seemüller & Schneider [PHYPPY]", in the first column, for "*Candidatus* Phytoplasma 'pyri'" substitute "*Candidatus* Phytoplasma pyri".

(3) In the table in Part F (RNQPs concerning seed potatoes), in the entry relating to "*Candidatus* Liberibacter 'solanacearum' Liefting *et al.* [LIBEPS]" in the

first column, for "*Candidatus Liberibacter 'solanacearum'*" substitute "*Candidatus Liberibacter solanacearum'*".

(4) In the table in Part H (RNQPs concerning vegetable propagating and planting material other than seeds), under the heading "**Bacteria**" in the entry relating to "*Candidatus Liberibacter 'solanacearum'* Liefting *et al.* [LIBEPS]", in the first column, for "*Candidatus Liberibacter 'solanacearum'*" substitute "*Candidatus Liberibacter solanacearum'*".

(5) In the table in Part I (RNQPs concerning fruit propagating material and fruit plants intended for fruit production) –

(a) under the heading "**Bacteria**", in the entry relating to "*Candidatus Phlomobacter 'fragariae'* Zreik, Bové & Garnier [PHMBFR]" in the first column, for "*Candidatus Phlomobacter 'fragariae'*" substitute "*Candidatus Phlomobacter fragariae'*",

(b) under the heading "**Viruses, viroids, virus-like diseases and phytoplasmas**" –

(i) in the entry relating to "*Candidatus Phytoplasma 'asteris'* Lee *et al.* [PHYPPAS]", in the first column, for "*Candidatus Phytoplasma 'asteris'*" substitute "*Candidatus Phytoplasma asteris'*",

(ii) in the entry relating to "*Candidatus Phytoplasma 'fragariae'* Valiunas, Staniulis & Davis [PHYPPFG]", in the first column, for "*Candidatus Phytoplasma 'fragariae'*" substitute "*Candidatus Phytoplasma fragariae'*",

- (iii) in the entry relating to "*Candidatus* Phytoplasma 'pyri' [PHYPPY]", in the first column, for "*Candidatus* Phytoplasma 'pyri'" substitute "*Candidatus* Phytoplasma pyri",
- (iv) in the entry relating to "*Candidatus* Phytoplasma 'rubi' Malembic-Maher *et al.* [PHYPRU]", in the first column, for "*Candidatus* Phytoplasma 'rubi'" substitute "*Candidatus* Phytoplasma rubi".

Amendments to Annex 5 to the Preserved Phytosanitary Conditions Regulation.

5. (1) Annex 5 (Measures to prevent the presence of RNQPs on specific plants for planting) to the Preserved Phytosanitary Conditions Regulation is amended, insofar as it applies to Guernsey, as follows.

(2) In the table in Part C (measures to prevent the presence of RNQPs on propagating material of ornamental plants and other plants for planting intended for ornamental purposes), under the heading "**Viruses, viroids, virus-like diseases and phytoplasmas**", in the entry relating to "*Candidatus* Phytoplasma 'pyri' Seemüller & Schneider [PHYPPY]", for "*Candidatus* Phytoplasma 'pyri'" in each place it occurs substitute "*Candidatus* Phytoplasma pyri".

(3) In Part F (measures to prevent the presence of RNQPs on seed potatoes) –

- (a) in the first table, in the entry relating to "*Candidatus* Liberibacter 'solanacearum' Liefting *et al.* [LIBEPS]", for "*Candidatus* Liberibacter 'solanacearum'" in each place it occurs substitute "*Candidatus* Liberibacter solanacearum", and

(b) in the second table, in the entry relating to "*Candidatus* *Liberibacter solanacearum* Liefting *et al.* [LIBEPS]", in the first column, for "*Candidatus* *Liberibacter solanacearum*" substitute "*Candidatus* *Liberibacter solanacearum*".

(4) in the table in Part H (measures to prevent the presence of RNQPs on vegetable propagating and planting material, other than seeds), under the heading "**Bacteria**", in the entry relating to "*Candidatus* *Liberibacter 'solanacearum'* Liefting *et al.* [LIBEPS]", for "*Candidatus* *Liberibacter 'solanacearum'*" in each place it occurs substitute "*Candidatus* *Liberibacter solanacearum*".

Amendments to Annex 7 to the Preserved Phytosanitary Conditions Regulation.

6. (1) Annex 7 (list of plants, plant products and other objects originating from third countries and the corresponding special requirements for their introduction into Guernsey) to the Preserved Phytosanitary Conditions Regulation is amended, insofar as it applied to Guernsey, as follows.

(2) In the table in Part A (plants, plant products and other objects originating in third countries which may only be introduced into Guernsey if special requirements are met) –

(a) after entry 3, insert –

"

3A.	Plants for planting, other than bulbs, corms, rhizomes, seeds, tubers, and plants in tissue culture	Any third country	The plants must be accompanied by an official statement that they have been: (a) grown in a place of production which is registered and supervised by the national plant
-----	---	-------------------	---

			<p>protection organisation of the country of origin, and</p> <p>(b) inspected at appropriate times prior to export for the detection of pests.</p>
--	--	--	--

(b) after entry 8, insert –

8A.	Plants for planting with growing media intended to sustain the vitality of the plants, other than plants in tissue culture and aquatic plants	Canada, EU Member States, India, Japan, Russia, Switzerland and the USA	<p>The plants must be accompanied by an official statement that they:</p> <p>(a) originate in an area* established by the national plant protection organisation in accordance with ISPM4 as an area that is free from <i>Popillia japonica</i> Newman,</p> <p>(b) have been grown in a place of production established by the national plant protection organisation in the country of origin in accordance with ISPM10 as a place of production that is free from <i>Popillia japonica</i> Newman:</p> <p>(i) which has been subject to an annual official inspection, and at least monthly inspections during the three months prior to export, for any</p>
-----	---	---	--

			<p>signs of <i>Popillia japonica</i> Newman, carried out at appropriate times to detect the presence of that pest at least by visual examination of all plants, including weeds, and sampling of the growing media in which plants are growing,</p> <p>(ii) which is surrounded by a buffer zone of at least 100 m, where the absence of <i>Popillia japonica</i> Newman was confirmed by official surveys carried out annually at appropriate times,</p> <p>(iii) immediately prior to export the plants and the growing media have been subjected to an official inspection, including the sampling of the growing media, and found free</p>
--	--	--	--

			<p>from <i>Popillia japonica</i> Newman, and</p> <p>(iv) the plants:</p> <p>(aa) are handled and packed or transported in such a manner as to prevent infestation from <i>Popillia japonica</i> Newman after leaving the place of production, or</p> <p>(bb) are moved outside the flight season of <i>Popillia japonica</i> Newman,</p> <p>(c) meet the following requirements:</p> <p>(i) they have been grown throughout their life in a site of production with physical isolation against the introduction of <i>Popillia japonica</i> Newman and</p>
--	--	--	--

			<p>(ii) that the plants:</p> <p>(aa) are handled and packed or transported in such a manner as to prevent infestation from <i>Popillia japonica</i> Newman after leaving the site of production, or</p> <p>(bb) are moved outside the flight season of <i>Popillia japonica</i> Newman, or</p> <p>(d) have been produced following an effective systems approach to ensure freedom from <i>Popillia japonica</i> Newman.</p> <p>*The name(s) of the area(s) shall be mentioned on the phytosanitary certificate under the heading "Additional Declaration".</p> <p>A phytosanitary certificate may not include the official statement referred to in</p>
--	--	--	--

			point (d) unless the national plant protection organisation of the country of origin has previously provided the national plant protection organisation of the United Kingdom with written details of the systems approach.
--	--	--	---

(c) in entry 27, in the third column –

(i) for "*Ralstonia syzygii*" in both places it occurs substitute "*Ralstonia syzygii*", and

(ii) for "*celebensis*" substitute "*celebesensis*",

(d) in entry 28, in the third column, for "*Candidatus Phytoplasma 'solani'*" in both places it occurs substitute "*Candidatus Phytoplasma solani*",

(e) in entry 30, in the second and third columns, for "*celebensis*" in each place it occurs substitute "*celebesensis*",

(f) in entry 33A, in the third column –

(i) after "must be accompanied by" insert "an official statement that",

(ii) in paragraph (a), delete "an official statement that" and renumber the paragraph as (a)(i),

(iii) at the end of the renumbered paragraph (a)(i), after "entry 105B,", for "and" substitute "or",

(iv) after paragraph (a)(i), insert –

"(ii) the plants are from evidence of their packaging, their flower development or by other means, ornamental plants intended for direct sale to final consumers not involved in professional plant production; and",

(v) in paragraph (b), delete "an official statement that:",

(g) in entry 44, in the third column, for "*Scolytidae*" substitute "*Scolytinae*",

(h) in entry 51, in the third column, for "*Candidatus Phytoplasma 'ulmi'*" substitute "*Candidatus Phytoplasma ulmi*",

(i) in entry 54A, in the first column, after "*Picea* Mill." insert "over 3m in height",

(j) in entry 54B, in the first column, after "*Picea* Mill." insert "over 3m in height",

(k) after entry 56, insert –

"

56A.	Plants, other than seeds, of <i>Abies</i> spp. Mill., <i>Calocedrus decurrens</i> Torrey, <i>Juniperus</i> spp. L., <i>Larix</i> spp. Mill., <i>Picea</i>	Canada, Cuba, the Dominican Republic, Mexico, the USA and EU Member States, other than any EU Member	The plants must be accompanied by an official statement that they originate in an area* which has been established by the national plant protection
------	---	--	---

	spp. Mill., <i>Pinus</i> spp. L., <i>Pseudotsuga menziesii</i> (Mirbel) Franco, and <i>Thuja</i> spp. Carr.	State where <i>Heterobasidion irregulare</i> Garbelotto & Otrrosina is known not to occur	organisation in accordance with the measures specified in ISPM4, as an area known to be free from <i>Heterobasidion irregulare</i> Garbelotto & Otrrosina and is not within 100km of a known outbreak of <i>Heterobasidion irregulare</i> Garbelotto & Otrrosina. *The name(s) of the area(s) must be included in the phytosanitary certificate under the heading "Additional declaration"
--	---	---	---

",

- (l) in entry 74, in the second and third columns, for "*Candidatus* Phytoplasma 'mali'" in each place it occurs, substitute "*Candidatus* Phytoplasma mali",
- (m) in entry 76, in the third column, for "*Candidatus* Phytoplasma 'pruni'" in each place it occurs, substitute "*Candidatus* Phytoplasma pruni",
- (n) in entry 77, in the third column, for "*Candidatus* Phytoplasma 'prunorum'" in both places it occurs, substitute "*Candidatus* Phytoplasma prunorum",
- (o) in entry 81 –
 - (i) in the first column, delete from ", other" to the end,
 - (ii) in the second column, delete ", Raspberry leaf curl virus or Cherry rasp leaf virus",

- (iii) in the third column, in point (b)(i)(aa) –
 - (A) for "at least for the pests referred to in column (2)" substitute "for Tobacco streak virus black raspberry latent strain", and
 - (B) for "those pests" in both places it occurs, substitute "that pest",
 - (iv) in the third column, in point (b)(i)(bb) –
 - (A) for " at least for the pests referred to in column (2)" substitute "for Tobacco streak virus black raspberry latent strain", and
 - (B) for "those pests" in both places it occurs, substitute "that pest",
 - (v) in the third column, in point (b)(ii), for "the pests referred to in column (2)" substitute "Tobacco streak virus black raspberry latent strain",
- (p) after entry 81, insert –

"

81A.	Plants for planting, other than seeds, of <i>Rubus</i> L.	Any third country where Raspberry leaf curl virus is known to occur	The plants must: (a) be free from aphids, including their eggs, and
------	---	---	--

			<p>(b) be accompanied by an official statement:</p> <p>(i) that the plants have been:</p> <p>(aa) officially certified under a certification scheme requiring them to be derived in direct line from material which has been maintained under appropriate conditions and subjected to official testing for Raspberry leaf curl virus, using appropriate indicators for the presence of Raspberry leaf curl virus or equivalent methods, and has been found to be free in those tests from Raspberry</p>
--	--	--	---

			<p>leaf curl virus, or</p> <p>(bb) derived in direct line from material which is maintained under appropriate conditions and has been subjected, within the last three complete cycles of vegetation, at least once, to official testing for Raspberry leaf curl virus, using appropriate indicators for the presence of Raspberry leaf curl virus or equivalent methods, and has been found to be free in those tests from Raspberry leaf curl virus, and</p> <p>(ii) that no symptoms of diseases caused by Raspberry leaf</p>
--	--	--	--

			<p>curl virus have been observed on plants at the place of production, or on susceptible plants in its immediate vicinity, since the beginning of the last complete cycle of vegetation.</p>
81B.	Plants for planting, other than seeds, of <i>Rubus</i> L.	Any third country where Cherry rasp leaf virus is known to occur	<p>The plants must:</p> <ul style="list-style-type: none"> (a) be free from aphids including their eggs, and (b) be accompanied by an official statement: <ul style="list-style-type: none"> (i) that the plants have been: <ul style="list-style-type: none"> (aa) officially certified under a certification scheme requiring them to be derived in direct line from material which has been maintained under appropriate conditions and subjected to official testing for Cherry rasp leaf

			<p>virus, using appropriate indicators for the presence of Cherry rasp leaf virus or equivalent methods, and has been found to be free in those tests from Cherry rasp leaf virus, or</p> <p>(bb) derived in direct line from material which is maintained under appropriate conditions and has been subjected, within the last three complete cycles of vegetation, at least once, to official testing for Cherry rasp leaf virus, using appropriate</p>

..

(3) In the table in Part B (plants, plant products and other objects originating in third countries which are subject to emergency measures and may only be introduced into Guernsey if special requirements are met), in entry 6, in the third

column, in the fourth unnumbered paragraph for "nor more tha" substitute "not more than".

Amendments to Annex 8 to the Preserved Phytosanitary Conditions Regulation.

7. (1) Annex 8 (list of plants, plant products and other objects originating in a Relevant British Island or Guernsey and the special requirements for their introduction into Guernsey from a Relevant British Island or their movement within Guernsey) to the Preserved Phytosanitary Conditions Regulation is amended, insofar as it applies to Guernsey, as follows.

(2) In the table in Part A (list of plants, plant products and other objects originating in a Relevant British Island or Guernsey and the special requirements for their introduction into Guernsey from a Relevant British Island or their movement within Guernsey) –

- (a) in entry 3, in the second column, for "*celebensis*" substitute "*celebesensis*",
- (b) in entry 19, in the second column, for "*Candidatus* Phytoplasma 'prunorum'" in both places it occurs, substitute "'*Candidatus* Phytoplasma prunorum'".

Amendments to Annex 11 to the Preserved Phytosanitary Conditions Regulation.

8. (1) In Annex 11 (list of plants, plant products and other objects and the respective third countries of origin or dispatch in respect of which phytosanitary certificates are required) to the Preserved Phytosanitary Conditions Regulation is amended, insofar as it applies to Guernsey, as follows.

(2) In the table in Part A (list of plants, plant products and other objects and the respective third countries of origin or dispatch, which may not be introduced into Guernsey unless they are accompanied by a phytosanitary certificate, as referred to in Article 72(1) of Regulation (EU) 2016/2031) –

- (a) in entry 5, in the third column, after "Any third country" insert "other than EU Member States and Switzerland",
- (b) in entry 20, in the third column, after "Any third country" insert "other than EU Member States and Switzerland",
- (c) in entry 26, in the first column, for "*cocineus*" substitute "*coccineus*",
- (d) in entries 35 and 45, in the first column, for "Pinales" substitute "Pinopsida",
- (e) delete entry 40,
- (f) after entry 40A, insert –

"

40B.	<i>Castanea</i> Mill.	Vegetable products of bark not elsewhere specified or included: ex 1404 90 00	Any third country
		Fuel wood, in logs, in billets, in twigs, in faggots or in similar forms; wood in chips or particles; sawdust and wood waste and scrap, whether or not agglomerated in logs, briquettes,	

pellets or similar
forms:

— Wood waste
and scrap, not
agglomerated:

ex 4401 40 90

"

(g) in entry 45, in the third column, for "Any third country" substitute "Any third country other than Albania, Andorra, Armenia, Azerbaijan, Belarus, Bosnia and Herzegovina, Canary Islands, Faroe Islands, Georgia, Iceland, Liechtenstein, Moldova, Monaco, Montenegro, North Macedonia, Norway, San Marino, Serbia, Switzerland, Turkey, Ukraine and EU Member States other than EU Member States where *Bursaphelenchus xylophilus* (Steiner & Bührer) Nickle is known to occur or where *Heterobasidion irregulare* Garbelotto & Orosina is known to occur.",

(h) after entry 45, insert –

"

45A.	Conifers (Pinopsida), excluding wood which is bark free	Fuel wood in logs, in billets, in twigs, in faggots or in similar forms; wood in chips or particles; sawdust and wood waste and scrap, whether or not agglomerated in logs, briquettes,	Albania, Andorra, Armenia, Azerbaijan, Belarus, Bosnia and Herzegovina, Canary Islands, Faroe Islands, Georgia, Iceland, Liechtenstein, Moldova, Monaco, Montenegro,

”

(i) delete entry 52.

(3) In the table in Part C (list of plants, together with the respective third countries of origin or dispatch, which do not require phytosanitary certificates pursuant to Article 73(2) of Regulation (EU) 2016/2031), in entry 29, in the first column, for "and *Prunus* L." substitute ", *Prunus* L. and *Vitis* L.".

Amendments to Annex 13 to the Preserved Phytosanitary Conditions Regulation.

9. (1) Annex 13 (list of plants, plant products and other objects for which a UK plant passport is required for their movement within Guernsey or for their introduction into Guernsey from a Relevant British Island) to the Preserved

Phytosanitary Conditions Regulation is amended, insofar as it applies to Guernsey, as follows.

- (2) In entries 8 and 10, for "Pinales" substitute "Pinopsida".

PART II

AMENDMENT OF THE 2020 REGULATIONS

Amendment of the 2020 Regulations.

10. (1) The 2020 Regulations are amended as follows.

(2) In regulation 6 (transitional provision: plants, plant products and other objects from EU Member states), in paragraph (1)(b) for "31st January, 2025" substitute "1st July, 2025".

(3) In the table in Schedule 4A (transitional provision: plants to which article 72(1) does not apply) –

(a) delete the entry relating to "Root and tubercle vegetables",

(b) after the entry relating to "Leaves of *Manihot esculenta* Crantz", insert –

"

Plants of <i>Asparagus officinalis</i> L., other than stems covered during their entire life by soil	Other vegetables, fresh or chilled; Asparagus.	18B
--	--	-----

",

(c) delete the entry relating to "*Fragaria* L., *Malus* Mill., *Persea americana* Mill., *Pyrus* L., *Rubus* L., *Vaccinium* L. and *Vitis* L."

PART III
GENERAL PROVISIONS

Interpretation.

11. In these Regulations, unless the context requires otherwise -

"**the Preserved Phytosanitary Conditions Regulation**" means the item of Preserved EU law entitled Commission Implementing Regulation (EU) 2019/2072 establishing uniform conditions for the implementation of Regulation (EU) 2016/2031 of the European Parliament and the Council, as regards protective measures against pests of plants, and

"**the 2020 Regulations**" means the Plant Health (Brexit) (Amendment) (Guernsey) Regulations, 2020^b.

Extent.

12. These Regulations shall have effect in the Islands of Guernsey, Herm and Jethou.

Citation.

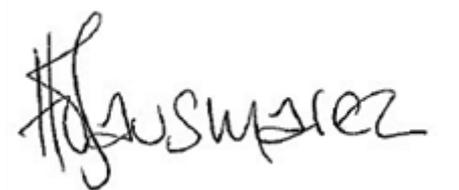

13. These Regulations may be cited as the Plant Health (Amendment of Preserved Phytosanitary Conditions Regulation and Transitional Provision) (Guernsey) Regulations, 2025.

Commencement.

14. These Regulations come into force on 24th February 2025.

Dated this 24th day of February, 2025

^b G.S.I. No. 130 of 2020; this enactment has been amended.

A handwritten signature in black ink, appearing to read "H. L. De Saumarez". The signature is written in a cursive style with some overlapping letters.

H. L. DE SAUSMAREZ

President of the Committee for the Environment & Infrastructure

For and on behalf of the Committee

EXPLANATORY NOTE

(This note is not part of the Regulations)

Part I of these Regulations makes further amendments to Annexes to the Preserved Phytosanitary Conditions Regulation which has effect in Guernsey as preserved EU law.

Part II amends the transitional provisions in Plant Health (Brexit) (Amendment) (Guernsey) Regulations, 2020.

The amendments are made to align with amendments made in Great Britain as, from the end of 2020, Guernsey has been part of a Great Britain and Crown Dependency market in plants and plant products.

Regulations 2 and 3 update the list of Guernsey quarantine pests in Annex 2 and the list of provisional Guernsey quarantine pests in Annex 2A in relation to particular pests. Various pest names are also amended to ensure that they are identified by their most up to date name.

Regulations 4 and 5 update the names of various pests in the list of Guernsey regulated non-quarantine pests and their respective plants for planting in Annex 4 and in the list of measures to prevent the presence of regulated non-quarantine pests on specific plants in Annex 5. This is to ensure consistency with internationally recognised names. Regulations 6 and 7 do the same in relation to the names of pests in Annexes 7 and 8.

Regulation 6 also adds new requirements to Annex 7 relating to the introduction of specified plants into Guernsey and regulation 8 updates the lists in Annex 11 in respect of phytosanitary certificate requirements in relation to specified plants.

Regulation 9 updates the list of plants, plant products and other objects for which a UK plant passport is required to ensure consistency with the internationally recognised names for conifers.

Part II (regulation 10) amends the transitional provisions in the Plant Health (Brexit) (Amendment) (Guernsey) Regulations, 2020 relating to the requirement for a phytosanitary certificate to accompany certain plants etc. imported into Guernsey from an EU Member State, Liechtenstein or Switzerland. The transitional provisions are extended to 1st July, 2025 . It also amends the exemptions in those provisions from the requirement for a phytosanitary certificate consequential on the amendments to the Preserved Phytosanitary Conditions Regulation.

These Regulations come into force on the 24th February, 2025.
