EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations extend the date for the ending of the period during which a temporary change of use of premises can occur, from a visitor accommodation use to certain residential uses, without planning permission. This is allowed under the exemption in paragraph 1 of Class 12 (temporary change of use from a visitor economy use to certain residential uses) of Schedule 1 to the Land Planning and Development (Exemptions) Ordinance, 2023. The date is extended from 28th February, 2026 to 28th February, 2027.

As a result of the above change, the Regulations also extend the date on or by which the premises, the use of which has been changed temporarily in reliance on the exemption, has to revert to its previous visitor accommodation use. The date is extended from 31st March, 2026 to 31st March, 2027.

The Regulations also revoke the previous set of Regulations which extended the relevant dates originally set out in the Ordinance.

These Regulations come into force on the 14th day of January, 2026.
